

General description of the commodity offered:

Atlas Business Solutions, Inc. (ABS) is a leading developer of easy-to-learn, easy-to-use, and affordable business management software. Founded in 1991, our company is recognized as an industry leader and has been named one of Software Magazine’s Top 500 Software Companies since 2004.

Our commitment to customers is reflected in our mission statement: *To provide exceptional small business software, customer service and support that will enhance the productivity of our customers.* Over 100,000 customers worldwide from small to large-sized organizations in a broad range of industries rely on our solutions.

ABS has developed strategic relationships with leading software companies, like Intuit® and Microsoft®, allowing a greater number of customers to benefit from our solutions. ABS solutions directly reduce costs, save time and streamline business processes for our customers in the areas of human resources, employee scheduling, appointment scheduling, business planning, and financial forecasting.
