2.0 VISTA DEFENSE CORPORATE OVERVIEW

Vista Defense, is an Alaska Native Corporation (ANC), established in 2013. We are highly experienced in providing enterprise level Information Technology (IT) services, Logistics Management, and Engineering Support Services to Government and private industry. Vista Defense provides services and support to meet the requirements for Health IT and C4IM operations. Our internal procedures, based on ITIL processes and principles, guide our certified IT professionals in providing high quality, secure IT services for enterprise customers and small systems alike. The primary IT capabilities provided by Vista Defense include the following:

ISO 9001 REGISTERED FIRM
An ISO 9001:2015 Registered Company
Certificate: GPMC-62116-6

• Applications Programming and Sustainment	• Custom Web Enabled Business Systems
• Information Assurance/Computer Network Defense	• System Engineering
• Multi-Tier Customer Support	• Cable Installation
• Network Design/Installation/Management	• IT Equipment Provider

Our clients within the Department of Defense (DoD) include the Army, Marine Corps, Navy, and Air Force, and Defense Health Agency. For these customers we have designed, built, maintained, monitored, optimized, and upgraded networks all over the globe, providing service management and support for IT systems from common software, to specialized storage clusters. Vista Defense continues to experience significant growth based on our recognized technical performance and commitment of our employees. Ongoing revenues and an infrastructure that provides dedicated recruiting and hiring capability to maintain a highly-specialized workforce means we can screen and hire quickly. We are International Organization for Standardization (ISO) 9001:2015 certified and have documented processes in place to manage contracts and business processes to include: Financial System, Contracts, Subcontract Management, HR, Security, and Management Information Systems. This combined with our financial resources allow us to excel in managing large and complex contracts. Vista Defense brings on-time and technically correct service delivery, a track record of effective cost management, and the maturity and experience to truly understand the needs of our customers.
