Boerne, TX 78006

15. Warranty provision: See price list pages

16. Export packing charges: N/A.

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level): None

18. Terms and conditions of leasing:

LEASE TYPES

The Government will consider proposals for the following lease types:

- a. Lease to Ownership,
- b. Lease with Option to Own, and
- c. Step Lease.

Orders for leased products must specify the leasing type.

OPTION 1:

1. STATEMENT

a. It is understood by all parties to this contract that orders issued under this SIN shall constitute a lease arrangement. Unless the Ordering Office intends to obligate other than annual appropriations to fund the lease, the base period of the lease is from the date of the product acceptance through September 30 of the fiscal year in which the order is placed.

b. Agencies are advised to follow the guidance provided in Federal Acquisition Regulation (FAR) Subpart 7. 4 Product Lease or Purchase and OMB Circular A-11. Agencies are responsible for the obligation of funding consistent with all applicable legal principles when entering into any lease arrangement.

2. FUNDING AND PERIODS OF LEASING ARRANGEMENTS

a. Annual Funding. When annually appropriated funds are cited on an order for leasing, the following applies:

(1) The base period of an order for any lease executed by the Government shall be for the duration of the fiscal year. All Government renewal options under the lease shall be specified in the delivery order. All orders for leasing shall remain in effect through September 30 of the fiscal year or the planned expiration date of the lease, whichever is earlier, unless the Government exercises its rights hereunder to acquire title to the product prior to the planned expiration date or unless the Government exercise its right to terminate under FAR 52. 212-4. Orders under the lease shall not be deemed to obligate succeeding fiscal year's funds or to otherwise commit the Government to a renewal.

(2) All orders for leasing shall automatically terminate on September 30, unless the Ordering Office notifies the Contractor in writing thirty (30) calendar days prior to the expiration of such orders of the Government's intent to renew. Such notice to renew shall not bind the Government. The Government has the option to renew each year at the original rate in effect at the time the order is placed. This rate applies for the duration of the order. If the Government exercises its option to renew, the renewal order, shall be issued within 15 days after funds become available for obligation by the ordering office, or as specified in the initial order. No termination fees shall apply if the Government does not exercise an option.

b. Crossing Fiscal Years Within Contract Period. Where an Ordering Office has specific authority to cross fiscal years with annual appropriations, the Ordering Office may place an order

under this option to lease product for a period up to the expiration of its period of appropriation availability, or twelve months, whichever occurs later, notwithstanding the intervening fiscal years.

3. DISCONTINUANCE AND TERMINATION

Notwithstanding any other provision relating to this SIN, the Ordering Office may terminate products leased under this agreement, at any time during a fiscal year in accordance with the termination provisions contained in FAR 52. 212-4. (l) Termination for the Government's convenience, or (m) Termination for cause. Additionally, no termination for cost or fees shall be charged for non-renewal of an option.

OPTION 2

To the extent an Offeror wishes to propose alternative lease terms and conditions that provide for lower discounts/prices based on the ordering office's stated intent to fulfill the projected term of a lease including option years, while at the same time including separate charges for early end of the lease, the following terms apply. These terms address the timing and extent of the Government's financial obligation including any potential charges for early end of the lease.

1. LEASING PRICE LIST NOTICE:

Contractors must include the following notice in their contract price list for SIN 132-3:

"The ordering office is responsible for the obligation of funds consistent with applicable law. Agencies are advised to review the lease terms and conditions contained in this price list prior to ordering and obligating funding for a lease. "

2. STATEMENT OF GOVERNMENT INTENT:

(a) The Government and the Contractor understand that a delivery order issued pursuant to this SIN is a lease arrangement and contemplates the use of the product for the term of the lease specified in such delivery order (the "Lease Term"). In that regard, the Ordering Agency, as lessee, understands that the lease provisions contained herein and the rate established for the delivery order are premised on the Ordering Agency's intent to fulfill that agreement, including acquiring products for the period of time specified in the order. Each lease hereunder shall be initiated by a delivery order which shall, either through a statement of work or other attachment, specify the product being leased, and the required terms of the transaction.

(b) Each ordering office placing a delivery order under the terms of this option intends to exercise each renewal option and to extend the lease until completion of the Lease Term so long as the need of the ordering office for the product or functionally similar product continues to exist and funds are appropriated. Contractor may request information from the ordering office concerning the essential use of the products.

3. LEASE TERM:

(a) The date on which the ordering office accepts the products is the Commencement Date of the lease. For acceptance to occur, the products must operate in accordance with the product's published specifications and statement of work. Acceptance shall be in accordance with the terms of the contract or as otherwise negotiated by the ordering office and the Contractor.

(b) Any lease is executed by the Ordering Office on the basis that the known requirement for such product exceeds the initial base period of the delivery order, which is typically 12 months, or for the remainder of the fiscal year. Pursuant to FAR 32. 703-3(b), delivery orders with options to renew that are funded by annual (fiscal year) appropriations may provide for initial base periods and option periods that cross fiscal years as long as the initial base period or each option period does not exceed a 12 month period. Defense agencies must also consider DOD FAR supplement (DFAR) 232. 703-3(b) in determining whether to use cross fiscal year funding. This cross fiscal year authority does not apply to multi-year leases.

(c) The total Lease Term will be specified in each delivery order, including any relevant renewal options of the Government. All delivery orders, whether for the initial base period or renewal period, shall remain in effect through September 30 of the fiscal year (unless extended by statute), through any earlier expiration date specified in the delivery order, or until the Government exercises its rights hereunder to acquire title to the product prior to such expiration date. The ordering office, at its discretion, may exercise each option to extend the term of the lease through the lease term. Renewal delivery orders shall not be issued for less than all of the product and/or software set forth in the original delivery order. Delivery orders under this SIN shall not be deemed to obligate succeeding fiscal year funds. The ordering office shall provide the Contractor with written notice of exercise of each renewal option as soon as practicable. Notice requirements may be negotiated on an order-by-order basis.

(d) Where an ordering office's specific appropriation or procurement authority provides for contracting beyond the fiscal year period, the ordering office may place a delivery order for a period up to the expiration of the Lease Term, or to the expiration of the period of availability of the multi-year appropriation, or whatever is appropriate under the applicable circumstance.

4. LEASE TERMINATION:

(a) The Ordering Agency must elect the Lease Term of the relevant delivery order. The Contractor (and assignee, if any) will rely on the Government's representation of its intent to fulfill the full Lease Term to determine the monthly lease payments calculated herein.

(i) The Government may terminate or not renew leases under this option at no cost, pursuant to a Termination for Non-Appropriation as defined herein (see paragraph (c) below). In any other event, the ordering office's contracting officer may either terminate the relevant delivery order for cause or Termination for Convenience in accordance with FAR 52. 212-4 paragraphs (l) and (m).

(ii) The Termination for Convenience at the end of a fiscal year allows for separate charges for the early end of the lease (see paragraph (d) below). In the event of termination for the convenience of the Government, the Government may be liable only up to the amount beyond the order's Termination Ceiling. Any termination charges calculated under the Termination for Convenience clause must be determined or identified in the delivery order or in the lease agreement.

(b) Termination for Convenience of the Government: Leases entered into under this option may not be terminated except by the ordering office's contracting office responsible for the delivery order in accordance with FAR 52. 212-4, Contract Terms and Conditions-Commercial Items, paragraph (l), *Termination for Convenience of the Government*. The costs charged to the Government as the result of any Termination for Convenience of the Government must be reasonable and may not exceed the sum of the fiscal year's payment obligations less payments made to date of termination plus the Termination Ceiling

(c) Termination for Non-Appropriation: The ordering office reasonably believes that the bona fide need will exist for the entire Lease Term and corresponding funds in an amount sufficient to make all payment for the lease Term will be available to the ordering office. Therefore, it is unlikely that leases entered into under this option will terminate prior to the full Lease Term. Nevertheless, the ordering office's contracting officer may terminate or not renew leases at the end of any initial base period or option period under this paragraph if (a) it no longer has a bona fide need for the product or functionally similar product; or (b) there is a continuing need, but adequate funds have not been made available to the ordering office in an amount sufficient to continue to make the lease payments. If this occurs, the Government will promptly notify the Contractor, and the product lease will be terminated at the end of the last fiscal year for which funds were appropriated. Substantiation to support a termination for non-appropriation shall be provided to the Contractor upon request.

(d) Termination Charges: At the initiation of the lease, termination ceilings will be established for each year of the lease term. The termination ceiling is a limit on the amount that a Contractor may be paid by the Government on the Termination for Convenience of a lease. No claim will be accepted for future costs: supplies, maintenance, usage charges or interest expense beyond the date of termination. In accordance with the bona fide needs rule, all termination charges must reasonably represent the value the Government received for the work performed based upon the shorter lease term. No Termination for Convenience costs will be associated with the expiration of the lease term.

(e) At the order level, the ordering office may, consistent with legal principles, negotiate lower monthly payments or rates based upon appropriate changes to the termination conditions in this section.

**LEASE PROVISIONS COMMON TO
ALL TYPES OF LEASE AGREEMENTS**

**** The following terms and conditions are applicable to any lease awarded under this contract regardless of type or option. ****

1. ORDERING PROCEDURES:

(a) When an Ordering Office expresses an interest in leasing a product(s), the Ordering Office will provide the following information to the prospective Contractor:

- (i) Which product(s) is (are) required.
- (ii) The required delivery date.
- (iii) The proposed lease plan and term of the lease.
- (iv) Where the product will be located.
- (v) Description of the intended use of the product.
- (vi) Source and type of appropriations to be used.

(b) The Contractor will respond with:

- (i) Whether the Contractor can provide the required product.
- (ii) The estimated residual value of the product (Lease with Option to Own and Step Lease only).
- (iii) The monthly payment based on the rate.
- (iv) The estimated cost, if any, of applicable State or local taxes. State and local personal property taxes are to be estimated as separate line items in accordance with FAR 52. 229-1, which may be identified and added to the monthly lease payment.
- (v) A confirmation of the availability of the product on the required delivery date.
- (vi) Extent of warranty coverage, if any, of the leased products.
- (vii) The length of time the quote is valid.

(c) The Ordering Office may issue a delivery order to the Contractor based on the information set forth in the Contractor's quote. In the event that the Ordering Office does not issued a delivery order within the validity period stated in the Contractor's quote letter, the quote shall expire.

2. ASSIGNMENT OF CLAIMS:

GSAR 552. 232-23, Assignment of Claims, is incorporated herein by reference as part of these lease provisions. The Ordering Office's contracting officer will acknowledge the assignment of claim for a lease in accordance with FAR 32. 804-5. The extent of the assignee's protection is in accordance with FAR 32. 804. Any setoff provision must be in accordance with FAR 32. 803.

3. PEACEFUL POSSESSION AND UNRESTRICTED USE:

In recognition of the types of products available for lease and the potential adverse impact to the Government's mission, the Government's quiet and peaceful possession and unrestricted use of the product shall not be disturbed in the event the product is sold by the Contractor, or in the event of bankruptcy of the Contractor, corporate dissolution of the Contractor, or other event.

The product shall remain in the possession of the Government until the expiration of the lease. Any assignment, sale, bankruptcy, or other transfer of the leased product by the Contractor will not relieve the Contractor of its obligations to the Government, and will not change the Government's duties or increase the burdens or risks imposed on the Government.

4. COMMENCEMENT OF LEASE:

The date on which the Ordering Office accepts the products is the Commencement Date of the lease. Acceptance is as defined elsewhere in the contract, or as further specified in the order.

5. INSTALLATION AND MAINTENANCE:

a. Installation and Maintenance, when applicable, normally are not included in the charge for leasing. The Contractor may require the Government to obtain installation and maintenance services from a qualified source. The Government may obtain installation and/or maintenance on the open market, from the Contractor's schedule contract, or from other sources. The Government may also perform installation and/or maintenance in house, if qualified resources exist. In any event, it is the responsibility of the Government to ensure that maintenance is in effect for the Lease term for all products leased.

b. When installation and/or maintenance are ordered under this schedule to be performed by the Contractor, the payments, terms and conditions as stated in this contract apply. The rates and terms and conditions in effect at the time the order is issued shall apply during any subsequent renewal period of the lease. The maintenance rates and terms and conditions may be added to the lease payments with mutual agreement of the parties.

6. MONTHLY PAYMENTS:

a. Prior to the placement of an order under this Special Item Number, the Ordering Office and the Contractor must agree on a "base value" for the products to be leased. For Lease to Ownership (Capital Lease) the base value will be the contract purchase price (less any discounts). For Lease with Option to Own (Operating Lease), the base value will be the contract purchase price (less any discounts), less a mutually agreed upon residual value (pre-stated purchase option price at the conclusion of the lease) for the products. The residual value will be used in the calculation of the original lease payment, lease extension payments, and the purchase option price.

b. To determine the initial lease term payment, the Contractor agrees to apply the negotiated lease factor to the agreed upon base value:_____

For Example: Lease factor one (1) percent over the rate for the three year (or other term) Treasury Bill (T-bill) at the most current U. S. Treasury auction.

The lease payment may be calculated by using a programmed business calculator or by using "rate" functions provided in commercial computer spreadsheets (e. g. , Lotus 1-2-3, Excel).

c. For any lease extension, the extension lease payment will be based on the original residual value, in lieu of the purchase price. The Ordering Office and the Contractor shall agree on a new residual value based on the estimated fair market price at the end of the extension. The formula to determine the lease payment will be that in 6. b. above.

d. The purchase option price will be the fair market value of the product or payment will be based upon the unamortized principle, as shown on the payment schedule as of the last payment prior to date of transfer of ownership, whichever is less.

NOTE: At the order level, ordering office may elect to obtain a lower rate for the lease by setting the purchase option price as either, the fair market value of the product or unamortized principle. The methodology for determining lump sum payments may be identified in the pricelist.

e. The point in time when monthly rates are established is subject to negotiation and evaluation at the order level.

In the event the Government desires, at any time, to acquire title to product leased hereunder, the Government may make a one-time lump sum payment.

7. LEASE END/DISCONTINUANCE OPTIONS:

a. Upon the expiration of the Lease Term, Termination for Convenience, or Termination for Non Appropriation, the Government will return the Product to the Contractor unless the Government by 30 days written notice elects either:

- (i) to purchase the product for the residual value of the product, or
- (ii) to extend the term of the Lease, as mutually agreed. To compute the lease payment, the residual value from the preceding lease shall be the initial value of the leased product. A new residual value shall be negotiated for the extended lease and new lease payments shall be computed.

b. Relocation - The Government may relocate products to another location within the Government with prior written notice. No other transfer, including sublease, is permitted. Government shall not assign, transfer or otherwise dispose of any products, or any interest therein, or create or suffer any levy, lien or encumbrance then except those created for the benefit of Contractor or its assigns.

c. Returns:

- (i) Within fourteen (14) days after the date of expiration, non-renewal or termination of a lease, the Government shall, at its own risk and expense, have the products packed for shipment in accordance with manufacturer's specifications and return the products to Contractor at the location specified by Contractor in the continental US, in the same condition as when delivered, ordinary wear and tear excepted. Any expenses necessary to return the products to good working order shall be at Government's expense.
- (ii) The Contractor shall conduct a timely inspection of the returned products and within 45 days of the return, assert a claim if the condition of the product exceeds normal wear and tear.
- (iii) Product will be returned in accordance with the terms of the contract and in accordance with Contractor instruction.
- (iv) With respect to software, the Government shall state in writing to the Contractor that it has:

- (1) deleted or disabled all files and copies of the software from the equipment on which it was installed;
- (2) returned all software documentation, training manuals, and physical media on which the software was delivered; and
- (3) has no ability to use the returned software.

8. UPGRADES AND ADDITIONS:

a. The Government may affix or install any accessory, addition, upgrade, product or device on the product ("additions") provided that such additions:

- (1) can be removed without causing material damage to the product;
- (2) do not reduce the value of the product; and
- (3) are obtained from or approved by the Contractor, and are not subject to the interest of any third party other than the Contractor.

b. Any other additions may not be installed without the Contractor's prior written consent. At the end of the lease term, the Government shall remove any additions which:

- (1) were not leased from the Contractor, and
- (2) are readily removable without causing material damage or impairment of the intended function, use, or value of the product, and restore the product to its original configuration.

c. Any additions that are not so removable will become the Contractor's property (lien free).

d. Leases of additions and upgrades must be co-terminus with that of the product.

9. RISK OF LOSS OR DAMAGE:

The Government is relieved from all risk of loss or damage to the product during periods of transportation, installation, and during the entire time the product is in possession of the Government, except when loss or damage is due to the fault or negligence of the Government. The Government shall assume risk of loss or damage to the product during relocation, (i. e. , moving the product from one Government location to another Government location), unless the Contractor shall undertake such relocation.

10. TITLE:

During the lease term, product shall always remain the property of the Contractor. The Government shall have no property right or interest in the product except as provided in this leasing agreement and shall hold the product subject and subordinate to the rights of the Contractor. Software and software licenses shall be deemed personal property. The Government shall have no right or interest in the software and related documentation except as provided in the license and the lease. Upon the Commencement Date of the Lease Term, the Government shall have an encumbered license to use the software for the Lease Term. The Government's encumbered license rights in the software will be subject to the same rights as provided to a purchaser of a license under the terms of this contract except that the Government will not have an unencumbered, paid-up license until it has made all lease payments for the full Lease Term in the case of an Lease To Ownership or has otherwise paid the applicable purchase option price.

11. TAXES:

The lease payments, purchase option prices, and interest rates identified herein exclude all state and local taxes levied on or measured by the contract or sales price of the product furnished hereunder. The ordering activity will be invoiced for any such taxes as Contractor receives such tax notices or assessments from the applicable local taxing authority. Pursuant to the provisions of FAR 52.229-1 (Deviation – May 2003), State and Local Taxes, the ordering activity agrees to pay tax or provide evidence necessary to support an exemption from the tax.

12. OPTION TO PURCHASE EQUIPMENT(FEB 1995)(FAR 52. 207-5)

- (a) The Government may purchase the equipment provided on a lease or rental basis under this contract. The Contracting Officer may exercise this option only by providing a unilateral modification to the Contractor. The effective date of the purchase will be specified in the unilateral modification and may be any time during the period of the contract, including any extensions thereto.
- (b) Except for final payment and transfer of title to the Government, the lease or rental portion of the contract becomes complete and lease or rental charges shall be discontinued on the day immediately preceding the effective date of purchase specified in the unilateral modification required in paragraph (a) of this clause.
- (c) The purchase conversion cost of the equipment shall be computed as of the effective date specified in the unilateral modification required in paragraph (a) of this clause, on the basis of the purchase price set forth in the contract, minus the total purchase option credits accumulated during the period of lease or rental, calculated by the formula contained elsewhere in this contract.
- (d) The accumulated purchase option credits available to determine the purchase conversion cost will also include any credits accrued during a period of lease or rental of the equipment under any previous Government contract if the equipment has been on continuous lease or rental. The movement of equipment from one site to another site shall be “continuous rental. ”

19. Terms and conditions of installation: N/A

20. Terms and conditions of repair parts: N/A

20a. Terms and conditions for SINS 132-8, 132-33, 132-34, 132-50, 132-51

TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY EQUIPMENT (SPECIAL ITEM NUMBER 132-8)

1. MATERIAL AND WORKMANSHIP

All equipment furnished hereunder must be new and satisfactorily perform the function for which it is intended.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

3. TRANSPORTATION OF EQUIPMENT

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

4. INSTALLATION AND TECHNICAL SERVICES

a. **INSTALLATION.** When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the Government, at the Government's location, to install the equipment and to train Government personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

IPI*Grammtech, LTD. systems are self-installable. On site installation assistance is available at \$750. 00 per day, plus travel and living expense in accordance with the Federal Travel Regulations.

b. **INSTALLATION, DEINSTALLATION, REINSTALLATION.** The Davis-Bacon Act (40 U. S. C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8

c. **OPERATING AND MAINTENANCE MANUALS.** IPI*Grammtech, LTD. shall furnish the Government with one (1) copy of all operating and maintenance manuals relating to the equipment being installed/purchased.

5. INSPECTION/ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any equipment that has been tendered for acceptance. The Government may require repair or replacement of nonconforming equipment at no increase in contract price. The Government must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

6. WARRANTY

a. IPI*Grammtech, LTD. 's manufacturers will furnish all maintenance, machine adjustments, repairs, and parts via depot repair at their location(s) for a period of 90 days or longer depending upon manufacturer. Guarantees for individual manufacturers are listed in the price pages of this authorized schedule contract.

b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows:

P.O Box 91
Boerne, TX 78006

7. PURCHASE PRICE FOR ORDERED EQUIPMENT

The purchase price that the Government will be charged will be the Government purchase price in effect at the time of order placement, or the Government purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

8. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT

When an agency determines that Information Technology equipment will be replaced, the agency shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43. 6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).

**TERMS AND CONDITIONS APPLICABLE TO
PERPETUAL SOFTWARE LICENSES (SPECIAL ITEM NUMBER 132-33) AND
MAINTENANCE (SPECIAL ITEM NUMBER 132-34) OF GENERAL PURPOSE
COMMERCIAL INFORMATION TECHNOLOGY SOFTWARE**

1. INSPECTION/ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any software that has been tendered for acceptance. The Government may require repair or replacement of nonconforming software at no increase in contract price. The Government must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the software, unless the change is due to the defect in the software.

2. GUARANTEE/WARRANTY

a. Unless specified otherwise in this contract, the Contractor's standard commercial guarantee/warranty as stated in the contract's commercial pricelist will apply to this contract.

IPI*Grammtech, LTD. warrants that the Software will operate substantially in conformity with prevailing specifications as defined by the current standard documentation (except for minor defects or errors which are not material to Customer) for a period of 90 days from the date of delivery ("Warranty Period"). If the Software does not perform in accordance with such specifications during the Warranty Period, IPI*Grammtech, LTD. will use reasonable efforts to correct any deficiencies in the Software so that it will perform in accordance with or substantially in accordance with such specifications. IPI*Grammtech, LTD. also warrants that the Software is year 2000 compliant, meaning that the use or occurrence of the dates on or after January 1, 2000 will not adversely affect the performance of the Software with respect to four-digit date dependent data or the ability of the Software to correctly create, store, process and output information related to such date data. Customer's sole remedy in the event of nonconformity of the Software with the foregoing warranties will be the correction of the condition making it nonconforming.

b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

3. TECHNICAL SERVICES

The Contractor, without additional charge to the Government, shall provide a hot line technical support number 210-694-4313 for the purpose of providing user assistance and guidance in the implementation of the software. The technical support number is available from 9AM to 5PM CST.

4. SOFTWARE MAINTENANCE

a. Software maintenance service shall include the following:

1. Software Maintenance as a Product

Software maintenance as a product includes the publishing of bug/defect fixes via patches and updates/upgrades in function and technology to maintain the operability and usability of the software product. It may also include other no charge support that are included in the purchase price of the product in the commercial marketplace. No charge support includes items such as user blogs, discussion forums, on-line help libraries and FAQs (Frequently Asked Questions), hosted chat rooms, and limited telephone, email and/or web-based general technical support for user's self diagnostics.

Software maintenance as a product does NOT include the creation, design, implementation, integration, etc. of a software package. These examples are considered software maintenance as a service.

Software Maintenance as a product is billed at the time of purchase.

2. Software Maintenance as a Service

Software maintenance as a service creates, designs, implements, and/or integrates customized changes to software that solve one or more problems and is not included with the price of the software. Software maintenance as a service includes person-to-person communications regardless of the medium used to communicate: telephone support, on-line technical support, customized support, and/or technical expertise which are charged commercially. Software maintenance as a service is billed arrears in accordance with 31 U.S.C. 3324.

b. Invoices for maintenance service shall be submitted by the Contractor on a quarterly or monthly basis, after the completion of such period. Maintenance charges must be paid in arrears

(31 U.S.C. 3324). PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.

5. PERIODS MAINTENANCE (132-34)

a. The Contractor shall honor orders for periods for the duration of the contract period or a lesser period of time.

b. Maintenance may be discontinued by the Government on thirty (30) calendar days written notice to the Contractor.

c. Annual Funding. When annually appropriated funds are cited on an order for term licenses and/or maintenance, the period of the term licenses and/or maintenance shall automatically expire on September 30 of the contract period, or at the end of the contract period, whichever occurs first. Renewal of the term licenses and/or maintenance orders citing the new appropriation shall be required, if the term licenses and/or maintenance is to be continued during any remainder of the contract period.

d. Cross-Year Funding Within Contract Period. Where an ordering office's specific appropriation authority provides for funds in excess of a 12 month (fiscal year) period, the ordering office may place an order under this schedule contract for a period up to the expiration of the contract period, notwithstanding the intervening fiscal years.

e. Ordering offices should notify the Contractor in writing thirty (30) calendar days prior to the expiration of an order, if the maintenance is to be terminated at that time. Orders for the continuation of maintenance will be required if the maintenance is to be continued during the subsequent period.

6. CONVERSION FROM TERM LICENSE - Not Offered

7. TERM LICENSE CESSATION - Not Offered

8. UTILIZATION LIMITATIONS - (132-33, AND 132-34)

a. Software acquisition is limited to commercial computer software defined in FAR Part 2. 101.

b. When acquired by the Government, commercial computer software and related documentation so legend shall be subject to the following:

(1) Title to and ownership of the software and documentation shall remain with the Contractor, unless otherwise specified.

(2) Software licenses are by site and by ordering activity. An ordering activity is defined as a cabinet level or independent ordering activity. The software may be used by any subdivision of the ordering activity (service, bureau, division, command, etc.) that has access to the site the software is placed at, even if the subdivision did not participate in the acquisition of the software. Further, the software may be used on a sharing basis where multiple agencies have joint projects that can be satisfied by the use of the software placed at one ordering activity's site. This would

allow other agencies access to one ordering activity's database. For ordering activity public domain databases, user agencies and third parties may use the computer program to enter, retrieve, analyze and present data. The user ordering activity will take appropriate action by instruction, agreement, or otherwise, to protect the Contractor's proprietary property with any third parties that are permitted access to the computer programs and documentation in connection with the user ordering activity's permitted use of the computer programs and documentation. For purposes of this section, all such permitted third parties shall be deemed agents of the user ordering activity.

(3) Except as is provided in paragraph 8.b(2) above, the ordering activity shall not provide or otherwise make available the software or documentation, or any portion thereof, in any form, to any third party without the prior written approval of the Contractor. Third parties do not include prime Contractors, subcontractors and agents of the ordering activity who have the ordering activity's permission to use the licensed software and documentation at the facility, and who have agreed to use the licensed software and documentation only in accordance with these restrictions. This provision does not limit the right of the ordering activity to use software, documentation, or information therein, which the ordering activity may already have or obtains without restrictions.

(4) The ordering activity shall have the right to use the computer software and documentation with the computer for which it is acquired at any other facility to which that computer may be transferred, or in cases of Disaster Recovery, the ordering activity has the right to transfer the software to another site if the ordering activity site for which it is acquired is deemed to be unsafe for ordering activity personnel; to use the computer software and documentation with a backup computer when the primary computer is inoperative; to copy computer programs for safekeeping (archives) or backup purposes; to transfer a copy of the software to another site for purposes of benchmarking new hardware and/or software; and to modify the software and documentation or combine it with other software, provided that the unmodified portions shall remain subject to these restrictions.

(5) "Commercial Computer Software" may be marked with the Contractor's standard commercial restricted rights legend, but the schedule contract and schedule pricelist, including this clause, "Utilization Limitations" are the only governing terms and conditions, and shall take precedence and supersede any different or additional terms and conditions included in the standard commercial legend.

9. SOFTWARE CONVERSIONS - Not Offered

10. DESCRIPTIONS AND EQUIPMENT COMPATIBILITY

The Contractor shall include, in the schedule pricelist, a complete description of each software product and a list of equipment on which the software can be used. Also, included shall be a brief, introductory explanation of the modules and documentation which are offered.

11. RIGHT-TO-COPY PRICING -- Not Offered

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF
TRAINING COURSES FOR GENERAL PURPOSE COMMERCIAL
INFORMATION TECHNOLOGY EQUIPMENT AND SOFTWARE
(SPECIAL ITEM NUMBER 132-50)**

1. SCOPE

- a. The Contractor shall provide training courses normally available to commercial customers, which will permit ordering activity users to make full, efficient use of general purpose commercial IT products. Training is restricted to training courses for those products within the scope of this solicitation.
- b. The Contractor shall provide training at the Contractor's facility and/or at the ordering activity's location, as agreed to by the Contractor and the ordering activity.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPAs) shall be the basis for the purchase of training courses in accordance with the terms of this contract. Orders shall include the student's name, course title, course date and time, and contracted dollar amount of the course.

3. TIME OF DELIVERY

The Contractor shall conduct training on the date (time, day, month, and year) agreed to by the Contractor and the ordering activity.

4. CANCELLATION AND RESCHEDULING

- a. The ordering activity will notify the Contractor at least seventy-two (72) hours before the scheduled training date, if a student will be unable to attend. The Contractor will then permit the ordering activity to either cancel the order or reschedule the training at no additional charge. In the event the training class is rescheduled, the ordering activity will modify its original training order to specify the time and date of the rescheduled training class.
- b. In the event the ordering activity fails to cancel or reschedule a training course within the time frame specified in paragraph a, above, the ordering activity will be liable for the contracted dollar amount of the training course. The Contractor agrees to permit the ordering activity to reschedule a student who fails to attend a training class within ninety (90) days from the original course date, at no additional charge.
- c. The ordering activity reserves the right to substitute one student for another up to the first day of class.
- d. In the event the Contractor is unable to conduct training on the date agreed to by the Contractor and the ordering activity, the Contractor must notify the ordering activity at least seventy-two (72) hours before the scheduled training date.

5. FOLLOW-UP SUPPORT

The Contractor agrees to provide each student with unlimited telephone support or online support for a period of one (1) year from the completion of the training course. During this period, the student may contact the Contractor's instructors for refresher assistance and answers to related course curriculum questions.

6. PRICE FOR TRAINING

The price that the ordering activity will be charged will be the ordering activity training price in effect at the time of order placement, or the ordering activity price in effect at the time the training course is conducted, whichever is less.

7. INVOICES AND PAYMENT

Invoices for training shall be submitted by the Contractor after ordering activity completion of the training course. Charges for training must be paid in arrears (31 U.S.C. 3324). PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.

8. FORMAT AND CONTENT OF TRAINING

- a. The Contractor shall provide written materials (i.e., manuals, handbooks, texts, etc.) normally provided with course offerings. Such documentation will become the property of the student upon completion of the training class.
- b. ****If applicable**** For hands-on training courses, there must be a one-to-one assignment of IT equipment to students.
- c. The Contractor shall provide each student with a Certificate of Training at the completion of each training course.
- d. The Contractor shall provide the following information for each training course offered:
 - (1) The course title and a brief description of the course content, to include the course format (e.g., lecture, discussion, hands-on training);
 - (2) The length of the course;
 - (3) Mandatory and desirable prerequisites for student enrollment;
 - (4) The minimum and maximum number of students per class;
 - (5) The locations where the course is offered;
 - (6) Class schedules; and
 - (7) Price (per student, per class (if applicable)).
- e. For those courses conducted at the ordering activity's location, instructor travel charges (if applicable), including mileage and daily living expenses (e.g., per diem charges) are governed by Pub. L. 99-234 and FAR Part 31.205-46, and are reimbursable by the ordering activity on orders placed under the Multiple Award Schedule, as applicable, in effect on the date(s) the travel is performed. Contractors cannot use GSA city pair contracts. The Industrial Funding Fee does NOT apply to travel and per diem charges.
- f. For Online Training Courses, a copy of all training material must be available for electronic download by the students.

9. "NO CHARGE" TRAINING

The Contractor shall describe any training provided with equipment and/or software provided under this contract, free of charge, in the space provided below.

None

**TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT)
PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51)**

1. SCOPE

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52. 232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the

travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

5. STOP-WORK ORDER (FAR 52. 242-15) (AUG 1989)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

(1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and

(2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

6. INSPECTION OF SERVICES

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS --COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

7. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

8. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Services.

9. INDEPENDENT CONTRACTOR

All IT Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

10. ORGANIZATIONAL CONFLICTS OF INTEREST

a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9. 505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9. 508.

11. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices for IT services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

12. PAYMENTS

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—
 - (1) The offeror;
 - (2) Subcontractors; and/or
 - (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

13. RESUMES

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

14. INCIDENTAL SUPPORT COSTS

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

15. APPROVAL OF SUBCONTRACTS

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

16. DESCRIPTION OF IT SERVICES AND PRICING

Administrative Support - Functional Responsibility: Provides administrative type support to technical and management-level personnel. This includes, but is not limited to, documentation planning and support, project administration, general office support, executive secretarial support, human resource planning, event planning and administration. **Minimum Education/General Experience:** High School Diploma or G. E. D. or other equivalent degree program.

Data Entry Clerk - Functional Responsibility: Performs data entry via online data terminal, key-to-tape, key-to-disk or similar device. Verifies data entered. General clerical duties. **Minimum Education/General Experience:** High School Diploma and one year of experience in data entry and verifications. Able to work under close supervision and direction.

Data Technician - Functional Responsibility: Extracts, cross-references and prepares data for entry. Compiles and summarizes charts, graphs and other statistical reports using data manipulation tools such as spread sheets and/or database programs. Maintains files and records. Inputs data from source documents into computer databases and other files.

Minimum Education/General Experience: High school diploma and two (2) years experience.

Field Technician - Functional Responsibility: Assembles electronic components, stages equipment for network and telecommunications work, installs fiber optic cables, hubs and other peripheral equipment. Installs connectors, face plates, patch panels and raceways.

Minimum Education/General Experience: High school diploma and four (4) years experience.

Computer Specialist - Functional Responsibility: Three (3) years experience in a production environment supporting PC hardware and software. Vendor certification and or vendor training may be required. Installs, tests and trouble shoots PC hardware, peripherals and software. Provides technical support to users. Develops documentation and procedures for PC environment. **Minimum Education/General Experience:** Three (3) years technical experience which applies to trouble shooting, installation and configuration of PC hardware, software and peripheral equipment. Must have expertise in at least two desktop operating systems. Requires competence in COTS software installation.

Help Desk Specialist - Functional Responsibility: Interfaces directly with supported end-users to provide advanced hardware, software, network, and applications problem resolution. Expert with industry standard desktop and server operating systems and client requesters and office automation software suites. Works independently and manages internal problem escalation procedures. **Minimum Education/General Experience:** Bachelor's degree and 2 years of Help Desk experience. Five (5) years of general Help Desk experience may be substituted for a Bachelor's degree.

Senior Help Desk Specialist (or Manager) - Functional Responsibility: Provides daily supervision and direction to Help Desk staff who are responsible for phone and in-person support to users in the areas of e-mail, directories, standard Windows desktop applications, and applications developed or deployed under this contract. May serve as primary point of contact for troubleshooting hardware/software PC, and printer problems. **Minimum Education/General Experience:** Bachelor's Degree in computer science, information systems, engineering or other related business or technical degree and 5 years specialized experience in Help Desk procedures. Additional 5 years general Help Desk experience is equivalent to the Bachelor's Degree. With a Master's Degree, four years of general Help Desk experience is required.

Imaging Specialist - Functional Responsibility: Guides users in formulating requirements for document imaging systems. Designs document imaging systems. Provides installation and implementation of specific document imaging systems and engines. Conducts feasibility studies. Advises alternative approaches. **Minimum Education/General Experience:**

Bachelor's Degree in Computer Science or six (6) years relevant experience in developing document imaging systems. Three (3) years technical experience which applies to document imaging. Requires knowledge of scanners, workflow processes, HSM and common image file formats. Also requires knowledge of applicable hardware, software and methodologies applicable to imaging systems.

Network Engineer - Functional Responsibility: Provides network and telecommunications design, installation and troubleshooting. Configures servers and nodes to provide desired functionality as per end-user requirements. Works from wiring diagrams, schematics, drawings and similar information. Conducts network integrity checks and inventories. Recommends hardware, software and protocols. Conducts feasibility studies.

Minimum Education/General Experience: Bachelor's Degree in Computer Network Discipline or Computer Science or Vendor Certification such as CNE, CNA, CBE or MCSE. Three (3) years technical experience which applies to designing, installing, troubleshooting and supporting computer and telecommunications networks. Requires knowledge of at least one network operating system and possess particular expertise in applicable NOS for the specified job. Requires knowledge of telecommunications and network-related hardware, software and protocols.

Senior Network Engineer - Functional Responsibility: Provides network and telecommunications design for complex environments, installation and troubleshooting. Configures servers and nodes to provide desired functionality as per end-user requirements. Works from wiring diagrams, schematics, drawings and similar information. Conducts network integrity checks and inventories. Recommends hardware, software and protocols. Conducts feasibility studies.

Minimum Education/ General Experience: Bachelor's Degree in Computer Network Discipline or Computer Science or Vendor Certification such as CNE, CNA, CBE or MCSE. Five (5) years technical experience which applies to designing, installing, troubleshooting and supporting computer and telecommunications networks. Requires knowledge of multiple network operating systems. Requires knowledge of telecommunications and network-related hardware, software and protocols.

Operations Manager - Functional Responsibility: Manages computer operations. Ensures production schedules are met. Ensures computer system resources are used effectively. Coordinates the resolution of production-related problems. Ensures proper relationships are established between customers, teaming partners, and vendors to facilitate the delivery of information technology services. **Minimum Education/General Experience:** Bachelor's degree in Business, Administration or other related field, and 3 years of related experience. Six years of related experience may be substituted for a Bachelor's Degree.

Junior PC Technician - Functional Responsibility: Interfaces directly with supported users and works with other PC Technicians to provide hardware, software, network and applications resolutions **Minimum Education/General Experience:** High school graduate or GED and 2 years related experience.

Senior PC Technician - Functional Responsibility: Interfaces directly with supported users to provide advanced hardware, software network, and applications support. Provides direct supervision to the Jr. PC Technicians. **Minimum Education/General Experience:** High school graduate or GED and 5 years related experience.

Program Manager - Functional Responsibility: Consults with COTR and other Government personnel to minimize costs and maximize efficiency in achieving the stated requirements. Plans, organizes, and controls the overall activities of the project (i. e. project management, technical work, quality of work, schedule and costs associated with various orders issued under the contract). Ensures that all activities conform to the terms and conditions of the contract and ordering procedures. Acts as liaison between the COTR, CO and corporate management. Coordinates activities and seeks resolution of contractual and technical problems while working with the CO, the COTR and other Government personnel. **Minimum Education/General Experience:** Masters Degree with ten (10) years of relevant experience and eight (8) years of management experience or an equivalent combination of education and experience.

Programmer - Functional Responsibility: Codes, programs, tests and debugs computer programs as directed by program specifications. Provides technical documentation for code written. **Minimum Education/General Experience:** Three (3) years programming experience in a production environment. Vendor certification and or vendor training may be required. Two (2) years technical experience which applies to developing and implementing computer programs. Must have expertise in at least two programming languages. Requires competence in coding, compiling, testing and debugging of computer programs.

Programmer Analyst - Functional Responsibility: Works under supervision to support the activities of a Sr. Programmer Analyst. Supports the maintenance and operating efficiency of a major subsystem, such as database management systems, etc. Must be familiar with current methodologies and technologies for systems development and design. **Minimum Education/General Experience:** Bachelor's Degree in Computer Science or other related field and 2 years of general experience. Five years of specialized experience in systems analysis, design and development of computer systems may be substituted for a Bachelor's Degree.

Senior Programmer Analyst - Functional Responsibility: Guides users in formulating requirements and specifications for computer systems. Conducts feasibility studies. Performs high-level coding and program design for complex computer systems. **Minimum Education/General Experience:** Bachelor's Degree in Computer Science or five (5) years relative work experience. Five (5) years of technical experience which applies to systems analysis, design and development for complex computer systems. Familiar with current methodologies and technologies for systems development and design. Also requires knowledge of applicable hardware, system software and I/O devices.

Quality Assurance Analyst - Functional Responsibility: Establishes and maintains processes for evaluating systems and associated documentation. Provides technical and administrative direction for personnel performing software development tasks, including the review of work products for correctness, adherence to specifications and user standards. Assure Government

standards/requirements are met and progress according to agreed to schedules. Makes recommendations for approval of major systems integration and installations. Prepares milestone status reports and presentations on system concepts and progress as required. **Minimum Education/General Experience:** Bachelor's Degree in Computer Science, Information Systems, Engineering, or other related business or technical disciplines and a minimum of 5 years general experience of which two (2) years must be in Quality Assurance related work.

Junior Software Engineer - Functional Responsibility: Participates in specific aspects of system implementation under the direction of senior technical personnel including development and implementation of specifications, designs, integration, testing, or documentation. **Minimum Education/General Experience:** Associates degree in Computer Science or other related field of study or four years of relevant experience. Some formal training in a specific or associated discipline is required.

Software Engineer - Functional Responsibility: Participates in or leads specific aspects of system implementation including development and implementation of specifications, designs, integration, testing, or documentation. Participates in development of risk management and mitigation strategy. **Minimum Education/General Experience:** Bachelor's degree in Computer Science or other related field of study or equivalent. Four years experience in a relevant discipline or associated operational experience. Two years directly applicable experience in development, operations, testing, integration, or fielding of systems.

Senior Software Engineer - Functional Responsibility: Responsible to Program/Project Manager for specific aspects of technical task performance. Directs other engineers and support personnel. Oversees development and implementation of system specifications, designs, integration, testing, and documentation. Develops risk management and mitigation strategy. Ensures compliance with QA standards. Principle interface to complementary programs and the engineering process group. **Minimum Education/General Experience:** Master's degree in Computer Science or other related field of study. Eight years experience in a relevant discipline or associated operational experience or equivalent. Five years experience as technical lead for development, operations, testing, integration, or fielding of systems.

Junior Systems Analyst - Functional Responsibility: Performs system-wide analysis, primarily with respect to computer function allocations, software development, hardware development and reliability, maintainability and availability. Works with and under the direction of the Systems Analyst and/or Sr. Systems Analyst. **Minimum Education/General Experience:** Bachelor's degree in Computer Science or other related field and 1 year relative work experience. Four years of relevant experience may be substituted for a Bachelor's Degree.

Systems Analyst - Functional Responsibility: Guides use in formulating requirements and specifications for computer systems. Conducts feasibility studies. **Minimum Education/General Experience:** Bachelor's Degree in Computer Science or six (6) years relative work experience. Three (3) years of technical experience which applies to systems analysis and design for complex computer systems. Familiar with current methodologies and

technologies for systems development and design. Also requires knowledge of applicable hardware, system software and I/O devices.

Senior Systems Analyst - Functional Responsibility: Performs system-side analysis with respect to computer functions allocations, software, development, hardware development, reliability, maintainability, and availability. Directs and evaluates work of Systems Analysts and Junior Systems Analysts. **Minimum Education/General Experience:** Master's Degree in Computer Science or other related field and five years directly relevant experience which includes some supervisory/managerial experience. A Bachelor's Degree and eight years of directly relevant experience may be substituted for a Master's Degree.

Junior Systems Engineer - Functional Responsibility: Assists with definition of systems requirements, working under direction of Senior Engineers and Project managers. Codes modules as assigned, with little supervision. **Minimum Education/General Experience:** Bachelor's degree in Computer Science, Engineering or other related field and 3 years of related experience. Associates degree and 5 years related experience may be substituted for a Bachelor's degree.

Systems Engineer - Functional Responsibility: Assists with definition of system requirements, working under direction of Senior Engineers, Project Managers. Codes modules as assigned with little supervision. Participates in development and implementation of system specifications, designs, integration, testing, and documentation. Analyzes requirements and develops solutions. Provides comprehensive definition of all aspects of system development from analysis of mission needs to verification of system performance. Evaluates alternatives and assesses risks and costs. **Minimum Education/General Experience:** Bachelor's degree in Computer Science, Engineering, or other related field or equivalent and 5 years of related experience.

Senior Systems Engineer - Functional Responsibility: Responsible to Program/Project Manager for all aspects of technical task performance on complex programs, projects, or tasks. Directs other engineers and support personnel. Oversees development and implementation of system specifications, designs, integration, testing, and documentation. Develops risk management and mitigation strategy. Ensures compliance with QA standards. Principle interface to complementary programs and the engineering process group. **Minimum Education/General Experience:** Master's degree in Computer Science, Engineering or other relevant field. Six years experience in engineering/development of systems-associated operational experience or equivalent. At least 2 years experience as technical lead for development, operations, testing, integration, or fielding of complex systems.

Technical Writer/Editor - Functional Responsibility: Assists in collecting and organizing information required for preparation of user's manuals, training materials, installation guides, proposals and reports. Edits functional descriptions, system specifications, user's manuals, special reports, or any other customer deliverables and documents. **Minimum Education/General Experience:** Bachelor's Degree in English, literature, or related discipline. Requires a minimum of three (3) years experience in Technical Writing with a least one-year of Computer related work. Must be able to work independently or under general direction only.

Junior Training Specialist - Functional Responsibility: Conducts research necessary to develop and revise training courses as instructed by Senior Training Specialist. Prepares appropriate training materials to include instructor and student materials as developed by the Senior Training Specialist. Trains personnel by conducting formal classroom courses, workshops and seminars. **Minimum Education/General Experience:** Associates or Bachelor's Degree in any field. A minimum of two (2) years training experience. Demonstrated ability to communicate orally and in writing.

Senior Training Specialist - Functional Responsibility: Conducts the research necessary to develop and revise training courses and prepares appropriate training documents. Develops instructor materials (course outlines, background material, and training aids). Develops (oversees) preparation of all student materials. Trains personnel by conducting formal classroom course, workshops, seminars, and/or computer-aided training. Provides daily supervision and direction to other Training staff members. **Minimum Education/General Experience:** Bachelor's Degree in any field. A minimum of 5 years training experience of which at least 3 years are specialized in computer related fields. Ten years of training experience may be substituted for a Bachelor's Degree.

**USA COMMITMENT TO PROMOTE
SMALL BUSINESS PARTICIPATION
PROCUREMENT PROGRAMS**

PREAMBLE

(Name of Company) provides commercial products and services to the Federal Government. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc. , to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in Federal Government contracts. To accelerate potential opportunities please contact (Insert Company Point of contact, phone number, e-mail address, fax number).

**BEST VALUE
BLANKET PURCHASE AGREEMENT
FEDERAL SUPPLY SCHEDULE
(Insert Customer Name)**

In the spirit of the Federal Acquisition Streamlining Act (Agency) and (Contractor) enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9. 6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the **Government that works better and costs less.**

(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT

Pursuant to GSA Federal Supply Schedule Contract Number(s)_____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (Ordering Agency):

(1)The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER

***SPECIAL BPA DISCOUNT/PRICE**

(2)Delivery:

DESTINATION

DELIVERY SCHEDULE/DATES

(3)The Government estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4)This BPA does not obligate any funds.

(5)This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6)The following office(s) is hereby authorized to place orders under this BPA:

OFFICE

POINT OF CONTACT

(7)Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

(8)Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

(a)Name of Contractor;

(b)Contract Number;

(c)BPA Number;

(d)Model Number or National Stock Number (NSN);

(e)Purchase Order Number;

(f)Date of Purchase;

(g)Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and

(h) Date of Shipment.

(9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.

(10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence.

BASIC GUIDELINES FOR USING “CONTRACTOR TEAM ARRANGEMENTS”

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9. 6) to provide solutions when responding to a customer agency requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions or the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9. 6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer’s requirement.
- Customers make a best value selection.

DISKEEPER® CORPORATION SOFTWARE LICENSE AGREEMENT

Diskeeper® for WINDOWS®

License No:

Issued to:

Free 90 Day Manufacturer's Warranty Period Dates: to THE FOLLOWING LICENSE AGREEMENT FOR 1 LICENSE(S) APPLIES TO YOU. BY OPENING THE SEALED PACKET(S) CONTAINING THE SOFTWARE, YOU INDICATE YOUR ACCEPTANCE OF THE FOLLOWING SOFTWARE LICENSE AGREEMENT.

This is a legal agreement between you (either an individual or an entity) and Diskeeper Corporation, a California corporation. By opening the sealed software packages and/or by using Diskeeper Corporation's Diskeeper for Windows software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, promptly return the disk package and accompanying items (including printed materials and binders or other containers) to the place you obtained them for a full refund.

1. GRANT OF LICENSE.

This Software License Agreement ("License") permits you to use 1 copy of Diskeeper Corporation's Diskeeper software and Diskeeper Corporation's associated user documentation ("Software") on 1 computer running Microsoft® Windows®. With respect to the use of DISKEEPER®, HYPERFAST™ and HYPERBOOT™ on a network, Licenses must be obtained for each computer, including the server. If you have multiple Licenses for the Software, then at any time you may have as many copies of the Software in use as you have Licenses. The Software is "in use" on a computer when it is loaded into the temporary memory (i.e., RAM) or installed into the permanent memory (e.g., hard disk, CD-ROM or other storage device) of that computer, except that a copy installed on a network server for the sole purpose of distribution to other computers is not "in use". For users of select Microsoft® WINDOWS® software (such as Windows 7) that specifically includes an additional license of Windows XP for use in XP Mode, one additional license of the above named Diskeeper Corporation software product that is designed to support Windows XP is granted exclusively for use in that Windows XP Mode.

2. COPYRIGHT.

The Software is owned by Diskeeper Corporation or its suppliers and is protected by United States copyright laws and international treaty provisions. Therefore, you must treat the Software like any other copyrighted material (e.g., a book or musical recording) except that you may either (a) make one copy of the Software solely for back up or archival purposes, or (b) transfer the Software to a single hard disk provided you keep the original solely for back up or archival purposes. You may not copy the user documentation provided with the Software, except for your own authorized use.

3. OTHER RESTRICTIONS.

This License is your proof of license to exercise the rights granted herein and must be retained by you. You may not rent or lease the Software, but you may transfer the Software and user documentation on a permanent basis provided you retain no copies and the recipient agrees to the terms of this Agreement. You may not reverse engineer, decompile, or disassemble the Software, except to the extent that the foregoing restriction is expressly prohibited by applicable law. If the Software is an update or has been updated, any transfer must include the most recent update and all prior versions.

4. LIMITED WARRANTY.

Diskeeper Corporation warrants that (a) the Software will perform substantially in accordance with the user documentation for a period of ninety (90) days from the date of receipt. Any implied warranties on the Software are limited to ninety (90) days. Some states/jurisdictions do not allow limitations on duration on an implied warranty,

so the above limitation may not apply to you. This limited warranty is void if failure of the Software has resulted from accident, abuse or misapplication.

5. ANTI-PIRACY AND ANTI-COUNTERFEITING ASSISTANCE

You agree to take reasonable steps to prevent the creation of illegal, counterfeit or pirated copies of this Software license and to immediately notify and reasonably assist Diskeeper Corporation in handling where it may be found that illegal copies of the licensed software have been made.

6. CUSTOMER REMEDIES.

Diskeeper Corporation's and its suppliers' entire liability and your exclusive remedy shall be, at Diskeeper Corporation's option, either (a) return of the price paid, or (b) replacement of the Software that does not meet Diskeeper Corporation's limited warranty and which is returned to Diskeeper Corporation with a copy of your receipt. This limited warranty is void if failure of the Software has resulted from accident, abuse, or misapplication. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Outside the United States, neither these remedies nor any product support services offered by Diskeeper Corporation are available without proof of purchase from an authorized non-U.S. source.

7. NO OTHER WARRANTIES.

DISKEEPER CORPORATION DOES NOT WARRANT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET YOUR REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS WITH YOU. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, Diskeeper Corporation AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH REGARD TO THE SOFTWARE AND THE ACCOMPANYING WRITTEN MATERIALS. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS WHICH VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.

8. NO LIABILITY FOR CONSEQUENTIAL DAMAGES.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL Diskeeper CORPORATION OR ITS SUPPLIERS BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OR INABILITY TO USE THE Diskeeper Corporation PRODUCT, EVEN IF Diskeeper Corporation HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

9. U.S. GOVERNMENT RESTRICTED RIGHTS.

The Software and documentation are provided with RESTRICTED RIGHTS and constitute commercial computer software developed entirely at private expense. Use, duplication, or disclosure by the Government shall be in accordance with FAR 52.227-19, Commercial Computer Software License, or other agency data rights provisions, as may be applicable and subject solely to restrictions as set forth in DFARS 227-7202. Manufacturer is Diskeeper Corporation, 7590 N. Glenoaks Blvd, Burbank, California 91504-1052.

10. CALIFORNIA LAW.

This Agreement is governed by the laws of the State of California excluding its conflict of laws, rules and the United Nations Convention on Contracts for the International Sale of Goods. The exclusive venue for any dispute arising hereunder shall be a court of competent jurisdiction in Los Angeles, California, USA. Should any of the provisions of this License be declared invalid by any court of competent jurisdiction, such a provision shall be severed from this Agreement and the other provisions shall remain in full force and effect. Should you have any questions concerning this Agreement, or if you desire to contact Diskeeper® Corporation for any reason, please contact your supplier or:

Addendum to Diskeeper® Corporation Software License Agreement

By placing an order for Diskeeper® for Windows or Hyperfast software, the Ordering Activity agrees to be bound by the terms and conditions of the Diskeeper® Corporation Software License Agreement incorporated into this GSA Schedule contract No. GS-35F-4157D, as modified hereby.

The preamble is revised to read as follows:

"This is a legal agreement ("Agreement") between You (an ordering activity authorized to place orders under GSA Schedule 70 contracts, as defined in GSA Order ADM4800.2G, as may be amended from time to time) and Diskeeper Corporation, a California corporation."

The remainder of the preamble is deleted.

Section 10 "California Law" is revised to read as follows:

(a) Except as provided in subsection (b) below, this Agreement is governed by the laws of the State of California excluding its conflict of laws, rules and the United Nations Convention on Contracts for the International Sale of Goods. The exclusive venue for any dispute arising hereunder shall be a court of competent jurisdiction in Los Angeles, California, USA.

(b) Notwithstanding the provisions of section (a), as applicable in the USA for licenses granted to US Government agencies or entities only, this agreement will be governed by the applicable United States Federal law. For those claims subject to the concurrent jurisdiction of US District Courts, the venue shall be the applicable US District Court in Los Angeles, California, USA.

(c) Should any of the provisions of this License be declared invalid by any court of competent jurisdiction, such a provision shall be severed from this Agreement and the other provisions shall remain in full force and effect.

The remainder of the terms and conditions of the Software License Agreement shall apply as written.

METACENTER™ LICENSE AGREEMENT

"LICENSEE":	"DAG": DATA ADVANTAGE GROUP, INC., a California corporation
ADDRESS:	604 Mission Street, #700 San Francisco, CA 94105 U.S.A.
CONTACT:	CONTACT:
PHONE:	PHONE: +1 415-947-0400
FAX:	FAX: +1 415-947-0401
E-MAIL:	E-MAIL:

This METACENTER™ LICENSE AGREEMENT ("**Agreement**"), dated as of _____, 20____ ("**Effective Date**"), is made and entered into by and between DAG and **Licensee**.

In consideration of the mutual promises and covenants contained in this Agreement, the parties hereto agree as follows:

1. BACKGROUND

WHEREAS, DAG owns a computer program known as MetaCenter® ("**Licensed Software**" as further defined below); and

WHEREAS, Licensee desires to acquire a license to use the Licensed Software; and DAG desires to grant such a license.

NOW, THEREFORE, in consideration of the covenants and representations made herein, the parties hereby agree to the following.

2. DEFINITIONS

2.1. "**Licensed Software**" means the software program(s) described in Exhibit A attached hereto, in object code form, including any accompanying Documentation, and including all corrections, modifications and enhancements to such software which may be provided to Licensee by DAG hereunder.

2.2. "**Documentation**" means user manuals and other documentation, which are made available to Licensee by DAG with the Licensed Software, in the form of recorded documentation on optical or magnetic media, printed media or accessible electronically on a web page.

2.3 "**Jump Start Services**" means optional installation and configuration consulting services and training that are provided onsite by DAG at Licensee's location or by other means of delivery as mutually agreed. Actual number of consulting days is defined in Exhibit A.

2.4 "**Authorized Repositories**" means the number of data repository or repositories listed in Exhibit A.

2.5 "**Maintenance**" means the provision by DAG, in exchange for payment by Licensee of any applicable fees, of (i) reasonable telephone support, from 9:00 a.m. to 5:00 p.m., (Pacific Standard Time-USA), Monday through Friday (excluding traditional USA holidays), or outside these hours by scheduled appointment, (ii) any corrections, bug fixes and/or modifications, updates and upgrades made to Licensed Software with respect to the Authorized Repositories, and (iii) enhancements to the Licensed Software that are made generally available to DAG's customers and which are not separately priced. Maintenance does not include updates or upgrades for "hooks" to unauthorized repositories.

3. LICENSE AND SERVICES

3.1 Software License. Subject to the terms and conditions of this Agreement, DAG hereby grants Licensee a non-exclusive, non-transferable license, without right of sublicense, to install and use the Licensed Software in object code form, in connection with the Authorized Repositories, for internal business purposes only during the term of this Agreement. Licensee may reproduce, at no additional charge, for disaster recovery purposes, one (1) copy of the Licensed Software.

3.2 Restrictions. Licensee shall not use the Licensed Software except on Authorized Repositories and may only install one (1) instance of the Licensed Software for each Authorized Repository. Licensee may increase the number and types of Authorized Repositories, with the prior written consent of DAG, and subject to the payment of additional license fees. Licensee shall have no right to prepare derivative works for sale or any other purpose using or incorporating the Licensed Software. Use of the Licensed Software is limited to Licensee's internal data processing operations and Licensee may not allow third parties to benefit from the use or functionality of the Licensed Software by using the software for timesharing or service bureau purposes. The Licensee may not sublicense, rent, lease, loan, sell or otherwise distribute the Licensed Software or any derivative works based upon the Licensed Software in whole or in part. Licensee shall not reverse engineer, disassemble, decompile or otherwise attempt to derive or modify the source code for the Licensed Software. Licensee shall have no rights with respect to the Licensed Software other than the rights expressly set forth herein. All rights not expressly granted herein are reserved by DAG.

3.3 Delivery. DAG shall deliver the Licensed Software to Licensee in electronic format within seven (7) business days of the Effective Date. DAG shall ship the Licensed Software F.O.B. (Incoterms 2000).

4. MAINTENANCE AND OPTIONAL SERVICES

4.1. Maintenance. Subject to the payment of separate Maintenance fees or Jump Start Services fees, as set forth in Exhibit A, DAG shall provide Maintenance or Jump Start Services. Maintenance is limited to versions of the Licensed Software that are supported by DAG, which is generally one (1) version prior to the current release or any version released within eighteen (18) months of the current date, and to problems that can be reproduced in the current version of the Licensed Software while running unaltered on the designated hardware configuration. Corrections to some technical problems may only be available through a future release of the Licensed Software. Maintenance services will not be available if: (a) the Licensed Software is not used in accordance with this Agreement, (b) the Licensed Software has been altered or modified, or (c) modifications have been made by the Licensee to their operating system or their environment which is significantly different than it was at the time the Licensed Software was licensed.

5. PRICE AND PAYMENT

5.1 Fees. Upon execution of this Agreement, Licensee shall pay DAG the fees as set forth in Exhibit A. Late payments shall bear interest in accordance with the Prompt Payment Act (31 USC 3901 et seq), as amended from time to time.

6. WARRANTY, DISCLAIMER AND LIMITATION OF LIABILITY

6.1 Software Warranty. DAG represents and warrants that for ninety (90) days from the date of delivery to Licensee, (a) the media for the Licensed Software will be free of defects in materials and workmanship under normal use; and (b) the unmodified Licensed Software will substantially perform the functions described in the user Documentation provided by DAG as part of the Licensed Software when operated in the correct environment. DAG does not warrant that the Licensed Software will meet all of Licensee's requirements or that the use of the Licensed Software will be uninterrupted or error-free.

6.2 Disclaimer. EXCEPT AS SPECIFICALLY PROVIDED IN SECTION 6.1, DAG MAKES NO WARRANTIES EXPRESS, IMPLIED OR STATUTORY WITH RESPECT TO THE LICENSED SOFTWARE, AND DAG EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NON-

INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE.

6.3 Limitation of Liability. DAG SHALL NOT BE LIABLE TO LICENSEE FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES), INCLUDING BUT NOT LIMITED TO, LOSS OF USE, LOSS OF REVENUE OR ANTICIPATED PROFITS OR LOST BUSINESS. THE LIABILITY OF DAG HEREUNDER SHALL, IN NO EVENT, EXCEED THE LICENSE FEES PAID TO IT BY LICENSEE. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION, WHETHER IN CONTRACT, TORT, INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE.

7. PROPRIETARY RIGHTS

7.1 Licensee acknowledges that DAG retains all right, title and interest in and to the original, and any copies, of the Licensed Software or Documentation, and ownership of all patent, copyright, trade secret and other intellectual property rights pertaining thereto, shall be and remain the sole property of DAG.

8. CONFIDENTIALITY

8.1 General. "**Confidential Information**" means records or information in the possession or under the control of DAG relating to its technical, marketing, and/or business affairs or proprietary and trade secret information of DAG, marked as "confidential," or, if disclosed orally, identified as "confidential" at the time of disclosure and confirmed in writing as "confidential" within thirty (30) days. The Licensed Software shall be deemed Confidential Information. Confidential Information shall not include information which: (i) is in or enters the public domain through no improper action by Licensee; (ii) was rightfully in possession of Licensee or known by it prior to receipt from DAG; (iii) was rightfully disclosed to Licensee by another person without restriction; or (iv) was independently developed by Licensee without access to or use of any Confidential Information. Except as set forth in this Agreement, Licensee agrees not to use or disclose the Confidential Information and Licensee agrees to use reasonable efforts to protect the Confidential Information and employ at least those protections that it employs to protect its own confidential information. Licensee, with prior written notice to DAG, may disclose Confidential Information to the minimum extent possible that is required to be disclosed pursuant to the lawful requirement or request of a governmental entity or agency, provided that reasonable measures are taken to guard against further disclosure, including without limitation, seeking appropriate confidential treatment or a protective order, or assisting DAG to do so.

9. INTELLECTUAL PROPERTY RIGHT INDEMNITY

9.1 Indemnity. DAG agrees, at its own expense, to indemnify and hold Licensee harmless from and against any claims of infringement against Licensee of any United States patent, United States copyright, United States trade secret or United States trademark by the Licensed Software as used within the scope of this Agreement and in accordance with the Documentation, and to indemnify Licensee against all damages and costs, including reasonable legal fees, which may be assessed against Licensee under any such claim or action. Licensee agrees that DAG shall be released from the foregoing obligation unless Licensee provides DAG with (i) prompt written notice of any such claim or action, (ii) the opportunity to participate at its own expense in the defense or settlement of such claim or action with legal counsel of its own choice, and (iii) proper and full information and the opportunity to consult with Licensee in the settlement and/or defense of any such claim or action. Without limiting the foregoing, if an injunction is, or DAG believes in its sole discretion is likely to be, entered prohibiting the use of the Licensed Software by Licensee as contemplated herein, DAG may, at its sole option and expense: (i) procure for Licensee the right to use the infringing Licensed Software as provided herein, (ii) replace the infringing Licensed Software with non-infringing, functionally, equivalent products; (iii) suitably modify the infringing Licensed Software so that it is not infringing; or (iv) accept return of the infringing Licensed Software and refund the then present value of such Licensed Software to Licensee, as amortized over a thirty-six (36) month life. This indemnification shall not apply in the event that Licensee (i) modifies the Licensed Software without the express written consent of Licensor or (ii) misuses the Licensed Software. Except as specified above, DAG will not be liable for any costs or expenses incurred without its prior written authorization.

10. TERM AND TERMINATION.

10.1 Term. This Agreement shall commence upon the Effective Date and shall continue in effect until terminated.

10.2 Termination by Licensee. Except as otherwise permitted by FAR, Licensee may terminate this Agreement with or without cause for Licensee's own convenience and at Licensee's own discretion upon thirty (30) days written notice to DAG. Termination for any cause, by DAG or Licensee, does not excuse or eliminate Licensee's financial obligation to DAG, and Licensee shall not be entitled to any refund.

10.3 Termination by Either Party. Either party may terminate this Agreement immediately upon the occurrence of any of the following events: (i) if the other party ceases to do business or otherwise terminates its business operations without a successor; (ii) if the other party shall fail to promptly secure or renew any license, registration, permit, authorization or approval necessary for the conduct of its business in the manner contemplated by this Agreement, or if any such license, registration, permit or approval is revoked or suspended and not reinstated within thirty (30) days; (iii) if the other party seeks protection under any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable proceeding, or if any such proceeding is instituted against the other and not dismissed within thirty (30) days. This subsection 10.4 shall not apply if Licensee is an agency or instrumentality of the U.S. Government.

10.4 Effect of Termination. Upon expiration or termination of this Agreement, for any reason, Licensee shall immediately discontinue use of the Licensed Software and Documentation.

10.5 Survival. Notwithstanding any termination of this Agreement, the following provisions shall survive: Sections 3.2, 6, 7, 8, 9, 10.5 and 11.

11. GENERAL

11.1 Assignment. This Agreement may not be assigned by either party, by operation of law or otherwise, without the prior written consent of the other party.

11.2 Governing Law. This Agreement shall be governed, construed and enforced in accordance with applicable federal laws of the United States of America.

11.3 Jurisdiction. Any dispute arising out of this Agreement shall be resolved in accordance with the disputes clause of the GSA Schedule contract into which this Agreement is incorporated. For those claims where applicable Federal law allows for concurrent jurisdiction of U.S. District Courts, the U.S. District Court within San Francisco, California shall have exclusive jurisdiction. Each party hereto expressly consents to the personal jurisdiction of, and venue in, such court and service of process being effected upon it by registered mail and sent to the address set forth at the beginning of this Agreement.

11.4 Legal Expenses. If any proceeding is brought by either party to enforce or interpret any term or provision of this Agreement, the substantially prevailing party in such proceeding shall be entitled to recover reasonable attorneys' fees to the extent provided in the Equal Access to Justice Act (5 USC 504), as amended from time to time.

11.5 Severability. If any provision of this Agreement is held to be invalid by a court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect. The parties further agree to negotiate in good faith a substitute, valid and enforceable provision that most nearly affects the parties' intent and to be bound by mutually agreed substitute provision.

11.6 Amendment and Waiver. Except as otherwise expressly provided herein, any provision of this Agreement may be amended or modified and the observance of any provision of this Agreement may be waived (either generally or any particular instance either retroactively or prospectively) only with the written consent of both parties. The failure of either party to enforce at any time any of the provisions of this Agreement shall not be deemed to be a waiver of the right of such party thereafter to enforce any such provisions.

11.7 Force Majeure. Except for the obligation to make payments, nonperformance of either party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, governmental acts or orders or restrictions, failure of suppliers, or any other reason where failure to perform is beyond the control and not caused by the negligence of the nonperforming party.

11.8 Notices. Any required notices hereunder shall be given in writing and personally delivered, delivered by a major commercial rapid delivery courier service with tracking capabilities, or mailed, postage prepaid, by certified or registered mail, return receipt requested, to a party at its address set forth above. If not received sooner, notice by mail shall be deemed received five (5) days after deposit in the U.S. mails.

11.9 Export Laws. Licensee agrees to comply with the U.S. Foreign Corrupt Practices Act (regarding among other things, payments to government officials) and all export laws, restrictions, national security controls and regulations of the United States or other applicable foreign agency or authority, and not to export or re-export, directly or indirectly, or allow the export or re-export of the Licensed Software or any copy thereof in violation of any such restrictions, laws or regulations, or, without all required licenses and proper authorizations.

11.10 Relationship of the Parties. The parties agree and acknowledge that the relationship of the parties is in the nature of an independent contractor. This Agreement shall not be deemed to create a partnership or joint venture and neither party is the other's agent, partner, employee or representative. Neither party shall have the right to obligate or bind the other party in any manner whatsoever, and nothing herein shall give or is intended to give any rights of any kind to third persons.

11.11 Audit. DAG reserves the right to periodically audit the Licensee to ensure the Licensee is not using the Licensed Software in violation of this Agreement. Such inspection shall be conducted during Licensee's standard business hours, not more than once every six months, and shall be subject to Licensee's prior written approval and compliance with Licensee's regulations regarding security clearances, badging, and access to systems and premises.

11.12 Marketing and Publicity. Licensee acknowledges that DAG may identify Licensee as a customer of DAG in marketing materials and on the DAG website. Licensee agrees to act as a reference to DAG's potential customers, responding to a reasonable number of telephone inquiries from such potential customers if requested by DAG. Within a reasonable period after the Effective Date, the parties agree to issue a mutually agreeable joint press release stating that the Licensee is using the Licensed Software.

11.12 Software Escrow. The MetaCenter software source code is held in escrow at Lincoln-Parry SoftEscrow, Inc. The source code will be released to the Licensee for maintenance and support purposes only according to section 4 of the Lincoln-Parry Software Escrow Agreement #7138 dated June 5, 2001 and attached at Exhibit B.

11.14 Entire Agreement. This Agreement and Exhibits attached hereto and incorporated herein constitute the entire, final, complete and exclusive agreement between the parties and supersede all previous agreements or representations, oral or written, relating to this Agreement. Both parties acknowledge having read the terms and conditions set forth in this Agreement and Exhibits attached hereto, understand all terms and conditions, and agree to be bound thereby.

IN WITNESS WHEREOF, the parties by their duly authorized representatives have executed this Agreement as of the date set forth above.

Informatica Software

Manuf.	Manufacturer Part #	SIN	Description	GSA Price w/.075 IFF
Informatica	0000001313-0001	132-33	PowerExchange for Flat Files - Batch Option - (1-3 Servers) per Server Production License	\$ 16,458.44
Informatica	0000001313-0001-PM	132-34	Premium Maintenance	\$ 3,630.00
Informatica	0000001313-0001-PME	132-34	Premium Elite Maintenance	\$ 4,125.00
Informatica	0000001313-0001-SM	132-34	Standard Maintenance	3300
Informatica	0000001314-0001	132-33	PowerExchange for Flat Files - Batch Option - (4-7 Servers) per Server Production License	\$ 12,343.83
Informatica	0000001314-0001-PM	132-34	Premium Maintenance	\$ 2,722.50
Informatica	0000001314-0001-PME	132-34	Premium Elite Maintenance	\$ 3,093.75
Informatica	0000001314-0001-SM	132-34	Standard Maintenance	2475
Informatica	0000001315-0001	132-33	PowerExchange for Flat Files - Batch Option - (8+ Servers) per Server Production License	\$ 10,286.52
Informatica	0000001315-0001-PM	132-34	Premium Maintenance	\$ 2,268.75
Informatica	0000001315-0001-PME	132-34	Premium Elite Maintenance	\$ 2,578.13
Informatica	0000001315-0001-SM	132-34	Standard Maintenance	2062.5
Informatica	0000001316-0021	132-33	PowerExchange for Flat Files - Batch Option - (1 lab license) per Development Lab License	\$ 16,458.44

Informatica	0000001316-0021-PM	132-34	Premium Maintenance	\$ 3,630.00
Informatica	0000001316-0021-PME	132-34	Premium Elite Maintenance	\$ 4,125.00
Informatica	0000001316-0021-SM	132-34	Standard Maintenance	3300
Informatica	0000001317-0021	132-33	PowerExchange for Flat Files - Batch Option - (2-3 lab license) per Development Lab License	\$ 12,343.83
Informatica	0000001317-0021-PM	132-34	Premium Maintenance	\$ 2,722.50
Informatica	0000001317-0021-PME	132-34	Premium Elite Maintenance	\$ 3,093.75
Informatica	0000001317-0021-SM	132-34	Standard Maintenance	2475
Informatica	0000001318-0021	132-33	PowerExchange for Flat Files - Batch Option - (4+ lab license) per Development Lab License	\$ 10,286.52
Informatica	0000001318-0021-PM	132-34	Premium Maintenance	\$ 2,268.75
Informatica	0000001318-0021-PME	132-34	Premium Elite Maintenance	\$ 2,578.13
Informatica	0000001318-0021-SM	132-34	Standard Maintenance	2062.5
Informatica	0000004218-0001	132-33	PowerCenter 8 Standard Edition 32-bit Repository Multi-OS Production License	\$ 32,916.87
Informatica	0000004218-0001-PM	132-34	Premium Maintenance	\$ 7,260.00
Informatica	0000004218-0001-PME	132-34	Premium Elite Maintenance	\$ 8,250.00
Informatica	0000004218-0001-SM	132-34	Standard Maintenance	6600
Informatica	0000004219-0001	132-33	PowerCenter 8 Standard Edition 64-bit Repository Multi-OS Production License	\$ 49,375.31
Informatica	0000004219-0001-PM	132-34	Premium Maintenance	\$ 10,890.00
Informatica	0000004219-0001-PME	132-34	Premium Elite Maintenance	\$ 12,375.00
Informatica	0000004219-0001-SM	132-34	Standard Maintenance	9900
Informatica	0000004220-0001	132-33	PowerCenter 8 Standard Edition Multi-core Repository Multi-OS Production License	\$ 49,375.31
Informatica	0000004220-0001-PM	132-34	Premium Maintenance	\$ 10,890.00
Informatica	0000004220-0001-PME	132-34	Premium Elite Maintenance	\$ 12,375.00
Informatica	0000004220-0001-SM	132-34	Standard Maintenance	9900
Informatica	0000004224-0021	132-33	PowerCenter 8 Standard Edition 32-bit Single Core Multi-OS Dev/Test Lab License	\$ 32,916.87
Informatica	0000004224-0021-PM	132-34	Premium Maintenance	\$ 7,260.00
Informatica	0000004224-0021-PME	132-34	Premium Elite Maintenance	\$ 8,250.00
Informatica	0000004224-0021-SM	132-34	Standard Maintenance	6600
Informatica	0000004225-0021	132-33	PowerCenter 8 Standard Edition 64-bit Single Core Multi-OS Dev/Test Lab License	\$ 49,375.31
Informatica	0000004225-0021-PM	132-34	Premium Maintenance	\$ 10,890.00
Informatica	0000004225-0021-PME	132-34	Premium Elite Maintenance	\$ 12,375.00
Informatica	0000004225-0021-SM	132-34	Standard Maintenance	9900
Informatica	0000004226-0021	132-33	PowerCenter 8 Standard Edition Multi-core Multi-OS Dev/Test Lab License	\$ 49,375.31
Informatica	0000004226-0021-PM	132-34	Premium Maintenance	\$ 10,890.00
Informatica	0000004226-0021-PME	132-34	Premium Elite Maintenance	\$ 12,375.00
Informatica	0000004226-0021-SM	132-34	Standard Maintenance	9900
Informatica	0000004310-0001	132-33	PowerCenter 8 Standard Edition 32-bit Single-core (1-3) per CPU-core Multi-OS Production License	\$ 28,802.26

Informatica	0000004310-0001-PM	132-34	Premium Maintenance	\$ 6,352.50
Informatica	0000004310-0001-PME	132-34	Premium Elite Maintenance	\$ 7,218.75
Informatica	0000004310-0001-SM	132-34	Standard Maintenance	5775
Informatica	0000004311-0001	132-33	PowerCenter 8 Standard Edition 32-bit Single-core (4-7) per CPU-core Multi-OS Production License	\$ 20,573.05
Informatica	0000004311-0001-PM	132-34	Premium Maintenance	\$ 4,537.50
Informatica	0000004311-0001-PME	132-34	Premium Elite Maintenance	\$ 5,156.25
Informatica	0000004311-0001-SM	132-34	Standard Maintenance	4125
Informatica	0000004312-0001	132-33	PowerCenter 8 Standard Edition 32-bit Single-core (8+) per CPU-core Multi-OS Production License	\$ 16,458.44
Informatica	0000004312-0001-PM	132-34	Premium Maintenance	\$ 3,630.00
Informatica	0000004312-0001-PME	132-34	Premium Elite Maintenance	\$ 4,125.00
Informatica	0000004312-0001-SM	132-34	Standard Maintenance	3300
Informatica	0000004313-0001	132-33	PowerCenter 8 Standard Edition 64-bit Single-core (1-3) per CPU-core Multi-OS Production License	\$ 43,203.40
Informatica	0000004313-0001-PM	132-34	Premium Maintenance	\$ 9,528.75
Informatica	0000004313-0001-PME	132-34	Premium Elite Maintenance	\$ 10,828.13
Informatica	0000004313-0001-SM	132-34	Standard Maintenance	8662.5
Informatica	0000004314-0001	132-33	PowerCenter 8 Standard Edition 64-bit Single-core (4-7) per CPU-core Multi-OS Production License	\$ 30,859.57
Informatica	0000004314-0001-PM	132-34	Premium Maintenance	\$ 6,806.25
Informatica	0000004314-0001-PME	132-34	Premium Elite Maintenance	\$ 7,734.38
Informatica	0000004314-0001-SM	132-34	Standard Maintenance	6187.5
Informatica	0000004315-0001	132-33	PowerCenter 8 Standard Edition 64-bit Single-core (8+) per CPU-core Multi-OS Production License	\$ 24,687.65
Informatica	0000004315-0001-PM	132-34	Premium Maintenance	\$ 5,445.00
Informatica	0000004315-0001-PME	132-34	Premium Elite Maintenance	\$ 6,187.50
Informatica	0000004315-0001-SM	132-34	Standard Maintenance	4950
Informatica	0000004316-0001	132-33	PowerCenter 8 Standard Edition Multi-core (1-3) per CPU-core Multi-OS Production License	\$ 24,687.65
Informatica	0000004316-0001-PM	132-34	Premium Maintenance	\$ 5,445.00
Informatica	0000004316-0001-PME	132-34	Premium Elite Maintenance	\$ 6,187.50
Informatica	0000004316-0001-SM	132-34	Standard Maintenance	4950
Informatica	0000004317-0001	132-33	PowerCenter 8 Standard Edition Multi-core (4-7) per CPU-core Multi-OS Production License	\$ 18,515.74
Informatica	0000004317-0001-PM	132-34	Premium Maintenance	\$ 4,083.75
Informatica	0000004317-0001-PME	132-34	Premium Elite Maintenance	\$ 4,640.63
Informatica	0000004317-0001-SM	132-34	Standard Maintenance	3712.5
Informatica	0000004318-0001	132-33	PowerCenter 8 Standard Edition Multi-core (8+) per CPU-core Multi-OS Production License	\$ 14,401.13
Informatica	0000004318-0001-PM	132-34	Premium Maintenance	\$ 3,176.25
Informatica	0000004318-0001-PME	132-34	Premium Elite Maintenance	\$ 3,609.38
Informatica	0000004318-0001-SM	132-34	Standard Maintenance	2887.5
Informatica	0000004328-0001	132-33	PowerCenter 8 per CPU-core Class to Flex Upgrade (single CPU-core) Multi-OS Production License	\$ 4,114.61

Informatica	0000004328-0001-PM	132-34	Premium Maintenance	\$ 907.50
Informatica	0000004328-0001-PME	132-34	Premium Elite Maintenance	\$ 1,031.25
Informatica	0000004328-0001-SM	132-34	Standard Maintenance	825
Informatica	0000004329-0001	132-33	PowerCenter 8 per CPU-core Class to Flex Upgrade (Multi CPU-core) Multi-OS Production License	\$ 2,468.77
Informatica	0000004329-0001-PM	132-34	Premium Maintenance	\$ 544.50
Informatica	0000004329-0001-PME	132-34	Premium Elite Maintenance	\$ 618.75
Informatica	0000004329-0001-SM	132-34	Standard Maintenance	495
Informatica	0000004330-0001	132-33	Data Profiling Option 32-bit Base Multi-OS Production License	\$ 24,687.65
Informatica	0000004330-0001-PM	132-34	Premium Maintenance	\$ 5,445.00
Informatica	0000004330-0001-PME	132-34	Premium Elite Maintenance	\$ 6,187.50
