General Services Administration - Federal Acquisition Service
DUNS: 14-468-0519 CAGE: 1SSR5 Business Size: Small

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

SIN Code 54151S	Information Technology (IT) Professional Services
SIN Code 33411	Purchase of New Equipment
OLM	Order Level Materials

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. **SSB Right Angle Bracket \$2.75**

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.

2. Maximum order. **N/A**

3. Minimum order. **N/A**

4. Geographic coverage (delivery area). **Indefinite.**

5. Point(s) of production (city, county, and State or foreign country).

Yankee Microwave

290 Naples Rd

Harrison, ME 04040

6. Discount from list prices or statement of net price. **N/A**

7. Quantity discounts. **N/A**

8. Prompt payment terms. **1%Net30 Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.**

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold. **Accepted**

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold. **Accepted**

10. Foreign items (list items by country of origin). **N/A**

FCIS-JB-980001-B Refresh: 33 Part II - CONTRACT TERMS AND CONDITIONS

Page: 99 of 140

11a. Time of delivery. **TBD upon contractual requirements.**

11b. Expedited Delivery. **All products are available for expedited delivery.**

11c. Overnight and 2-day delivery. **Overnight and 2-day delivery are available. The schedule customer may contact the contractor for rates for overnight and 2-day delivery.**

- 11d. Urgent Requirements. **Agency may contact contractor for urgent requirements.**
12. F.O.B. point(s). **Yankee Microwave, 290 Naples Rd, Harrison ME 04040**
- 13a. Ordering address(es). **Yankee Microwave, 290 Naples Rd, Harrison ME 04040, Phone: 207-583-4670, Fax 207-893-8009, Email: david@yankeemicrowave.com**
- 13b. Ordering procedures: **For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.**
14. Payment address(es). **Yankee Microwave, PO Box 305, Harrison ME 04040**
15. Warranty provision. **Yankee Microwave upholds manufacturer warranties of products used.**
16. Export packing charges, if applicable. **Not Applicable**
17. Terms and conditions of Government purchase card acceptance. **Government purchase cards are accepted.**
18. Terms and conditions of rental, maintenance, and repair. **Rental of equipment is not available. Maintenance of equipment is not the responsibility of Yankee Microwave unless specified in contract. Repair is not applicable as defective products will be replaced under manufacturer RMA.**
19. Terms and conditions of installation. **Installation instructions are included with products that dictate methodologies for install. It is the responsibility of the buyer to organize installation. Any damage to products from improper installation fall onto the buyer.**
20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable). **Not Applicable**
- 20a. Terms and conditions for any other services. **Not applicable.**
21. List of service and distribution points.
Yankee Microwave, 290 Naples Rd, Harrison ME 04040
22. List of participating dealers. **Not applicable.**
23. Preventive maintenance. **Not applicable.**
- 24a. Special attributes such as environmental attributes. **Not applicable.**
- 24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: www.Section508.gov/.
25. Data Universal Number System (DUNS) number. **144680519**
26. Notification regarding registration in Central Contractor Registration (CCR) database. **SAM (www.sam.gov) Registration valid until 3/11/2021**

**TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT)
PROFESSIONAL SERVICES (SIN 54151S)**

The phrase, "Information Technology (IT) Professional Services/Identity Access Management (IAM) Professional Services" in the following paragraphs may need to be revised in order to be consistent with the Offeror's proposal; e.g., if only IT Professional Services are offered, all references to IAM Services should be deleted.

****NOTE: All non-professional labor categories must be incidental to, and used solely to support professional services, and cannot be purchased separately.*

1. SCOPE

- a. The prices, terms and conditions stated under SIN 54151S Information Technology Professional Services apply exclusively to IT/IAM Professional Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.

- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT/IAM Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

- (1) Cancel the stop-work order; or
- (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
- (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

6. INSPECTION OF SERVICES

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4

CONTRACT TERMS AND CONDITIONS –COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

7. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

8. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT/IAM Professional Services.

9. INDEPENDENT CONTRACTOR

All IT/IAM Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

10. ORGANIZATIONAL CONFLICTS OF INTEREST

a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

11. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices for IT/IAM Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim

products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

12. PAYMENTS

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—
 - (1) The offeror;
 - (2) Subcontractors; and/or
 - (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

13. RESUMES

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

14. INCIDENTAL SUPPORT COSTS

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

15. APPROVAL OF SUBCONTRACTS

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

16. DESCRIPTION OF IT/IAM PROFESSIONAL SERVICES AND PRICING

- a. The Contractor shall provide a description of each type of IT/IAM Service offered under SIN 54151S IT/IAM Professional Services should be presented in the same manner as the Contractor sells to its commercial and other ordering activity customers. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles (labor categories) for those individuals who will perform the service should be provided.

b. Pricing for all IT/IAM Professional Services shall be in accordance with the Contractor's customary commercial practices; e.g., hourly rates, monthly rates, term rates, and/or fixed prices, minimum general experience and minimum education.

The following is an example of the manner in which the description of a commercial job title should be presented:

EXAMPLE: Commercial Job Title: System Engineer

Minimum/General Experience: Three (3) years of technical experience which applies to systems analysis and design techniques for complex computer systems. Requires competence in all phases of systems analysis techniques, concepts and methods; also requires knowledge of available hardware, system software, input/output devices, structure and management practices.

Functional Responsibility: Guides users in formulating requirements, advises alternative approaches, conducts feasibility studies.

Minimum Education: Bachelor's Degree in Computer Science

LABOR CATEGORY DESCRIPTIONS

Commercial Job Title: Administrative Specialist

Minimum/General Experience: Five (5) years working experience in office administration, automation, and document management procedures. Familiarity with Federal Government standards for word processing, spreadsheets and schedule software applications preferable. Familiarity with office bookkeeping, travel arrangements, and filing procedures essential.

Functional Responsibility: Supports users in word processing, document management, spreadsheet development and general office management/administrative functions. Performs as Senior Administrative Support Specialist. Responsible for full range of administrative functions across project task.

Minimum Education: Two (2) year Associates Degree in a business discipline, or high school diploma with a minimum of three years additional experience may be substituted for an Associates Degree.

Commercial Job Title: Computer Automated Design (CAD)

Minimum/General Experience: Ten (10) years' experience in CAD, five of which include CAD design. Use of required CAD machine to provide, at a minimum, project layouts and detail, create project graphics, document field project and supportive photos while understanding CAD design and development and delivery techniques including hard copies and software copies.

Functional Responsibility: Supports users in the development and delivery of CAD based drawings. Maintains CAD resources, databases, and libraries. Responsible for CAD support on all on-going project tasks.

Minimum Education: Two (2) year Associates Degree in an arts discipline; Five (5) additional years of experience may be substituted for the Associates Degree.

Commercial Job Title: Communications Engineer (Senior Design Engineer – SDE)

Minimum/General Experience: Twelve (12) years' experience working in a communications discipline relating to the task order. A working knowledge and/or familiarity with commercial

as well as Federal Government systems process including frequency propagation theory, radio engineering design, system interface requirements and control, processing gain enhancements to specific frequencies, Survivability and Vulnerability (S/V) Requirements, custom integrated circuits and cell logic and assurance engineering, and strategic communications interoperability requirements.

Functional Responsibility: Guides customers in the development, engineering and implementation of communications systems to the systems architectures, guides customers in the development and/or modification of technical documentation, performs as Senior Task Leader, monitors task performance and schedules, and is responsible for task completion.

Minimum Education: Bachelor's and Master's Degrees in an engineering discipline. Eight (8) additional years of related specialized experience may be substituted for the Master's Degree. Four (4) additional years of related specialized experience may be substituted for the Bachelor's Degree.

Commercial Job Title: Program Manager

Minimum/General Experience: Ten (10) years' experience in communication or Physical Security Systems program/project planning, organization, direction, and control. Understanding of commercial and Federal System purchasing/acquisition and management process, procedures, regulations, and documentation. Thorough understanding of budget development, management and execution process. Understanding of programs risk management techniques and procedures.

Functional Responsibility: Guides customers in the management and execution of communication and or Physical Security Systems programs. Oversees technical and administrative contractor staff assigned to program/project. Senior corporate official responsible for communication and or Security Systems program resource management on a day-to-day basis. Interfaces with customers' systems Program Managers to determine requirements and allocate resources. Manages programs requiring senior management experience and decision-making skills, and corporate resource allocation authority. Responsible for personnel. Responsible for the activities of the personnel.

Minimum Education: Bachelor of Science/Bachelor of Arts and Master's Degree in an engineering or management discipline. Five (5) additional years of specific experience on customer task order systems. Program/project management experience may be substituted for the Master's Degree. Ten (10) additional years of specific experience on customer task order systems program/project management experience may be substituted for the Bachelor's Degree.

Commercial Job Title: Sr. Electronic Technician II (SET)

Minimum/General Experience: Twelve (12) years' experience in systems installation of related physical security equipment, communications, and systems functional coordination of related areas of expertise. Specific experience in functional troubleshooting of primary system and sub systems to determine actions/tasks required to satisfy customer needs. Ability to identify functional interfaces, special knowledge and skills, or unique requirements associated with system installation and performance. Specific skills in defining, refining, and integrating the system.

Functional Responsibilities: Guides customers in defining actions or tasks and chronology of events associated with systems installation or integration. Develops configuration management plans. Supports integration of new workflow management systems. Performs tradeoff studies and identification of deficiencies within the existing system. Develops risk and configuration management plans. Supports integration of new workflow management systems. Serves as liaison between the contractual staff and the customer.

Minimum Education: Bachelor's Degree in Engineering or five (5) years relevant experience in systems installation may be substituted for the Bachelor's Degree, not to include the 12-year minimum experience requirement.

Commercial Job Title: Electro/Mechanical Technician I

Minimum/General Experience: Five (5) years' experience in systems hardware installation and tower rigging for communications systems. Specific experience in construction. Maintain and troubleshoot hardware for communication and security systems.

Functional Responsibilities: Provides program supports in the performance of systems construction, per assembly and debugging of system hardware. Supports the installation within the requirements documents and trade off studies definitions, assists in the development of risk and configuration management plans. Works under the supervision of the Electro/Mechanical Technician II in large-scale efforts.

Minimum Education: Trade school degree or certificate in the related discipline. Five (5) years of experience relevant to the task order can be substituted for the Trade School degree or certificate, not to include the five (5) year minimum experience requirement.

Commercial Job Title: Electro/Mechanical Technician II

Minimum/General Experience: Ten (10) years' experience in systems hardware installation and tower rigging for communications systems. Specific experience in construction; maintain and troubleshoot hardware for communication and security systems. Specific skills in defining, refining, and integrating systems hardware.

Functional Responsibilities: Provides program supports in the performance of systems construction, per assembly and debugging of system hardware. Supports the installation within the requirements documents and trade off studies definitions, assists in the development of risk and configuration management plans. Performs tradeoff studies and identification of deficiencies and solutions for new and existing equipment. Develops risk and configuration management plans. Supports integration of new workflow management systems.

Minimum Education: Associates Degree in Engineering. Five (5) years additional relevant experience in installation of systems may be substituted for the Associates Degree, not to include the seven (7) year minimum experience requirement.

Commercial Job Title: Electro/Mechanical Technician III

Minimum/General Experience: Fifteen (5) years' experience in systems hardware installation, tower rigging for communications systems. Specific experience in construction; maintain and troubleshoot hardware for communication and security systems. Specific skills in defining, refining, and integrating systems hardware.

Functional Responsibilities: Provide program supports in the performance of systems construction, per assembly and debugging of system hardware. Support the design and installation within the requirements documents and trade off studies definitions; capable of developing risk and configuration management plans; perform tradeoff studies and identification of deficiencies and solutions for new and existing equipment; develop risk and configuration management plans; support integration of new workflow management systems.

Minimum Education: Associates Degree in Engineering and Trade School Certificate or equivalent. An additional five (5) years relevant experience in installation of systems may be substituted for the Associates Degree, not to include the fifteen (15) year minimum experience requirement.

**YANKEE MICROWAVE, INC.
GSA PRICE LIST

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF
GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY NEW EQUIPMENT
(SIN 33411)**

Note: Commercially available products under this solicitation may be covered by the Energy Star or Electronic Product Environmental Assessment Tool (EPEAT) programs. For applicable products, offerors are encouraged to offer Energy Star-qualified products and EPEAT-registered products, at the Bronze level or higher. If offerors opt to offer Energy Star or Electronic Product Environmental Assessment Tool (EPEAT) products then they shall identify by model which products offered are Energy Star-qualified and EPEAT-registered, broken out by registration level of bronze, silver, or gold. Visit the Green Procurement Compilation, www.sftool.gov/greenprocurement for a complete list of products covered by these programs.

1. MATERIAL AND WORKMANSHIP

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

3. TRANSPORTATION OF EQUIPMENT

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

4. INSTALLATION AND TECHNICAL SERVICES

****NOTE: Contractors are to indicate in the pricelist whether the equipment is self-installable.****

a. **INSTALLATION.** When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

*****NOTE: CONTRACTORS SHOULD PROVIDE COMMERCIAL PRACTICES FOR INSTALLATION/DEINSTALLATION/REINSTALLATION FOR REVIEW AND POSSIBLE INCLUSION IN THE CONTRACT.*****

b. **INSTALLATION, DEINSTALLATION, REINSTALLATION.** The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall received less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 33411.

c. **OPERATING AND MAINTENANCE MANUALS.** The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with the equipment being purchased.

5. INSPECTION/ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its post-acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

6. WARRANTY

a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.

*****Contractor is to insert commercial warranty clauses.*****

b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. **Limitation of Liability.** Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: ____

7. PURCHASE PRICE FOR ORDERED EQUIPMENT

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

8. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT

When an ordering activity determines that Information Technology equipment will be replaced, the ordering activity shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43.6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).
