1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item.

Please refer to page 6-7 for the experience functional responsibilities and education for the hourly positions. Please refer to page 6 for the commercial job titles and hourly rates.

2. Maximum order. $500,000.00

3. Minimum order. $100.00

4. Geographic coverage (delivery area).

   All of the United States of America.

5. Point(s) of production (city, county, and State or foreign country).

   Our Headquarters are in Phoenix, Arizona.

6. Discount from list prices or statement of net price.

   Table is included below, beginning on page 17 through 19.

7. Quantity discounts

   CCG does not provide any quantity discounts.

8. Prompt payment terms. Net 30 Days
9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold.

10. Foreign items (list items by country of origin). - This is not applicable to Colyar Technology Solutions, LLC

11a. Time of delivery. (Contractor insert number of days.)

The delivery of a software module depends on the specific customer’s timeline and the complexity of the software they purchased, among other variables.

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.

This is not applicable to Colyar Technology Solutions, LLC

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

This is not applicable to Colyar Technology Solutions, LLC

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery.

This is not applicable to Colyar Technology Solutions, LLC

12. F.O.B. point(s). Destination

13a. Ordering address(es).

Colyar Technology Solutions, LLC
22420 N. 18th Drive
Phoenix, AZ 85027

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address(es).

Colyar Technology Solutions, LLC
22420 N. 18th Drive
Phoenix, AZ 85027

15. Warranty provision.

Colyar Technology Solutions, LLC has a 90 days post software delivery date warranty.

16. Export packing charges, if applicable.

Not applicable.

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level). - Not applicable.
18. Terms and conditions of rental, maintenance, and repair (if applicable).
   Not applicable.

19. Terms and conditions of installation (if applicable).
   Not applicable.

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable).
   Not applicable.

20a. Terms and conditions for any other services (if applicable).
   Not applicable.

21. List of service and distribution points (if applicable).
   Not applicable.

22. List of participating dealers (if applicable).
   Not applicable.

23. Preventive maintenance (if applicable).
   Not applicable.

24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).
   Not applicable.

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor’s website or other location.) The EIT standards can be found at: www.Section508.gov/.
   Not applicable.

25. Data Universal Number System (DUNS) number.
   Colyar Consulting Group’s DUNS Number is: 160246724

26. Notification regarding registration in System for Award Management (SAM) database.
   Colyar Technology Solutions, LLC is currently registered in the SAM system.

**Project Manager**

Minimum/General Experience: Twelve years’ experience, of which at least nine years must be specialized. Specialized experience includes: project development from inception to deployment, expertise in the management and control of funds and resources using complex reporting mechanisms, demonstrated capability in managing multi-task contracts and/or subcontracts of various types and complexity. General experience includes increasing responsibilities in information systems design and/or management.

Functional Responsibility: Serves as the project manager for a large, complex task order (or a group of task orders affecting the same common/standard/migration system) and shall assist in working with the Government Contracting Officer (CO), the contract-level Contracting Officer's Representative (COR), the task order-level COR(s), government management personnel and customer agency representatives. Responsible for the overall management of the specific task order(s) and insuring that the technical solutions and schedules in the task order are implemented in a timely manner. Performs enterprise wide horizontal integration planning and interfaces to other functional systems.

Minimum Education: Bachelor's degree in Computer Science, Information Systems, Engineering, Business, or other related discipline or equivalent experience in a technical or business discipline.

**Senior Programmer**

Minimum/General Experience: Eight years’ experience, of which at least 6 years must be specialized. Specialized experience includes software development using best practice lifecycle methodologies, leading a team of other developers, and demonstrating strong skills in development technologies. General experience includes increasing responsibilities in information systems design and/or management.

Functional Responsibility:
Creates and updates computer programs to satisfy user requests. Discusses requests with users for clarification. Recommends modifications to lower costs, enhance usability or expand functionality. Reviews Programmers programs to ensure accuracy and maintainability of programming. Works with Programmers to train them in programming technique and company standards. Develops time and expense estimates to fulfill user requests. Develops test data and test plans for requested programs and systems. Creates reviews program and system documentation and flow charts to ensure accuracy and consistency. Works with data center operations and data security personnel to move programs and systems from test to production status. Travels to client locations nationwide on an as-needed basis. Leads a team of developers on a particular project when directed.

Minimum Education: Associate degree (A. A.) or equivalent from two-year college or technical school; or two to four years related experience and/or training; or equivalent combination of education and experience. Two years experience in Microsoft Visual Studio and Microsoft Sequel Server required.
Software Analyst/Consultant

Minimum/General Experience: Six years experience, of which at least 4 years must be specialized. Specialized experience includes software and system analysis using best practice lifecycle methodologies, capability in working on multi-task contracts, and demonstrating strong skills in documentation and communication. General experience includes increasing responsibilities in information systems design and/or management.

Functional Responsibility: Defines clients' system requirements through analysis and designs and develops computer systems of all levels of complexity. Makes technical decisions of large complex development efforts on client's behalf. Provides technical direction and assistance to clients regarding their software needs. Plans, designs, and implements computer programs of complexity.

Coordinates work on computer sub-systems by integrating new systems with established systems and maintaining related files and procedures. Produces materials in coordination with client staff that is understood by other programmers and easily maintainable. Develops test plan specifications, tests and debugs programs according to plan.

Provides and maintains programs and accurate systems documentation for clients. Provides technical direction to project team members in the coordination of technical design implementation across multiple functional areas and communicates status to project leader as needed. Consults with clients to define technical solutions that meet their business requirements. Provides technical consulting internally and to clients to analyze cross benefit trade-offs of systems and solutions regarding feasibility studies. Travels to client locations nationwide on an as needed basis.

Minimum Education: Bachelor's degree (B. A.) from four-year college or university; and two to four years related experience and/or training; or equivalent combination of education and experience.

Programmer

Minimum/General Experience: Six years’ experience, of which at least 4 years must be specialized. Specialized experience includes software development using best practice lifecycle methodologies and demonstrating strong skills in development technologies. General experience includes increasing responsibilities in information systems design and/or management.

Functional Responsibility: Creates and updates computer programs according to user requests. Develops and maintains control language for the execution of each program. Tests programs for desired results using provided test data and tools. Applies proper use of logical programming techniques to ensure the maintainability of each application. Reviews time and expense estimates for user programming requests and recommends clarification and/or modifications as necessary. Maintains knowledge of hardware platform operating systems as well as other operating systems supported by the company. Records and maintains documentation for each written or updated program. Develops flow charts of program logic for each program being developed or modified.

Minimum Education:
High school diploma or general education degree (GED); or one-year related experience and/or training; or equivalent combination of education and experience. One-year experience in Microsoft Visual Studio and Microsoft Sequel Server.

Ownership and License of Data and Software Amendment between:
Colyar Consulting Group (Contractor) and
GSA (CUSTOMER)

The term "computer program" shall mean a series of instructions for operation of a computer or manipulation of data stored in electronic form. A computer program may be written or stored in human or machine-readable form, in any format, form or medium, and may be expressed in binary or any higher level language, including but not limited to flow charts showing the desired order and logical relation of operations. "Documentation" shall mean any information about a computer program, including but not limited to manuals, operating instructions, help files, or Contractor's written support policies, in any format, form or medium. A computer program and any documentation relating to that computer program together constitute "Software." "Data" shall mean any information that is either input for a computer program or output from a computer program.

1. Licenses

Contractor hereby grants to CUSTOMER a limited, non-exclusive, non-transferable license, in perpetuity, to use, modify, and prepare derivative works from, any Software provided by Contractor to CUSTOMER, pursuant to the agreement, for the internal business purposes of CUSTOMER, solely within the geographic area over which CUSTOMER has statutory or regulatory jurisdiction. The license granted includes the right to make any copies reasonably necessary for testing, backup, archival, and disaster recovery purposes, provided all copyright notices and proprietary legends are reproduced, but does not include the right to sublicense or distribute the Software to any other governmental agencies outside the geographic jurisdiction of CUSTOMER. CUSTOMER may use a preceding release of the Software for a reasonable and limited period of time concurrent with the installation and testing of a subsequent release, provided all copies of the preceding release are destroyed at the conclusion of the installation and testing of the subsequent release.

Contractor hereby grants CUSTOMER a limited, non-exclusive, non-transferable license to use all work product conceived, created, made, developed or acquired as a result of Contractor's services under the agreement, including without limitation all materials, copyrightable creations, works of authorship, derivative works, developments, improvements, discoveries, inventions, software, images, graphics, text, art work, databases and manuals ("Work Product"), for internal business purposes only and subject to the terms and conditions of the agreement. CUSTOMER may make a reasonable number of copies of Work Product for its internal business purposes.

CUSTOMER may only sublicense the Software and Work Product to CUSTOMER's independent contractors hired solely to assist CUSTOMER with its internal business processes. All independent contractors must agree in writing to terms and conditions limiting the use and disclosure of the Software and Work Product.
CUSTOMER shall not reproduce, copy, modify, adapt, translate, distribute, network, lease, loan, sell, sublicense, create derivative works based upon, reverse engineer, mirror, re-publish, disassemble, decompile, make any commercial use of, use on a timeshare or service bureau basis, the Software or Work Product. Prior to disposing of any media or apparatus containing the Software or Work Product, CUSTOMER shall ensure that any Software or Work Product contained on such media or stored in such apparatus has been completely erased or otherwise destroyed.

2. Ownership

All Data collected by CUSTOMER, or furnished by CUSTOMER to Contractor, under the agreement shall be and remain the property of CUSTOMER, and Contractor shall neither have nor acquire any rights or licenses by virtue of the agreement except a limited license to use the Data for purposes reasonably required for the performance of duties under the agreement and subject to confidentiality requirements with respect to the Data.

All Software and Work Product shall be and remain the property of Contractor (or the entity from whom Contractor has a license) and CUSTOMER shall neither have nor acquire any rights or licenses by virtue of the agreement, except only the licenses granted to CUSTOMER under this amendment. All Software and Work Product shall be considered the confidential information of CUSTOMER.

3. Warranties

Contractor warrants that for a period of ninety (90) days after delivery of the Software, the Software will perform substantially in accordance with the Documentation. Contractor does not warrant that the Software will operate uninterrupted or error-free or that all defects in the Software are correctable or will be corrected. Contractor, in full settlement of any breach of this warranty, shall have the option, in its sole discretion, to correct the defects in the Software, provide a replacement for the Software or return the license fee paid for the Software by CUSTOMER. THE LIMITED WARRANTY SET FORTH ABOVE IS EXCLUSIVE WITH RESPECT TO THE SOFTWARE AND ANY OTHER GOODS AND SERVICES COVERED BY OR FURNISHED PURSUANT TO THE AGREEMENT. CONTRACTOR DOES NOT WARRANT THAT USE OF THE SOFTWARE OR WORK PRODUCT WILL RESULT IN CUSTOMER OBTAINING ANY GRANTS, GOVERNMENT FUNDING, PROGRAMS, REIMBURSEMENTS, OR PAYMENTS, OR MAKE CUSTOMER COMPLIANT WITH ANY FEDERAL OR STATE EDUCATION, FOOD AND DRUG, OR OTHER LAW OR REGULATION. COMPLIANCE WITH ALL LAWS AND REGULATIONS IS SOLELY THE RESPONSIBILITY OF CUSTOMER. CONTRACTOR HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR ARISING FROM COURSE OF PERFORMANCE, DEALING, OR USAGE OF TRADE.

4. LIMITATION OF LIABILITY

IN NO EVENT SHALL EITHER PARTY (OR ITS SUPPLIERS IF APPLICABLE) BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, SPECIAL, EXEMPLARY, CONSEQUENTIAL OR OTHER SIMILAR DAMAGES OF ANY NATURE (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OR INACCURACY OF DATA, LOSS OF PROFITS OR REVENUES, OR
BUSINESS INTERRUPTION) ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OR NON-PERFORMANCE OF THE AGREEMENT, WHETHER FORESEEABLE OR NOT AND REGARDLESS OF WHETHER SUCH DAMAGES ARE GROUNDED IN TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, CONTRACT OR OTHERWISE, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

To the extent the terms of this amendment conflict with the terms of the agreement, the terms of this amendment shall prevail.
