In consideration for your payment of any applicable license fee for the Software, Bamboo Solutions hereby grants to you a personal, non-transferable (except as expressly provided in Section 4 below) and non-exclusive right to use and execute the SOFTWARE on a single computer, without right to sublicense the SOFTWARE. Under no circumstance may you store, use or allow the use of the SOFTWARE in any manner on more than one computer at a time. You agree that you will not reverse engineer, decompile or disassemble any portion of the SOFTWARE. If you dispose of any media or apparatus containing SOFTWARE, you will ensure that you have completely erased or otherwise destroyed any SOFTWARE contained on such media or stored in such apparatus. Except as expressly provided in Section 4 below, you may not distribute, lease, transfer for profit, loan or otherwise convey the SOFTWARE or any portion thereof to anyone.

2. COPYING RESTRICTIONS. In order to effect your license rights hereunder, you may install the SOFTWARE by copying it onto the hard disk drive or into the CPU memory of a single computer for use thereon, and you may make full or partial copies of the SOFTWARE, but only as necessary for backup or archival purposes. You agree that (i) your use and possession of such copies shall be solely under the terms and conditions of this Agreement, and (ii) you shall place the same proprietary and copyright notices and legends on all such copies as included by Bamboo Solutions on the media containing the authorized copy of the SOFTWARE originally provided.

3. OWNERSHIP OF SOFTWARE AND MEDIA. You agree and acknowledge that Bamboo Solutions transfers no ownership interest in the SOFTWARE, in the intellectual property in any SOFTWARE or in any SOFTWARE copy, to you under this Agreement or otherwise, and that Bamboo Solutions and its licensors reserve all rights not expressly granted to you hereunder. After you pay any applicable license fees and/or the purchase price of the applicable Bamboo Solutions, you will own the media on which the SOFTWARE was originally provided to you hereunder and on which you subsequently copy the SOFTWARE, but Bamboo Solutions and its licensors shall retain ownership of all SOFTWARE and copies of the SOFTWARE or portions thereof embodied in or on such media.

4. **TRANSFER RESTRICTIONS.** If you transfer ownership of the SOFTWARE you may transfer the SOFTWARE and all licenses and rights in the SOFTWARE granted to you under this Agreement to the transferee provided that: (i) such transferee agrees in writing to accept the terms and conditions of this Agreement, and (ii) you also transfer all SOFTWARE, including all copies thereof, to such transferee. Except as provided in this Section, you may not sublicense, transfer or assign this Agreement or any of your rights or obligations under this agreement, in whole or in part.

Following notice of a claim or a threatened or actual suit, Bamboo Solutions may, without obligation to do so, at Bamboo Solutions sole option: (a) procure for you the right to continue to use the SOFTWARE as furnished, (b) replace or modify the SOFTWARE to make it non-infringing, or (c) discontinue your license for the SOFTWARE and refund to you any license fee that you paid for it, less a reasonable value for use, determined by prorating such license fee on the basis of a thirty-six (36) month straight line depreciation method, applied to the period of actual use. Bamboo Solutions shall not be obligated to defend or be liable for costs and damages if the infringement or claim thereof arises out of: (i) use or combination of SOFTWARE with products or data not provided by Bamboo Solutions, (ii) use of other than the latest unmodified release of SOFTWARE made available to you by Bamboo Solutions if such infringement would have been avoided by the use of such release of SOFTWARE, (iii) modification of the SOFTWARE by anyone by Bamboo Solutions, (iv) use of SOFTWARE after receiving notice, or having reason to believe, that SOFTWARE infringes a patent or copyright of a third party, or (v) a claim based on any portion of the Windows(r) software that may be included with SOFTWARE.
