INFORMATION FOR ORDERING ACTIVITIES
APPLICABLE TO ALL SPECIAL ITEM NUMBERS

1a. Table of awarded the special item number with appropriate cross-reference to item descriptions and awarded price.

   Special Item No. 54151S - Information Technology Professional Services

   Special Item No. OLM - Order-Level Materials (OLMs)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

   See Price Sheet

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item.

   Skill category descriptions begin on page 10.

2. Maximum order. $500,000

3. Minimum order. $100

4. Geographic coverage (delivery area). Domicile only

5. Point(s) of production (city, county, and State or foreign country). Same as company address.

6. Discount from list prices or statement of net price. Government prices are net.

7. Quantity discounts. 1.5% for orders at or above $300,000

8. Prompt payment terms. 2%, 15 Days, NET 30

9. Foreign items (list items by country of origin). None

10a. Time of delivery. (Contractor inserts number of days.) As negotiated on the task order level.

10b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.

   As negotiated on the task order level
10c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

*As negotiated on the task order level*

10d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery.

*As negotiated on the task order level*
