**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF
GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY
EQUIPMENT (SPECIAL ITEM NUMBER 132-53)**

1. ACCEPTANCE TESTING

The satellite communications services offered under this contract are covered under the approved acceptance test plan for International Maritime Satellite (INMARSAT) services.

2. EQUIPMENT

The Contractor shall make available satellite voice and data devices. The satellite devices offered shall be compatible with the satellite access standards employed within the geographical scope of contract.

The Contractor shall provide programming of any satellite telephone device, including Contractor-provided and Government-furnished devices, that conform to the satellite service furnished by the Contractor.

3. WARRANTY

The Contractor shall provide a warranty covering each Contractor-provided device. The minimum duration of the warranty shall be the duration of the manufacturer's commercial warranty for the item listed below:

- a. AOS, Inc. warrants that the Product delivered to Customer shall be free from defects in workmanship and material for a period of one year (365 days). The warranty period for Product shall commence at the time of delivery of the Product. A Product failing within the warranty period to function properly under normal use, due to a defect in materials or workmanship or due to nonconformance to the agreed upon specifications, will be repaired or exchanged, at AOS, Inc.'s option and expense.
- b. Products and components not manufactured by AOS, Inc. are covered under the applicable manufacturer's warranty, and all conditions and limitations of these warranties shall apply.
- c. All warranties offered by AOS, Inc. are a "return to depot" warranty. If a Customer requires an AOS technician to travel to Customer's location to perform warranty services, the Customer is responsible for all costs associated with the travel including, but not limited to, transportation costs and living expenses. AOS, Inc. will provide a written estimate of travel costs upon request.
- d. AOS, Inc. shall not warranty or cover any loss or damage that may have occurred as a result of: misuse, neglect, or improper operation environment including extreme heat or cold; repair or modification not done by a certified repair technician; power surges or other electrical damages including static electricity; liquid spills on any components; smoke; physical abuse including dropping or hitting; incompatibilities with another vendor's hardware or software; software setup or configuration problems.

- e. Repaired, replaced or exchanged Product will be warranted for the repair warranty period in effect as of the date the repaired, exchanged or replaced Product is delivered to the Customer, or the remainder of the original warranty, whichever is longer. This Limited Warranty extends to AOS, Inc.'s direct customer only and is not assignable or transferable.

Customer will obtain a Return Material Authorization ("RMA") number from AOS, Inc. prior to returning the nonconforming Product freight prepaid. AOS, Inc. will pay for transporting the repaired or exchanged Product to Customer.

Disclaimer: AOS, Inc. makes no representation, warranty or guaranty, express or implied, regarding the Products except its standard form of limited warranty ("Limited Warranty"). AOS, Inc. may in its sole discretion modify its Limited Warranty at any time. Except as set forth in writing in the Limited Warranty, AOS, Inc. makes no performance representations, warranties, or guarantees, either express or implied, oral or written, with respect to the Products, including without limitation any implied warranty (a) of merchantability, (b) of fitness for a particular purpose, or (c) arising from course of performance, course of dealing, or usage of trade.

In no event shall AOS, Inc. be liable for loss of use indirect, incidental, or consequential damages, including but not limited to consequential damages for personal injuries. The negligence or other tort, breach of any statutory duty, principles of indemnity or contribution, the failure of any limited or exclusive remedy to achieve its essential purpose or otherwise. Nothing herein shall be construed as adoption by AOS, Inc. of any manufacturer warranty.

In no event shall AOS, Inc. be liable for costs of procurement of substitute goods by anyone or for loss of data, nor will it be liable for indirect, special, incidental, consequential, or other damages arising out of the purchase, use or performance of the Product, and whether or not it has been advised of the possibility of such damages. The foregoing allocation of risk is reflected in the price of the Product.

The warranty shall commence upon the later of the following:

- a. Activation of the user's service
- b. Installation/delivery of the equipment

The Contractor, by repair or replacement of the defective item, shall complete all warranty services within five working days of notification of the defect. Warranty service shall be deemed complete when the user has possession of the repaired or replaced item. If the Contractor renders warranty service by replacement, the user shall return the defective item(s) to the Contractor as soon as possible but not later than ten (10) working days after notification.

4. MANAGEMENT AND OPERATIONS PRICING

The Offeror shall provide management and operations pricing on a uniform basis. All management and operations requirements for which pricing elements are not specified shall be provided as part of the basic service.

5. TRAINING

The Contractor shall provide normal commercial installation, operation, maintenance, and engineering interface training on the system. If there is a separate charge, indicate below:

Installation, Engineering Interface Training, and Testing of the Outpost Communicator Series Equipment Land Line Terminus Unit (per site): \$1,800.00

6. MONTHLY REPORTS

In accordance with commercial practices, the Contractor may furnish the Agency/User with a monthly summary activity report.

7. WIRELESS SERVICE PLAN

- a. Describe the wireless service plan and eligibility requirements. Include, but not limited to, service area, monthly service charge, minutes included, etc. INMARSAT Global and spot-beam satellite communications services. Services priced and sold on a per-minute basis only as per attached pricing (no monthly service charges).
- b. Describe charges, if any, for additional minutes, domestic wireless long distance, roaming, nights and weekends, etc. *Not applicable.*
- c. Describe corporate volume discounts and eligibility requirements. *Not applicable*
