SCHEDULE: Professional Services Schedule

Contract Number: GS-35F-0402S

Contract Period: 05/12/2006 - 05/11/2021

Progressive Communications, LLC GSA Professional Services Schedule:
The Professional Services Schedule (PSS) - Enables Federal agencies to procure a wide variety of professional services using a single Schedule contract. Key advantages of Progressive Communications’ Professional Services Schedule (GS-35F-0402S) include a significant reduction in lead time to obtain services as prices have already been determined to be fair and reasonable and competitive requirements have already been met. There are no maximum order limitations and all applicable laws and regulations have been applied.

Business size: Small

Progressive Communications understands that each business has its unique set of challenges, and each challenge requires a solution that is customized to deliver the best possible margin of return on investment. We do what is right for each customer, not what is most expedient, profitable or easy. Doing what is right enriches our customer relationships, and it forms the basis for the expectations we have for ourselves and our team. It allows us to evaluate each opportunity with a fresh, candid and honest perspective, and promotes an open and engaged dialogue with our customers about solutions that work.

Progressive Communications has a 35+ year history of success and steady growth since its inception in 1983. Progressive Communications offers a full suite of turn-key professional telecommunications, security, surveillance and biometric services.
