**AMENDMENT
TO END USER SOFTWARE LICENSE AGREEMENT
APPLICABLE TO U.S. GOVERNMENT USERS
UNDER GSA SCHEDULE CONTRACT No. _____**

This Amendment constitutes an addendum to the above-referenced contract ("GSA Contract") between the U.S. General Services Administration ("GSA") and Empress Software, Inc. ("Licensor")(each, a "Party"; collectively, the "Parties").

GSA, as a U.S. Government entity, is required when entering into agreements with other parties to follow applicable federal laws and regulations, including without limitation those related to competition, dispute resolution, and limitations on indemnification and other fiscal law constraints.

Accordingly, the Parties hereby agree to incorporate the Program License Agreement, attached in its original, unmodified version as Attachment A ("Licensor Agreement"), into the GSA Contract and to amend it as set forth herein. Except where expressly amended by this Addendum, the terms and conditions of the Licensor Agreement shall remain in force as written.

A. *Government entity and contracting process:*

- "Customer" shall mean the agency or other entity authorized to place orders under the GSA Contract, as set forth in the then-current GSA order on the sources of supply.
- Such entities, also referred to in the GSA Contract as "ordering activities," do not sign the Licensor Agreement but become bound by its terms, as amended hereby, through the issuance of a task or delivery order ("Order") under the GSA Contract into which the Licensor Agreement is incorporated.
- Although individual employees of a Customer may use the products or services provided under an Order solely for the purpose of performing their work duties, they are not in privity of contract with Licensor or its licensors, and the Customer remains responsible for their acts or omissions to the full extent of the law.
- The Parties agree that the execution by the GSA contracting officer of this Addendum as part of the GSA Contract, and the issuance by the ordering activity of an Order, satisfies and replaces any provision in the Licensor Agreement pertaining to user acceptance by clicking, downloading, installing or using any product, service, or site.
- The effective date of the Licensor Agreement is (a) as to GSA, the date this Amendment is signed by the GSA contracting officer; or (b) as to each ordering activity, the date of the Order.

B. *Contract documents, entire agreement, and order of precedence:*

- The Licensor Agreement, as amended, shall apply in the version attached hereto. Customer does not consent to be bound by any subsequent changes in the Licensor' standard commercial templates for such agreements unless such changes have been incorporated into the GSA Schedule contract by prior express written agreement of both Parties executed in the form of a modification to the GSA Contract.

- Any "entire agreement" clauses in the Licensor Agreement are hereby amended to specify that nothing in the Licensor Agreement shall operate to supersede or invalidate any term or condition of the GSA Schedule Contract or an Order.
- In the event of a conflict between or among these constituent documents, the following order of precedence shall apply: (a) this Amendment; (b) the Order; (c) the GSA Contract; (d) the Licensor Agreement.

C. *Services:* Licensor shall provide to Customer such products or services as are specified in the applicable Order, for the duration of such Order. Unless generally withdrawn from the commercial market, services (including without limitation maintenance services) may not be suspended, cancelled or terminated unilaterally.

D. *Fees, late charges and taxes:*

- The Customer shall pay Licensor the fees calculated in accordance with the final awarded GSA Contract pricelist or the fee or price schedule included in the Order, as applicable. Properly payable amounts shall be paid in accordance with the procedures set forth in the GSA Contract or the applicable Order.
- Fees may not be changed except by prior express written agreement of both Parties executed in the form of a modification to the GSA Contract.
- Any extension or renewal of the term of the GSA Contract (including option exercise, if any), the Licensor Agreement, the Order, maintenance services, or the associated fees shall also require a prior express written agreement of both Parties.
- Late payments shall be governed by the Prompt Payment Act and the regulations at 5 CFR 1315; any late payment provisions in the Licensor Agreements are hereby deleted. Insufficient funds fees or costs of collection on delinquent invoices may not be sought against Customer except as, and then only to the extent, specifically authorized by applicable federal statute.
- Taxes shall be governed by the terms of the GSA Schedule contract. Because different Customers may subject to different legal regimes as regards the applicability of taxes, any charge in the nature of a tax (however designated) shall first be submitted to the Customer's contracting officer for a determination of applicability.

E. *Termination:* The Licensor Agreement as it pertains to an Order may be terminated prior to the natural expiration of such Order only by Customer in accordance with applicable federal regulations and the terms of the GSA Contract. Any problem, dispute, or other circumstance described in the unmodified Licensor Agreement as giving rise to suspension or termination shall instead be referred to the Customer's contracting officer for resolution.

F. *Dispute resolution and governing law:* The Licensor Agreement and this Amendment shall be governed by and interpreted and enforced in accordance with the laws of the United States of America without reference to conflict of laws, and dispute resolution shall take place in a forum, and within the time period, prescribed by applicable federal law. No equitable or injunctive relief, and no shifting of legal fees or costs, may be sought against Customer except as, and then only to the extent, specifically authorized by

applicable federal statute.

G. **Indemnification:** Any provisions in the Licensor Agreement requiring any agency or instrumentality of the Federal Government to indemnify any party are hereby deleted and shall not apply. Any provisions requiring Licensor to indemnify Customer shall be revised to state that such indemnification, and the conduct and/or settlement of any applicable proceedings, shall be subject to 28 USC 516. Any provisions allowing for or resulting in termination of the Licensor Agreements or any license in the event of an infringement claim, whether or not finally adjudicated, shall be subject to the Customer's right to require continued performance in accordance with 28 USC 1498.

H. **No waiver of statutory or contractual rights:** Any provision requiring Customer to agree to waive or otherwise not to pursue any claim against Licensor it may otherwise have is hereby deleted. Without limiting the generality of the foregoing, the Parties agree that nothing in the Licensor Agreement, including but not limited to its limitation of liability clauses, in any way grants Licensor a waiver from, release of, or limitation of liability pertaining to, any past, current or future violation of federal law and that no clause restricting users' statements shall be read to restrict GSA's or Customer's ability to pursue any course of action permitted by federal law, regulation, or policy, including without limitation making public statements in connection with any suspension or debarment action.

I. **Notices:**

- Notices to GSA regarding any matter pertaining to the GSA Contract shall be sent to the contracting officer in writing at the address specified in the GSA Contract or by email at the address specified below.
- Notices to Customer regarding any matter pertaining to an Order, or the use by Customer of Licensor Products or Services, shall be sent in writing to the address specified in the Order.
- Neither GSA nor the Customer consent to receive notices or other communications by way of posting on a website, and such notices, in the absence of written notification by one of the means referred to above, shall be deemed not given.
- Notices to Licensor shall be sent to: []

ATTACHMENT A
EMPRESS SOFTWARE INC.
("ESI")
PROGRAM LICENSE AGREEMENT

BY CLICKING THE ACCEPTANCE BUTTON OR INSTALLING OR USING ANY ESI PROGRAMS, YOU ("CUSTOMER"), AS AN ENTITY OR INDIVIDUAL ARE LICENSING THOSE PROGRAMS AND ARE CONSENTING TO BE BOUND BY AND BECOME A PARTY TO THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, THE BUTTON INDICATING NON-ACCEPTANCE MUST BE SELECTED, AND YOU MUST NOT INSTALL OR USE THE PROGRAMS.

ESI and the Customer agree as follows:

1. LICENSE

ESI hereby grants and the Customer accepts a non-transferable and non-exclusive license (the "License") to use the Programs and Documentation relating thereto as allowed by the Installation Key (collectively the "Licensed Materials") solely for the purposes of processing the Customers' own data, or evaluating the Licensed Materials upon the terms and conditions herein.

2. TERM

The License shall commence on the date on which the Programs are installed by Customer (the "Effective Date") and shall continue (i) for as long as the Customer uses the Licensed Materials; (ii) unless terminated as provided herein; (iii) unless the Installation Key has expired.

3. LOCATION

The License authorizes the Customer to use the Programs in machine readable form on one specified machine. However, the Programs may be used temporarily on another machine for backup only.

4. FEES

The License Fee for the Licensed Materials will be invoiced on shipment unless the Licensed Materials are used solely for evaluation. The Service Fee for Maintenance Services will be invoiced on shipment and annually thereafter on the anniversary of the shipment date. The Service Fee on such anniversary dates shall be the fee then currently in effect for such services. The Customer shall pay all amounts within 30 days of the date of invoice. Overdue payments shall bear interest at the rate of 2 percent per month (24% per annum) on the amount outstanding from the date when the payment is due until the date payment in full is received by ESI.

5. TAXES

Fees do not include any applicable taxes. If the Customer is required to withhold any taxes or other charges pursuant to any laws to which the Customer is subject, the Customer will pay as additional fees such additional amounts as will result in ESI receiving amounts it would have otherwise received if no such tax or charge had been imposed.

6. TITLE

Title to and ownership of the Licensed Materials shall at all times remain with ESI and the Customer shall acquire no rights to same except in accordance with the terms of the License.

7. ADDITIONAL LICENSE FOR APPLICATIONS DEVELOPMENT TOOLS

When the Customer uses a Program which is an applications development tool ("Applications Development Tool") to develop its own applications (the "Customer Applications"), such Customer Applications may be used solely for processing the Customer's own data except that the Customer may license a third party if that third party has licensed its copy of the Licensed Materials from ESI.

8. WARRANTY

ESI warrants and represents to the Customer that it has full right and authority to enter into this Agreement and to license the Licensed Materials.

9. MAINTENANCE SERVICES

ESI shall provide maintenance and enhancement services ("Maintenance Services") for the fees then in effect ("Service Fee") by providing to the Customer:

- a. assistance in attempting to correct or bypass defects or errors in the Programs; and
- b. enhancements or modifications to the Licensed Materials which ESI may from time to time make generally available to its customers.

Fees do not include any expenses associated with travel to the Customer's place of business in provision of Maintenance Services. ESI will not provide support for any Customer Applications. ESI may cancel Maintenance Services at any time following the first anniversary date of the License on 90 days prior written notice to the Customer.

10. PROPRIETARY RIGHTS AND COPYRIGHT

ESI has a proprietary interest in all of the Licensed Materials which are the copyright information of ESI. Title, ownership rights, and intellectual property rights in the Licensed Materials shall remain in ESI. Customer acknowledges such ownership and intellectual property rights and will not take any action to jeopardize, limit or interfere in any manner with ESI's ownership of or rights with respect to the Licensed Materials. The Customer shall not copy the Licensed Materials in whole or in part except as provided in this Agreement.

11. INSTALLATION

The Customer shall be solely responsible for the proper installation, operation and use of the Programs. Installation and instruction services may be obtained from ESI as additional services at extra cost.

12. SUBLICENSE AND ASSIGNMENT

The Customer may not, without the prior written approval of ESI, sublicense, assign or otherwise transfer its interest in the Agreement, the License or any rights granted under this Agreement whether voluntarily, by operation of law, by merger, amalgamation or other corporate reorganization or otherwise.

13. DEFAULT

A breach of this Agreement shall be deemed to have occurred when:

a. the Customer breaches or fails to observe or perform any of the obligations set out in this Agreement;
or

b. the Customer becomes insolvent, or makes an assignment for the general benefit of creditors, or any proceedings shall be commenced by or against the Customer under any bankruptcy or insolvency laws or proceedings for the appointment of a custodian, receiver, or receiver-manager or any other official with similar powers for the Customer are commenced, or if the Customer ceases to carry on business.

Upon the occurrence of any such default or breach, ESI, at its option, shall have the right to terminate the License or this Agreement without intending to waive, remove, limit or in any way restrict any legal or equitable remedy at law upon the Customer's threatened or actual breach of its obligations under the terms of this Agreement. The Customer agrees that ESI may apply to a court of competent jurisdiction for an injunction restraining any such threatened or actual breach.

14. LICENSE TERMINATION

Upon the termination of the License or this Agreement, the Customer shall return the original and destroy all copies of the Licensed Materials relating thereto. By written notice to ESI, the Customer shall certify that all such Licensed Materials have been returned or destroyed.

15. WARRANTY DISCLAIMER

THE WARRANTIES OF ESI HEREUNDER SHALL BE THE FULL EXTENT OF ESI'S OBLIGATIONS IN ALL OR ANY SITUATIONS INVOLVING PERFORMANCE OR NON-PERFORMANCE OF THE PROGRAMS OR PARTS THEREOF, AND ARE IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM A COURSE OF DEALING OR USAGE OF TRADE.

ESI does not represent or warrant:

- a. the performance characteristics of the Programs, including response time, machine usage and other operating characteristics on any particular hardware;
- b. the functions contained in any of the Programs will operate in the combinations which may be selected for use by the Customer or will meet any of the Customer's business requirements;
- c. the operation of the Programs will always be error free or uninterrupted by reason of defect therein; or
- d. that all programming errors can be found in order to be corrected.

16. LIMIT OF LIABILITY

For breach or default by ESI of any of the provisions of this Agreement, with the exception of the indemnification for Copyright contained in "Copyright Indemnity" hereof, ESI's liability for damages, regardless of form of action, whether based on contract or tort, including negligence, shall not exceed the amount paid hereunder by the Customer for the License.

No action, regardless of form, arising out of this Agreement may be brought by either party more than two years after the cause of action has arisen, or, in the case of non-payment, more than two years after the date such payment was due.

17. CONTENT ACKNOWLEDGEMENT

Customer acknowledges that the Licensed Materials contain material that (i) was wholly developed by ESI; (ii) was not wholly developed by ESI.

18. COPYRIGHT INDEMNITY

ESI will defend the Customer from any and all claims, actions, damages, liabilities, costs, and expenses, arising only out of any claims that the ESI material wholly developed by ESI ("ESI Material") infringes any United States or Canadian copyright; provided that ESI will not be liable for any claim based upon any infringement by any part of any ESI Material which have been changed by someone other than ESI. This provision shall not apply unless the Customer informs ESI as soon as practicable of any claim or action alleging such infringement and unless the Customer shall have given ESI full opportunity to control the response thereto and the defence thereof, including, without limitation, any agreement relating to the settlement thereof.

19. GOVERNING LAW

This Agreement shall be exclusively governed by, subject to and interpreted in accordance with the laws in force in the jurisdiction in which the head office of ESI resides.

20. SURVIVAL

It is agreed that the provisions of Sections entitled "Proprietary Rights and Copyright", "Sublicense and Assignment", "Warranty Disclaimer", "Limit of Liability" and "Copyright Indemnity" shall remain in force and effect after the termination of this Agreement until such time as the parties may mutually agree to release of the obligations contained therein.

21. ENTIRE AGREEMENT

This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof. This Agreement shall not be modified, amended, rescinded, cancelled or waived in whole or in part, except by written amendment signed by the parties hereto.
