USA commitment to promote small business participation procurement programs 20

INFORMATION FOR ORDERING ACTIVITIES APPLICABLE TO ALL SPECIAL ITEM NUMBERS

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Acquisition Service. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage! on-line shopping service (www.gsaadvantage.gov). The catalogs/pricelists, GSA Advantage! and the Federal Acquisition Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

1. GEOGRAPHIC SCOPE OF CONTRACT:

Domestic delivery is delivery within the 48 contiguous states, Alaska, Hawaii, Puerto Rico, Washington, DC, and U.S. Territories. Domestic delivery also includes a port or consolidation point, within the aforementioned areas, for orders received from overseas activities.

Overseas delivery is delivery to points outside of the 48 contiguous states, Washington, DC, Alaska, Hawaii, Puerto Rico, and U.S. Territories.

Offerors are requested to check one of the following boxes:

- The Geographic Scope of Contract will be domestic and overseas delivery.
- The Geographic Scope of Contract will be overseas delivery only.
- The Geographic Scope of Contract will be domestic delivery only.

2. CONTRACTOR'S ORDERING ADDRESS AND PAYMENT INFORMATION:

Systor Systems, Inc.
4010 Valley Blvd Ste 105
Walnut, CA 91789-0935

Contractor must accept the credit card for payments equal to or less than the micro-purchase for oral or written orders under this contract. The Contractor and the ordering agency may agree to use the credit card for dollar amounts over the micro-purchase threshold (See GSAR 552.232-79 Payment by Credit Card). In addition, bank account information for wire transfer payments will be shown on the invoice.

The following telephone number(s) can be used by ordering activities to obtain technical and/or ordering assistance:

T: 866-444-1876

F: 909-444-3341

3. LIABILITY FOR INJURY OR DAMAGE

The Contractor shall not be liable for any injury to ordering activity personnel or damage to ordering activity property arising from the use of equipment maintained by the Contractor, unless such injury or damage is due to the fault or negligence of the Contractor.

4. STATISTICAL DATA FOR GOVERNMENT ORDERING OFFICE COMPLETION OF STANDARD FORM 279:

Block 9: G. Order/Modification Under Federal Schedule

Block 16: Data Universal Numbering System (DUNS) Number: 062693754

- A. Small Disadvantaged Business
- B. Other Small Business
- C. Large Business
- G. Other Nonprofit Organization
- L. Foreign Contractor

Block 31: Woman-Owned Small Business - NO

Block 36: Contractor's Taxpayer Identification Number (TIN): 77-0449742

4a. CAGE Code: 1XF74

4b. Contractor has registered with the Central Contractor Registration Database.

5. FOB DESTINATION, Origin AK, PR, HI

6. DELIVERY SCHEDULE

a. TIME OF DELIVERY: The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:

SPECIAL ITEM NUMBER	DELIVERY TIME (Days ARO)
132-8	<u>7</u> Days
132-12	<u>7</u> Days

b. URGENT REQUIREMENTS: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

7. **DISCOUNTS:** Prices shown are NET Prices; Basic Discounts have been deducted.
- a. Prompt Payment: Net 30 Days from receipt of invoice or date of acceptance, whichever is later.
 - b. Quantity none
 - c. Dollar Volume none
 - d. Government Educational Institutions Same
 - e. Other none

8. **TRADE AGREEMENTS ACT OF 1979, as amended:**

All items are U.S. made end products, designated country end products, Caribbean Basin country end products, Canadian end products, or Mexican end products as defined in the Trade Agreements Act of 1979, as amended.

9. **STATEMENT CONCERNING AVAILABILITY OF EXPORT PACKING:**

10. **Small Requirements:** The minimum dollar value of orders to be issued is \$100.00.

11. **MAXIMUM ORDER (All dollar amounts are exclusive of any discount for prompt payment.)**

- a. The Maximum Order value for the following Special Item Numbers (SINs) is \$500,000:
 - Special Item Number 132-8 – Purchase of New Equipment
 - Special Item Number 132-12 – Maintenance of Equipment, Repair Services and/or Repair/Spare Parts

12. **ORDERING PROCEDURES FOR FEDERAL SUPPLY SCHEDULE CONTRACTS**

Ordering activities shall use the ordering procedures of Federal Acquisition Regulation (FAR) 8.405 when placing an order or establishing a BPA for supplies or services. These procedures apply to all schedules.

- a. FAR 8.405-1 Ordering procedures for supplies, and services not requiring a statement of work.
- b. FAR 8.405-2 Ordering procedures for services requiring a statement of work.

13. **FEDERAL INFORMATION TECHNOLOGY/TELECOMMUNICATION STANDARDS**

REQUIREMENTS: ordering activities acquiring products from this Schedule must comply with the provisions of the Federal Standards Program, as appropriate (reference: NIST Federal Standards Index). Inquiries to determine whether or not specific products listed herein comply with Federal Information Processing Standards (FIPS) or Federal Telecommunication Standards (FED-STDS), which are cited by ordering activities, shall be responded to promptly by the Contractor.

13.1 FEDERAL INFORMATION PROCESSING STANDARDS PUBLICATIONS (FIPS PUBS):

Information Technology products under this Schedule that do not conform to Federal Information Processing Standards (FIPS) should not be acquired unless a waiver has been granted in accordance with the applicable "FIPS Publication." Federal Information Processing Standards Publications (FIPS PUBS) are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Information concerning their availability and applicability should be obtained from the National Technical

Information Service (NTIS), 5285 Port Royal Road, Springfield, Virginia 22161. FIPS PUBS include voluntary standards when these are adopted for Federal use. Individual orders for FIPS PUBS should be referred to the NTIS Sales Office, and orders for subscription service should be referred to the NTIS Subscription Officer, both at the above address, or telephone number (703) 487-4650.

13.2 FEDERAL TELECOMMUNICATION STANDARDS (FED-STDS): Telecommunication products under this Schedule that do not conform to Federal Telecommunication Standards (FED-STDS) should not be acquired unless a waiver has been granted in accordance with the applicable "FED-STD." Federal Telecommunication Standards are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Ordering information and information concerning the availability of FED-STDS should be obtained from the GSA, Federal Acquisition Service, Specification Section, 470 East L'Enfant Plaza, Suite 8100, SW, Washington, DC 20407, telephone number (202)619-8925. Please include a self-addressed mailing label when requesting information by mail. Information concerning their applicability can be obtained by writing or calling the U.S. Department of Commerce, National Institute of Standards and Technology, Gaithersburg, MD 20899, telephone number (301)975-2833.

14. CONTRACTOR TASKS / SPECIAL REQUIREMENTS (C-FSS-370) (NOV 2003)

- (a) **Security Clearances:** The Contractor may be required to obtain/possess varying levels of security clearances in the performance of orders issued under this contract. All costs associated with obtaining/possessing such security clearances should be factored into the price offered under the Multiple Award Schedule.
- (b) **Travel:** The Contractor may be required to travel in performance of orders issued under this contract. Allowable travel and per diem charges are governed by Pub .L. 99-234 and FAR Part 31, and are reimbursable by the ordering agency or can be priced as a fixed price item on orders placed under the Multiple Award Schedule. Travel in performance of a task order will only be reimbursable to the extent authorized by the ordering agency. The Industrial Funding Fee does NOT apply to travel and per diem charges.
- (c) **Certifications, Licenses and Accreditations:** As a commercial practice, the Contractor may be required to obtain/possess any variety of certifications, licenses and accreditations for specific FSC/service code classifications offered. All costs associated with obtaining/ possessing such certifications, licenses and accreditations should be factored into the price offered under the Multiple Award Schedule program.
- (d) **Insurance:** As a commercial practice, the Contractor may be required to obtain/possess insurance coverage for specific FSC/service code classifications offered. All costs associated with obtaining/possessing such insurance should be factored into the price offered under the Multiple Award Schedule program.
- (e) **Personnel:** The Contractor may be required to provide key personnel, resumes or skill category descriptions in the performance of orders issued under this contract. Ordering activities may require agency approval of additions or replacements to key personnel.
- (f) **Organizational Conflicts of Interest:** Where there may be an organizational conflict of interest as determined by the ordering agency, the Contractor's participation in such order may be restricted in accordance with FAR Part 9.5.
- (g) **Documentation/Standards:** The Contractor may be requested to provide products or services in accordance with rules, regulations, OMB orders, standards and documentation as specified by the agency's order.
- (h) **Data/Deliverable Requirements:** Any required data/deliverables at the ordering level will be as specified or negotiated in the agency's order.

- (i) Government-Furnished Property: As specified by the agency's order, the Government may provide property, equipment, materials or resources as necessary.
- (j) Availability of Funds: Many Government agencies' operating funds are appropriated for a specific fiscal year. Funds may not be presently available for any orders placed under the contract or any option year. The Government's obligation on orders placed under this contract is contingent upon the availability of appropriated funds from which payment for ordering purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are available to the ordering Contracting Officer.
- (k) Overtime: For professional services, the labor rates in the Schedule should not vary by virtue of the Contractor having worked overtime. For services applicable to the Service Contract Act (as identified in the Schedule), the labor rates in the Schedule will vary as governed by labor laws (usually assessed a time and a half of the labor rate).

15. CONTRACT ADMINISTRATION FOR ORDERING ACTIVITIES: Any ordering activity, with respect to any one or more delivery orders placed by it under this contract, may exercise the same rights of termination as might the GSA Contracting Officer under provisions of FAR 52.212-4, paragraphs (l) Termination for the ordering activity's convenience, and (m) Termination for Cause (See 52.212-4)

16. GSA ADVANTAGE!

GSA Advantage! is an on-line, interactive electronic information and ordering system that provides on-line access to vendors' schedule prices with ordering information. GSA Advantage! will allow the user to perform various searches across all contracts including, but not limited to:

- (1) Manufacturer;
- (2) Manufacturer's Part Number; and
- (3) Product categories.

Agencies can browse GSA Advantage! by accessing the Internet World Wide Web utilizing a browser (ex.: NetScape). The Internet address is <http://www.gsaadvantage.gov>

17. PURCHASE OF OPEN MARKET ITEMS

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated as open market purchases. Ordering Activities procuring open market items must follow FAR 8.402(f).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, **only if-**

- (1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));
- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;
- (3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

18. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

- a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:
- (1) Time of delivery/installation quotations for individual orders;
 - (2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/ service/software package submitted in response to requirements which result in orders under this schedule contract.
 - (3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.
- b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.

19. OVERSEAS ACTIVITIES

The terms and conditions of this contract shall apply to all orders for installation, maintenance and repair of equipment in areas listed in the pricelist outside the 48 contiguous states and the District of Columbia, except as indicated below:

NOT OFFERED

Upon request of the Contractor, the ordering activity may provide the Contractor with logistics support, as available, in accordance with all applicable ordering activity regulations. Such ordering activity support will be provided on a reimbursable basis, and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

20. BLANKET PURCHASE AGREEMENTS (BPAs)

The use of BPAs under any schedule contract to fill repetitive needs for supplies or services is allowable. BPAs may be established with one or more schedule contractors. The number of BPAs to be established is within the discretion of the ordering activity establishing the BPA and should be based on a strategy that is expected to maximize the effectiveness of the BPA(s). Ordering activities shall follow FAR 8.405-3 when creating and implementing BPA(s).

21. CONTRACTOR TEAM ARRANGEMENTS

Contractors participating in contractor team arrangements must abide by all terms and conditions of their respective contracts. This includes compliance with Clauses 552.238-74, Industrial Funding Fee and Sales Reporting, i.e., each contractor (team member) must report sales and remit the IFF for all products and services provided under its individual contract.

22. INSTALLATION, DEINSTALLATION, REINSTALLATION

The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall received less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8 or 132-9.

23. SECTION 508 COMPLIANCE.

I certify that in accordance with 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d), FAR 39.2, and the Architectural and Transportation Barriers Compliance Board Electronic and Information Technology (EIT) Accessibility Standards (36 CFR 1194) General Services Administration (GSA), that all IT hardware/software/services are 508 compliant:

Yes X

No _____

The offeror is required to submit with its offer a designated area on its website that outlines the Voluntary Product Accessibility Template (VPAT) or equivalent qualification, which ultimately becomes the Government Product Accessibility Template (GPAT). Section 508 compliance information on the supplies and services in this contract are available at the following website address (URL): www.esystor.com

The EIT standard can be found at: www.Section508.gov/.

24. PRIME CONTRACTOR ORDERING FROM FEDERAL SUPPLY SCHEDULES.

Prime Contractors (on cost reimbursement contracts) placing orders under Federal Supply Schedules, on behalf of an ordering activity, shall follow the terms of the applicable schedule and authorization and include with each order –

- (a) A copy of the authorization from the ordering activity with whom the contractor has the prime contract (unless a copy was previously furnished to the Federal Supply Schedule contractor); and
- (b) The following statement:

This order is placed under written authorization from _____ dated _____. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule contract, the latter will govern.

25. INSURANCE—WORK ON A GOVERNMENT INSTALLATION (JAN 1997)(FAR 52.228-5)

(a) The Contractor shall, at its own expense, provide and maintain during the entire performance of this contract, at least the kinds and minimum amounts of insurance required in the Schedule or elsewhere in the contract.

(b) Before commencing work under this contract, the Contractor shall notify the Contracting Officer in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective—

- (1) For such period as the laws of the State in which this contract is to be performed prescribe; or
- (2) Until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer, whichever period is longer.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in subcontracts under this contract that require work on a Government installation and shall require subcontractors to provide and maintain the insurance required in the Schedule or elsewhere in the contract. The Contractor shall maintain a copy of all subcontractors' proofs of required insurance, and shall make copies available to the Contracting Officer upon request.

26. SOFTWARE INTEROPERABILITY.

Offerors are encouraged to identify within their software items any component interfaces that support open standard interoperability. An item's interface may be identified as interoperable on the basis of participation in a Government agency-sponsored program or in an independent organization program. Interfaces may be identified by reference to an interface registered in the component registry located at <http://www.core.gov>.

27. ADVANCE PAYMENTS

A payment under this contract to provide a service or deliver an article for the United States Government may not be more than the value of the service already provided or the article already delivered. Advance or pre-payment is not authorized or allowed under this contract. (31 U.S.C. 3324)

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF
GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY
NEW EQUIPMENT(SPECIAL ITEM NUMBER 132-8)**

1. MATERIAL AND WORKMANSHIP

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

3. TRANSPORTATION OF EQUIPMENT

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

4. INSTALLATION AND TECHNICAL SERVICES

a. **INSTALLATION.** When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

Self Installation

b. **INSTALLATION, DEINSTALLATION, REINSTALLATION.** The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall received less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8 or SIN 132-9.

c. **OPERATING AND MAINTENANCE MANUALS.** The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with the equipment being purchased.

5. INSPECTION/ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

6. WARRANTY

a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.

Warranty, Return, and Restocking Policy

Returns

- No returns will be accepted without an RMA number. Any merchandise returned without an RMA number will be refused and sent back to the customer at customer's own expense. An RMA number is valid 14 days from issued date and 100% complete with ALL original box (es) and packaging materials, have original UPC codes on the manufacturer's box(es), manuals, blank warranty cards and other accessories and documentation provided by the manufacturer.
- All returns for refunds/exchanges must be made within 14 business days from the invoice date.
- DEFECTIVE returns can be returned directly to Systor Systems, Inc. within 14 business days from the invoice date, at Systor Systems, Inc.'s discretion for: credit, replacement, exchange or repair. All NON-DEFECTIVE returns are subject to a 30% Penalty. Any returns (Defective, Non-defective returns) not returned in "like new condition" including missing the original box, packaging material, contents accessories or manuals are subject to a 30% restocking fee. After 14 business days, all manufacturers' warranties apply.
- All sales are final for CD, DVD Blank Media.
- The Customer pays shipping for all returns to Systor Systems, Inc. Systor Systems, Inc. recommends you fully insure your return shipment in case it is lost or damaged and you use a carrier that can provide you with proof of delivery for your protection since Systor Systems, Inc. will not be responsible for any damages to the returning shipments.
- If merchandise arrives damaged, it is best to REFUSE it back to the carrier attempting delivery. If you accept the package, make sure it is noted on the carrier's delivery record in order for Systor Systems, Inc. to file a claim. Save the merchandise AND the original box and packing it arrived in, notify Systor Systems, Inc. immediately to arrange for a carrier inspection. If you do not notify Systor Systems, Inc. of all damaged goods within the first 3 days of arrival, our normal return policy will override any claim of damage, and will fall under all current manufacturer restrictions.
- Expected turn-around-time for all exchanges is 30 days. Although Systor Systems, Inc. will strive to process claims within 4-5 business days, shortage of inventory, overload or other special circumstances might delay the process.
- For replacements, Systor Systems, Inc. ships back to the Customer via Fedex Ground in the continental US. In non-continental US, customer pays for shipping both ways.
- All claims for shortage, manufacturer's defects, or shipment error must be made within the first 3 days of arrival.
- RMA number must be visible on all return shipments or may be refused and returned back to you. A copy of the invoice must be included in returning package.

- Shipping charges are non-refundable.
- For credits or refunds on returns, the latest prices less shipping/handling charges will apply. For "Free Shipping (Insured)" Items that are shipped via Fedex Ground, a 5% of the total amount will apply for shipping charge.
- Physical damage will void all warranty.
- Under no condition will Systor Systems, Inc. cross-ship any item.
- Systor Systems, Inc. reserves the right to swap with the equivalent product for all replacements and exchanges in the event Systor Systems, Inc. is in unable situation to supply with the same products.
- All Warranty and Return matters should be sent to:

Systor Systems, Inc.
 Attn: RMA Department
 4010 Valley Blvd. #105
 Walnut CA 90640

Warranty

- Systor Systems, Inc.'s products are warranted against defects in packaging, material and workmanship for 360 days from the original purchase.
- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.
- d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows:

7. PURCHASE PRICE FOR ORDERED EQUIPMENT

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

8. RESPONSIBILITIES OF THE CONTRACTOR

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS

PREAMBLE

Systors Systems, Inc. provides commercial products and services to ordering activities. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in ordering activity contracts. To accelerate potential opportunities please contact

Young C. Yeun, Owner, ycy@systorsystems.com, P:909-444-2590, F: 909-444-3341

BEST VALUE
BLANKET PURCHASE AGREEMENT
FEDERAL SUPPLY SCHEDULE

(Insert Customer Name)

In the spirit of the Federal Acquisition Streamlining Act (ordering activity) and (Contractor) enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the ordering activity that works better and costs less.

**(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT**

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (ordering activity):

(1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
_____	_____
_____	_____
_____	_____

(2) Delivery:

DESTINATION	DELIVERY SCHEDULES / DATES
_____	_____
_____	_____
_____	_____

(3) The ordering activity estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4) This BPA does not obligate any funds.

(5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
_____	_____
_____	_____
_____	_____

(7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

(8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

- (a) Name of Contractor;
- (b) Contract Number;
- (c) BPA Number;

- (d) Model Number or National Stock Number (NSN);
- (e) Purchase Order Number;
- (f) Date of Purchase;
- (g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and
- (h) Date of Shipment.

(9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.

(10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence.

**BASIC GUIDELINES FOR USING
“CONTRACTOR TEAM ARRANGEMENTS”**

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a ordering activity requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions of the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors. Customers should refer to FAR 9.6 for specific details on Team Arrangements. Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customer's needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer's requirement.
- Customers make a best value selection.

SIN	Part No.	Product Title	Product Description	GSA Price
132-8	SYSMD01	Systor 1 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 153.00
132-8	SYSMD03	Systor 3 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 225.00
132-8	SYSMD05	Systor 5 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 289.00
132-8	SYSMD07	Systor 7 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 374.00
132-8	SYSMD09	Systor 9 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 459.00
132-8	SYSMD11	Systor 11 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 570.00
132-8	SYSMD15	Systor 15 Burner M-Disc DVD Duplicator	A groundbreaking optical disc technology that will last for more than a thousand years, M-DISC duplicators and media provide an innovative way to write data once and read forever. Unlike ordinary discs that use organic dyes to keep data, M-DISC utilizes stable and heat-resistant chemical materials where information cannot be overwritten, erased, or corrupted by natural deterioration. Regular CD and DVD lasers cannot successfully etch information to the patented inorganic and synthetic materials used with M-DISC.	\$ 1,194.00
132-8	SYS01DU	Systor 1 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. The CD DVD duplicator insures a fast, cost effective solution for duplication runs whether burning be performed at home, office, or studio. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 149.00

132-8	SYS02D	Systor 2 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. The CD DVD duplicator insures a fast, cost effective solution for duplication runs whether burning be performed at home, office, or studio. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 196.00
132-8	SYS03D	Systor 3 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. The CD DVD duplicator insures a fast, cost effective solution for duplication runs whether burning be performed at home, office, or studio. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 221.00
132-8	SYS04D	Systor 4 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. The CD DVD duplicator insures a fast, cost effective solution for duplication runs whether burning be performed at home, office, or studio. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 264.00
132-8	SYS05D	Systor 5 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. The CD DVD duplicator insures a fast, cost effective solution for duplication runs whether burning be performed at home, office, or studio. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 281.00
132-8	SYS06D	Systor 6 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. The CD DVD duplicator insures a fast, cost effective solution for duplication runs whether burning be performed at home, office, or studio. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 327.00
132-8	SYS07D	Systor 7 Burner DVD CD Duplicator	This professional CD DVD duplicator offers optical disc burning technology suitable for anyone involved in disc duplication. The user-friendly LCD interface provides a simple one-step copy function that burns your CD and DVD blank discs at an optimal speed every burn cycle. Burning speeds are adjustable and other standard menu features are available for advanced users. A computer is not required at all for this standalone duplication system. All inside this copy tower itself, different CD and DVD formats are automatically detected to allow stable and secure buffer under run protected burning without the added trouble or stress from a computer to handle such functions. Benefit from high volume disc output, reliable performance, and an affordable price.	\$ 1,169.00

132-8	SYS02BD	Systor 1-2 BD Blu-Ray Disc Duplicator	This Blu-Ray duplicator comes with a built-in 500GB HDD & USB Connection. It offers high speed blu-ray burners with a high-definition optical disc burning quality suitable for anyone involved in disc duplication. The user-friendly LCD provides a simple interface with a 128MB buffer that burns Blu-Ray, M-Disc DVD, and CD blank discs at an optimal speed. Inside the copy tower itself, different Blu-Ray, BD-XL, M-Disc, DVD, and CD formats are automatically detected to allow stable and secure buffer under run protected burning. This machine supports a BD-XL and M-Disc technology. BD-XL is a multi-layer recordable disc that can hold a capacity of up to 128GB. The M-Disc Support is a technology that etches your data to an M-Disc Media that can record your data for over a 1000+ years. The professional quality and performance of this duplication equipment ensures a fast, reliable solution for duplication runs whether burning be performed at home, office, or studio.	\$ 557.00
132-8	SYS03BD	Systor 1-3 BD Blu-Ray Disc Duplicator	This Blu-Ray duplicator comes with a built-in 500GB HDD & USB Connection. It offers high speed blu-ray burners with a high-definition optical disc burning quality suitable for anyone involved in disc duplication. The user-friendly LCD provides a simple interface with a 128MB buffer that burns Blu-Ray, M-Disc DVD, and CD blank discs at an optimal speed. Inside the copy tower itself, different Blu-Ray, BD-XL, M-Disc, DVD, and CD formats are automatically detected to allow stable and secure buffer under run protected burning. This machine supports a BD-XL and M-Disc technology. BD-XL is a multi-layer recordable disc that can hold a capacity of up to 128GB. The M-Disc Support is a technology that etches your data to an M-Disc Media that can record your data for over a 1000+ years. The professional quality and performance of this duplication equipment ensures a fast, reliable solution for duplication runs whether burning be performed at home, office, or studio.	\$ 757.00
132-8	SYS04BD	Systor 1-4 BD Blu-Ray Disc Duplicator	This Blu-Ray duplicator comes with a built-in 500GB HDD & USB Connection. It offers high speed blu-ray burners with a high-definition optical disc burning quality suitable for anyone involved in disc duplication. The user-friendly LCD provides a simple interface with a 128MB buffer that burns Blu-Ray, M-Disc DVD, and CD blank discs at an optimal speed. Inside the copy tower itself, different Blu-Ray, BD-XL, M-Disc, DVD, and CD formats are automatically detected to allow stable and secure buffer under run protected burning. It offers high speed blu-ray burners with a high-definition optical disc burning quality suitable for anyone involved in disc duplication. The user-friendly LCD provides a simple interface with a 128MB buffer that burns Blu-Ray, M-Disc DVD, and CD blank discs at an optimal speed. Inside the copy tower itself, different Blu-Ray, BD-XL, M-Disc, DVD, and CD formats are automatically detected to allow stable and secure buffer under run protected burning. This machine supports a BD-XL and M-Disc technology. BD-XL is a multi-layer recordable disc that can hold a capacity of up to 128GB. The M-Disc Support is a technology that etches your data to an M-Disc Media that can record your data for over a 1000+ years. The professional quality and performance of this duplication equipment ensures a fast, reliable solution for duplication runs whether burning be performed at home, office, or studio.	\$ 2,104.00
132-8	SYSMD11BD	Systor 1-11 M-DISC BD Blu-ray Duplicator	This Blu-Ray duplicator comes with a built-in 500GB HDD, USB Connection and a free 10 pack of M-Disc. 132-8	SYS20DCD	Systor 1-20 Daisy Chain DVD Duplicator	This Daisy Chain DVD CD Duplicator comes with a built-in 500GB HDD. It is created for professional users that need to duplicate large amounts of discs in a short period of time. They are practically a link of DVD copiers that are controlled from only one controller. A CD DVD chain duplicator ensures the same best quality in data burning for all the discs you duplicate at once, using large amounts of buffers to avoid losing data. It's fast, safe, and is an enormous throughput machine. The Daisy Chain works by linking together multiple towers using a special serial cable and the entire string of duplicators are operated by a single master tower. The master disc data is transmitted to each tower simultaneously so that they can all duplicate the same material in unison. The Daisy Chain is a feature that can be turned on or off allowing the system to be controlled by the master tower or work as an individual standalone unit.	\$ 1,607.00

The copy includes partition and boot sector information for a perfect clone. This HDD/SSD copier is also DoD compliant when it comes to sanitizing/erasing data in the hard drive. This erase feature has been added to ensure that there are no traces of content left behind for the consumer's security and peace of mind.	\$ 1,930.00
132-8	SYS409HDD	Systor 1:9 HDD/SSD Flatbed Duplicator	This Hard Disk Drive/Solid State Drive Flatbed Duplicator allows duplication of 3.5" and 2.5" hard drives. With copy speeds of up to 150mb/s, it is a completely standalone unit that can clone a hard drive to multiple hard disks in a single touch of a button. It copies the data sector by sector from the source drive to the target drives simultaneously, regardless of brand, operating system or format of the drives. The copy includes partition and boot sector information for a perfect clone. This HDD/SSD copier is also DoD compliant when it comes to sanitizing/erasing data in the hard drive. This erase feature has been added to ensure that there are no traces of content left behind for the consumer's security and peace of mind.	\$ 3,060.00

132-8	SYS11HDD	Systor 1:11 HDD/SSD Flatbed Duplicator	This Hard Disk Drive/Solid State Drive Flatbed Duplicator allows duplication of 3.5" and 2.5" hard drives. With copy speeds of up to 150mb/s, it is a completely standalone unit that can clone a hard drive to multiple hard disks in a single touch of a button. It copies the data sector by sector from the source drive to the target drives simultaneously, regardless of brand, operating system or format of the drives. The copy includes partition and boot sector information for a perfect clone. This HDD/SSD copier is also DoD compliant when it comes to sanitizing/erasing data in the hard drive. This erase feature has been added to ensure that there are no traces of content left behind for the consumer's security and peace of mind.	\$ 3,256.00
132-8	SYS15HDD-SATA1	Systor 1:15 HDD/SSD Flatbed Duplicator	This Hard Disk Drive/Solid State Drive Flatbed Duplicator allows duplication of 3.5" and 2.5" hard drives. With copy speeds of up to 150mb/s, it is a completely standalone unit that can clone a hard drive to multiple hard disks in a single touch of a button. It copies the data sector by sector from the source drive to the target drives simultaneously, regardless of brand, operating system or format of the drives. The copy includes partition and boot sector information for a perfect clone. This HDD/SSD copier is also DoD compliant when it comes to sanitizing/erasing data in the hard drive. This erase feature has been added to ensure that there are no traces of content left behind for the consumer's security and peace of mind.	\$ 5,576.00
132-8	SYS15HDD-SATA2	Systor 1:15 HDD/SSD Flatbed Duplicator	This Hard Disk Drive/Solid State Drive Flatbed Duplicator allows duplication of 3.5" and 2.5" hard drives. With copy speeds of up to 300mb/s, it is a completely standalone unit that can clone a hard drive to multiple hard disks in a single touch of a button. It copies the data sector by sector from the source drive to the target drives simultaneously, regardless of brand, operating system or format of the drives. The copy includes partition and boot sector information for a perfect clone. This HDD/SSD copier is also DoD compliant when it comes to sanitizing/erasing data in the hard drive. This erase feature has been added to ensure that there are no traces of content left behind for the consumer's security and peace of mind.	\$ 7,196.00
132-8	SYS19-SSD-SATA1	Systor 1:19 SSD Flatbed Duplicator	This Solid State Drive Flatbed Duplicator allows duplication of 2.5" hard drives.
