15. WARRANTY PROVISION:

- a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial price list will apply to this contract. As a computer products distributor, Contractor passes the manufacturers' warranties through to their customers. Warranties will vary from part number, product line and manufacturer and can include on-site, depot and replacement. Warranties will also vary in length of their coverage period. Generally, Contractor will provide a replacement unit for product that is DOA (Dead on Arrival) for the first 30 days after purchase. Thereafter, all warranty work is handled either directly from the manufacturer or through a contracted third party.
- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.
- d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: Contact SYNNEX Corporation for Return Merchandise Authorization (RMA) 703-345-5159.

RETURN POLICY

All items to be returned to SYNNEX Corporation require a Return Authorization (RMA) Number. Before being issued an RMA Number, your request for return of product will be reviewed against this policy and any applicable manufacturer regulations for product returns. Any questions regarding

SYNNEX Corporation or manufacturer return policies should be directed to the SYNNEX Corporation Government Programs Department at (703) 345-5159.

SYNNEX Corporation General Returns Policy

Requests to SYNNEX Corporation for return of product must be made within 30 days of the date of invoice. End of life and remanufactured products cannot be returned. Configured products must be assessed prior to return. (vendor rules apply)

Defective Product:

In order for Customer Service to issue an RMA for DOA/defective product, it must be covered by the manufacturer's warranty and SYNNEX Corporation must be able to return the product for credit to the manufacturer under their policies. Please note that several manufacturers require that you provide SYNNEX Corporation with a case number or returns number issued by them prior to SYNNEX Corporation processing the return. Please include manufacturer case numbers for applicable products with SYNNEX Corporation RMA requests.

Some manufacturers require that DOA/defective product be returned directly to them. Please contact these manufacturers directly for RMA approval and return procedures.

Requests for return of DOA/Defective product past 30 days from the date of SYNNEX Corporation invoice must be submitted to the manufacturer for warranty replacement.

New and Unopened Stocked Product:

Product must be in resellable condition, in original packaging with an outer seal that has not been opened or re-taped and must still be a stocked item. Requests received in this condition within 30 days of the date of invoice will be accepted and will not be charged a restocking fee. Drop ship orders for items SYNNEX Corporation does not stock are not returnable unless prior approval / RMA from Manufacturer is provided. New and unopened product return requests received more than 30 days after invoice are considered out of policy return requests. These type requests will be considered on a case-by-case basis.

Open, Non-Defective Product:

Product with opened outer packaging, but with closed inside seals are eligible for return within 30 days of invoice. Product with marked, improperly labeled (not from the manufacturer or SYNNEX Corporation) or damaged outer packaging, opened inside seal, or product damage including but not limited to scratches, wear and indentations is not returnable. Returnable open box product is subject to a restocking fee of up to 25% of the purchase price, the restocking fee may be waived at the discretion of SYNNEX Corporation. Product that cannot be repackaged and restocked will be returned to the customer.

Incorrect or Missing Product:

Please notify SYNNEX Corporation of any claims shortages or other discrepancies within 5 days of delivery.

Requesting an RMA Number

To place an RMA request, please contact the SYNNEX Corporation Government Programs Department at (703) 345-5159 or (800) 955-9590 ext. 555159, who will collect the below required information and coordinate the request with our Customer Service Department.

Required Information:

In order for Customer Service to process your request as quickly as possible, you will need the following information when making your request:

Contact information

Invoice number and invoice date

SYNNEX Corporation part number

Serial numbers

Reason for return

A SYNNEX Corporation Customer Service Representative may contact you for additional information regarding your return. (Please be aware of the condition of the product you are trying to return) You will be notified with the RMA Number for your return if accepted or with the reason for denial of the request.

Please note that an RMA Number does not guarantee final disposition. All returns must be received by SYNNEX Corporation within 45 days from the date the RMA Number is issued and are subject to inspection to verify expected condition.

RMA Shipping Guidelines

Shipping Charges:

Returns must be shipped freight pre-paid. SYNNEX Corporation shares the costs associated with a return for replacement, the customer pays for return shipping and SYNNEX Corporation pays the shipping on the replacement. Unless the return is the result of an error made by SYNNEX Corporation, the customer remains liable for freight charges on the original shipment.

Returns Shipping Address:

Please send all returns approved with a SYNNEX Corporation RMA Number to the following Returns Address regardless of original shipment origin:

SYNNEX Corporation
595 Perry Road
Plainfield, IN 46168
ATTN: RMA# _____

Please ensure the RMA number is clearly referenced on the shipping label.

Product must be sent back in original unmarked packaging including all manuals, cables, software, internal packaging and accessories. Do not write addresses or RMA#s on the manufacturers' packaging. Product must be over-packed in larger boxes for shipping.

SYNNEX Corporation is not responsible for any shipping damages incurred in transit to or from the customer.

Product received by SYNNEX Corporation that is not in the appropriate condition (including writing on original manufacturer's packaging) will be assessed the 25% restocking fee or returned to the sender without credit.

Application of Credit:

Credit for returned merchandise will be applied to the customer's account (less any applicable restocking charges) only after confirmation of receipt and inspection.

- 16. EXPORT PACKING CHARGES:** Contractor will pay ground freight to point of embarkation only. SYNNEX does offer international shipping on a limited basis. Contact SYNNEX for freight estimate at 703-345-5159.

27. PURCHASE OF OPEN MARKET ITEMS:

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated as open market purchases. Ordering Activities procuring open market items must follow FAR 8.402(f).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) – referred to as open market items – to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, only if-

(1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));

- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;
- (3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

28. PRIME CONTRACTOR ORDERING FROM FEDERAL SUPPLY SCHEDULES.

Prime Contractors (on cost reimbursement contracts) placing orders under Federal Supply Schedules, on behalf of an ordering activity, shall follow the terms of the applicable schedule and authorization and include with each order -

- (a) A copy of the authorization from the ordering activity with whom the contractor has the prime contract (unless a copy was previously furnished to the Federal Supply Schedule contractor); and
- (b) The following statement:

This order is placed under written authorization from ____ dated _____. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule contract, the latter will govern.
