17. Terms and conditions of Government purchase card acceptance:
For credit card orders and BPAs, telephone orders are permissible.

18. Terms and conditions of rental, maintenance and repair: This SIN is specific for training on Packet Forensics hardware and software, there are no rental, maintenance or repair options for this service.

19. Terms and conditions of installation:
Training can be conducted at contractor site or at ordering activity's site. For those courses conducted at the ordering activity’s location, instructor travel charges (if applicable), including mileage and daily living expenses (e.g., per diem charges) are governed by Pub. L. 99-234 and FAR Part 31.205-46, and are reimbursable by the ordering activity on orders placed under the Multiple Award Schedule, as applicable, in effect on the date(s) the travel is performed. Contractors cannot use GSA city pair contracts. The Industrial Funding Fee does NOT apply to travel and per diem charges.

The Contractor shall conduct training on the date (time, day, month, and year) agreed to by the Contractor and the ordering activity.

The ordering activity will notify the Contractor at least seventy-two (72) hours before the scheduled training date, if a student will be unable to attend. The Contractor will then permit the ordering activity to either cancel the order or reschedule the training at no additional charge. In the event the training class is rescheduled, the ordering activity will modify its original training order to specify the time and date of the rescheduled training class.

In the event the ordering activity fails to cancel or reschedule a training course within the time frame specified in paragraph a, above, the ordering activity will be liable for the contracted dollar amount of the training course. The Contractor agrees to permit the ordering activity to reschedule a student who fails to attend a training class within ninety (90) days from the original course date, at no additional charge.

The ordering activity reserves the right to substitute one student for another up to the first day of class.

In the event the Contractor is unable to conduct training on the date agreed to by the Contractor and the ordering activity, the Contractor must notify the ordering activity at least seventy-two (72) hours before the scheduled training date.
The Contractor agrees to provide each student with unlimited telephone support for a period of three (3) months from the completion of the training course. During this period, the student may contact the Contractor’s instructors for refresher assistance and answers to related course curriculum questions.
