General Services Administration IT-70 Schedule

Note 1: All references in the following document that refer to the education requirement of having a higher degree from an accredited program, college, or university shall be understood to mean that the institution/program providing the degree shall be accredited by an association recognized by the Council for Higher Education Accreditation (CHEA) and/or the U.S. Department of Education (USDE). The listing for these accrediting bodies can be found in the "Accredited Institutions of Postsecondary Education (AIPE)" which is updated every year. The AIPE is published annually by the American Council on Education (ACE). While not an accrediting body itself, the ACE compiles the listings for this directory from the national, regional, professional, and specialized accreditors that are recognized by the CHEA and/or the USDE. The CHEA is a nongovernmental, nonprofit, organization, and is the only organization authorized to evaluate and recognize accrediting bodies in the United States.
