1st JMG & ASSOCIATES, LLC LABOR CATEGORIES AND RATES

1st JMG & ASSOCIATES, LLC (***JMG***) is an Information Technology (IT) Services Provider and Project Management Company. Founded in 1999, ***JMG*** brings 55 years of hands-on IT Management Consulting and Acquisition Support and Services experience in support of the Federal, State, and Local Government, as well as the Private Sector. The Company is headquartered within minutes of the Washington, DC Metropolitan area in Clinton, Maryland and currently supporting a client base ranging from Northern Virginia to Central New Jersey. Our intent is to bring “value-added” to our customers as we impart these collective years of experiences, totaling approximately 140 years, which comprises ***JMG***’s infrastructure. In doing so, we focus on the following technical core competencies;

- Management and Information Technology Consultants
- IT Security and Information Assurance
- Document Management and Conversion Specialists
- Design and Implementation Specialists
- Systems Integration Consultants
- Value Added Industry Partners (Equipment, Supplies, Services, and etc.)

JMG’s core infrastructure is positioned operationally with executive, business / funding, technical, and contract management personnel capability. ***JMG*** is ready to hit the ground running. We have established funding sources, mature and technically experienced personnel ready to be turned on immediately. We have in hand, committed resumes of security cleared and clearable personnel. ***JMG*** is now ready to execute a sufficiently large revenue-generating contract for fusing and provisioning of the above capabilities for the Customer’s benefit. Risk is minimal because ***JMG*** is staffed with seasoned business and technically astute individuals who understand from past performance, how to implement and manage large complex contracts.
