**Professional Edition:**

DoForms eliminates the inefficiencies of paper-based data capture. Build mobile forms, manage users, view data and generate reports. Forms can be built in under an hour and uploaded to your mobile device in seconds, so you spend more time doing and less time training. Fully customizable to suit the way you do business. Includes: Email (QDFs direct from form); Data lookups (with conditional filtering); Self-scoring surveys; Calculations; Credit card payment capture; Check boxes and radio buttons; Signature capture; Approval request; Barcode scanning and Near Field. Communication (NFC) tag reading. Unlimited forms and submissions; Image, video and audio, with sketching capability; Date and time stamp; Page breaks; GPS location; and Excel plug-in.

**Dispatch Edition:**

Enables the enterprise to streamline workflow and improve communication. Allocate work in real-time and track employee and job activity with rich two-way communications. All Professional Edition features, plus: Job dispatching; Job scheduling; GPS tracking; Intra-form real-time status updates; and Remote form retrieval and update.

**Back Office Integration:**

Back Office Integration provides customers with the ability to integrate data collected via DoForms with their databases, systems and/or applications. Integration options are provided for both small businesses to the large enterprise. Small business with over 500 units may also purchase support & maintenance. Enterprise products require support & maintenance.
