CONTRACT ADMINISTRATOR: Collin Kruger
Collin.Kruger@k2share.com

BUSINESS SIZE: Small business
Veteran Owned Small business
CUSTOMER INFORMATION

1a. Awarded special item number(s):
54151/54151 RC/54151 ST-LOC Software Maintenance Services
54151ECOM/54151ECOM RC/ 54151ECOM ST-LOC Electronic Commerce and Subscription Services
54151S/54151S RC/54151 ST-LOC IT Professional Services
611430/611430 RC Professional and Management Development Training

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.
See attached pricelist

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided.
See attached pricelist

2. Maximum order. SINs 54151; 54151ECOM; 54151S is $500,000
   SIN 611430 is $1,000,000

3. Minimum order. $100

4. Geographic coverage (delivery area): Domestic delivery only.

5. Point(s) of production: College Station, TX

6. Discount from list prices: All prices are net, discounts deducted.

7. Quantity discounts: None

9. Foreign items: None

10a. Time of delivery: 30 days ARO

10b. Expedited Delivery. Items available for expedited delivery are noted in this price list.

10c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2- day delivery. NA

10d. Urgent Requirements: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

11. F.O.B. point(s): Destination
12a. Ordering address(es). K2Share, LLC 1005 University Dr. East, College Station, TX 77840

12b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s) are found in Federal Acquisition Regulation (FAR) 8.405-3.

13. Payment address. K2Share, LLC 1005 University Dr. East, College Station, X 77840

14. Warranty provision: See following pages.

15. Export packing charges, if applicable. NA

16. Terms and conditions of rental, maintenance, and repair. Not Applicable

17. Terms and conditions of installation:
For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:
(1) Time of delivery/installation quotations for individual orders.
(2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and GSA Schedule 70, Contract No. GS-35F-0840R capabilities of a product/equipment/service/software package submitted in response to requirements which result in orders under this schedule contract.
(3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.

18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices: The maintenance/repair service provided is the standard commercial terms and conditions for the type of products and/or services awarded.

18b. Terms and conditions for any other services:
(1) The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
(2) The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the contractor and the ordering activity.
(3) The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner. (4) Any Contractor travel required in the performance of IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

19. List of service and distribution points: K2Share, LLC 1005 University Dr. East, College Station, TX 77840

20. Participating dealers: N/A

21. Preventive maintenance: N/A

22a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants: N/A

22b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor’s website or other location.) The EIT standards can be found at: www.Section508.gov/. N/A

23. SAM Unique Entity ID: YNE8MB7CDKB7

Contractor maintains a current registration in SAM. CAGE: 3QVF8
LIMITED WARRANTY

K2SHARE represents and warrants that: (a) all services performed by K2SHARE hereunder will be performed in a professional and workmanlike manner in accordance with applicable industry standards, and (b) developed software will perform in conformance with the specifications in accordance with applicable industry standards for a period of ninety (90) days after Acceptance of such developed software, provided that the developed software has not been (i) modified, altered, or tampered with in any way (including virus infection), (ii) operated in a manner other than its intended purpose, or (iii) combined with any products or services other than those supplied or authorized by K2SHARE for use with the developed software. The date of Acceptance is defined as final installation of the Product following any customizations by K2SHARE if applicable.

If an implied warranty or condition is created by your state/jurisdiction and federal or state/provincial law prohibits disclaimer of it, you also have an implied warranty or condition, BUT ONLY AS TO DEFECTS DISCOVERED DURING THE PERIOD OF THIS LIMITED WARRANTY (NINETY DAYS). AS TO ANY DEFECTS DISCOVERED AFTER THE NINETY (90) DAY PERIOD, THERE IS NO WARRANTY OR CONDITION OF ANY KIND.

LIMITATION ON REMEDIES; YOU ARE NOT ENTITLED TO ANY CONSEQUENTIAL DAMAGES if the Product does not meet K2SHARE’s Limited Warranty, and, to the maximum extent allowed by applicable law, even if any remedy fails of its essential purpose.

K2SHARE is liable to (a) allow you to retain the defective Product and reduce the contract price by an amount equitable under the circumstances, or (b) repair or replace the Product, as directed by You, if the Product does not meet this Limited Warranty. You will receive the remedy without charge, except that you are responsible for any expenses you may incur (e.g. cost of shipping the Product to K2SHARE). Any replacement Product will be warranted for the remainder of the original warranty period or ninety (90) days, whichever is longer.

The Limited Warranty that appears above is the only express warranty made to you and is provided in lieu of any other express warranties (if any) created by any documentation or packaging. Except as stated elsewhere in this Limited Warranty, K2SHARE hereby disclaims all other warranties and conditions, either express, or implied.

The warranty shall commence upon the later of the following:

a) Activation of the user’s service
b) Installation/delivery of the equipment

The Contractor, by repair or replacement of the defective item, shall complete all warranty services within five working days of notification of the defect. Warranty service shall be deemed complete when the user has possession of the repaired or replaced item. If the Contractor renders warranty service by replacement, the user shall return the defective item(s) to the Contractor as soon as possible but no later than ten (10) working days after notification.

Implements data models and database designs, data access and table maintenance codes; resolves database performance issues, database capacity issues, replication, and other distributed data issues. Works under general supervision. Relies on limited experience and judgment to plan and accomplish goals.

Database Administrator III

Job Description and relationship to FPDS Code(s):
- IT Facility Operation and Maintenance (301)
- IT Systems Development Services (302)
- IT Systems Analysis Services (306)
- Info. Systems Design & Integration (307)
- IT Backup and Security Services (310)

Minimum Qualification:

Education - Bachelor’s Degree
Industry Experience - 6-8 Years
Management Experience - Less than 1 year leading and directing the work of others
Additional Qualifications - Oracle, Unix, SQL, Javascript, Visual Basic, Apache/Tomcat

Job Functions:
Administers, maintains, develops and implements policies and procedures for ensuring the security and integrity of internal and client related databases. Implements data models and database designs, data access and table maintenance codes; resolves database performance issues, database capacity issues, replication, and other distributed data issues. Relies on extensive experience and judgment to plan and accomplish goals. Performs a variety of tasks.
Network Administrator

Job Description and relationship to FPDS Code(s):
- IT Facility Operation and Maintenance (301)
- IT Systems Development Services (302)
- IT Systems Analysis Services (306)
- IT Backup and Security Services (310)
- Other IT Services (399)

Minimum Qualification:

Education - Bachelor’s Degree
Industry Experience - 6-8 Years
Management Experience - Less than one year leading and directing the work of others.
Additional Qualifications - Microsoft Certified Systems Engineer, Pix Firewall Specialist, Certified Cisco Network Associate

Job Functions:
Installs, configures, and maintains the organization's network. Builds networks and maintains external and internal web presence, administers the networks. Tests and evaluates network systems to eliminate problems and makes improvements. Performs system backups on its internal and external web network servers. Designs and supports server system(s) and supporting software. Provides documentation and project tracking reports. Provides tactical and strategic input on overall network planning and for related projects. Troubleshoots network access problems and implements network security policies and procedures to protect against unauthorized access. Relies on extensive experience and judgment to plan and accomplish goals. Performs a variety of tasks.

Program Manager III

Job Description and relationship to FPDS Code(s):
- IT Facility Operation and Maintenance (301)
- IT Systems Development Services (302)
- IT Systems Analysis Services (306)
- Info. Systems Design & Integration (307)
- Programming Services (308)
- IT Backup and Security Services (310)
- IT Data Conversion Services (311)
- Other IT Services (399)

Minimum Qualification:

Education - Bachelor’s Degree
Industry Experience - 6-10 Years
Management Experience - Greater than one year leading and directing the work of project leaders
Additional Qualifications - Advanced Certified Coldfusion Developer, C++, Javascript, HTML

Job Functions:
Designs, plans, and coordinates work teams. Provides technical support to project team members. Handles complex application features and technical designs. Designs and implements the components required for complex application features. Demonstrates expertise in a variety of the field's concepts, practices, and procedures. May provide consultation on complex projects and is considered to be the top-level contributor/specialist. Relies on extensive experience and judgment to plan and accomplish goals.

Quality Assurance Analyst
Job Description and relationship to FPDS Code(s):
- IT Systems Development Services (302)
- IT Systems Analysis Services (306)

Minimum Qualification:

Education - Bachelor’s Degree
Industry Experience - 1-2 Years
Management Experience - Less than one year
Additional Qualifications - HTML, Javascript, Coldfusion

Job Functions:
Tests and evaluates services or performance. Analyzes discrepancies in services or performance and makes recommendations for improvements. Has knowledge of commonly used concepts, practices, and procedures within a particular field. Works under immediate supervision. Relies on instructions and pre-established guidelines to perform the functions of the job. Primary job functions do not typically require exercising independent judgment.

Senior Technology Analyst

Job Description and relationship to FPDS Code(s):
- IT Systems Analysis Services (306)
- IT Backup and Security Services (310)
- Other IT Services (399)

Minimum Qualification:

Education - Bachelor’s Degree
Industry Experience - 2-5 Years
Management Experience - Less than one year
Additional Qualifications - Microsoft Certified Systems Engineer

Designs, modifies, develops, writes, and implements database and business software applications. Supports and/or installs database and business software applications. Documents software applications. Gathers requirements from users and creates specifications and develops code. Administers systems applications and resolves application and hardware issues. Has knowledge of commonly used concepts, practices, and procedures within a particular field. Works under general supervision. Relies on limited experience and judgment to plan and accomplish goals.

Support Services Program Manager

Job Description and relationship to FPDS Code(s):
- IT Systems Analysis Services (306)
- Info. Systems Design & Integration (307)
- Programming Services (308)
- IT Backup and Security Services (310)
- Other IT Services (399)

Minimum Qualification:

Education - Bachelor’s Degree
Industry Experience - 4 Years
Management Experience - Greater than one year leading and directing the work of others
Additional Qualifications - None

Job Functions:
Manages a team of support personnel who troubleshoot IT issues. Implements policies and procedures regarding how problems are identified, received, documented, distributed, and corrected.
