ORDERING PROCEDURES FOR FEDERAL SUPPLY SCHEDULE CONTRACTS

Ordering activities shall use the ordering procedures of Federal Acquisition Regulation (FAR) 8.405 when placing an order or establishing a BPA for supplies or services.

WARRANTY

Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.

Data Security, Inc. will repair manufacturer defects for one (1) year from the date of shipment for products Data Security Inc. manufactures. Should the equipment need repair, the warranty provides a complete maintenance and repair program, including

parts and labor. If on-site maintenance is not appropriate, repairs will either be performed at Data Security, Inc.'s plant or Data Security, Inc. may provide an exchange of product of equal value, with the exception of certain products, as determined by Data Security, Inc. Shipping costs are included under warranty. Please see the statement of work for a complete description. While Data Security Inc. manufactures its products to include user friendly preventative maintenance steps, owners of Data Security, Inc. equipment can purchase on-site preventative maintenance services for some models. See your Data Security, Inc. representative for details.

The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

RETURN POLICY

In the event a Customer purchases equipment from Data Security Inc., and finds that it does not meet their needs, Data Security Inc. will accept UNUSED unit with a 20% restocking fee, plus the cost of shipping, within 30 days of delivery. The Customer must return the equipment in the same original packaging material and crate it was shipped in. If the customer does not have the original packaging material, the customer will be charged for replacement material and crate.

LIABILITY FOR INJURY OR DAMAGE

The Contractor shall not be liable for any injury to ordering activity personnel or damage to ordering activity property arising from the use of equipment maintained by the Contractor, unless such injury or damage is due to the fault or negligence of the Contractor.

STATEMENT CONCERNING AVAILABILITY OF EXPORT PACKING: Export packaging is available at no charge.

INSTALLATION

The equipment is self-installable.

ENVIRONMENTAL ATTRIBUTES

There are no environment concerns with using Data Security Inc. products. Certain products are Ergonomic, and others are Low VOC. Data Security Inc. is proud to be an environmentally friendly company, doing our part to protect the environment for future generations. We are committed to recycling, energy conservation and using locally made, non-toxic products in our manufacturing process.

VOLUNTARY PRODUCT ACCESSIBILITY

Data Security Inc. has completed a Voluntary Product Accessibility for many of our products to assist Federal contracting officials and other buyers in making preliminary assessments of products with features that support accessibility. Contact Data Security Inc. for more information.

QUANTITY DISCOUNTS

Quantity discounts available on orders of more than one unit; discounts vary depending upon model.
