SIN	SIN Description											
33411	Purchasing of New Electronic Equipment											
511210	Software Licenses											
811212	Maintenance of Equipment, Repair Services and/or Repair/Spare Parts											
OLM	Order-Level Materials											
<b>1b</b>	<b>Lowest Priced Item:</b>	See Pricelist										
<b>1c</b>	<b>Hourly Rates &amp; Labor Category Descriptions:</b>	Not Applicable										
<b>2</b>	<b>Maximum Order:</b>	\$500,000 – 33411, 511210 & 811212; \$250,000 - OLM										
<b>3</b>	<b>Minimum Order:</b>	\$100										
<b>4</b>	<b>Geographic Coverage:</b>	Worldwide										
<b>5</b>	<b>Point of Production:</b>	Irving, TX (Dallas County)										
<b>6</b>	<b>Discount:</b>	Prices shown are net of discount.										
<b>7</b>	<b>Quantity Discounts:</b>	Additional 2% discount on orders over \$500,000										
<b>8</b>	<b>Prompt Payment Terms:</b>	Net 30 Days Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.										
<b>9a</b>	<b>Government Purchase Cards</b>	Government Purchase Cards are accepted at or below the micro-purchase threshold.										
<b>9b</b>		Contract will accept the Government Commercial Credit Card above the micro-purchase threshold.										
<b>10</b>	<b>Foreign Items:</b>	None										
<b>11</b>	<b>Time of Delivery:</b>											
	a. Normal:	14 Days										
	b. Expedited	Contact Contractor for availability										
	c. Overnight & 2-day delivery	Contact Contractor for availability										
	d. Urgent Requirements	Contact Contractor for availability										
<b>12</b>	<b>FOB Point(s):</b>	Destination										
<b>13a</b>	<b>Ordering Address:</b>	Same as Contractor address										

- 13b Ordering procedures:** For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's), are found in Federal Acquisition Regulation (FAR) 8.405-3.
- 14 Payment Address:** Same as Contractor address
- 15 Warranty Provision:** SecureTech Systems, Inc. ("SecureTech") hereby warrants to the original purchaser of the WAVE System referred to above ("Buyer") that for a period of two (2) years following the date of delivery, all parts supplied by SecureTech will be free from defects in workmanship and material. During such period SecureTech will, without cost to Buyer, at SecureTech's option, either (i) repair any such defective materials; (ii) furnish replacement materials; or (iii) grant a credit to Buyer's account in the amount of Buyer's net purchase price of such defective materials.
- Defects caused by third parties; acts of God; installation by any party other than SecureTech or SecureTech's authorized agents; abnormal or improper use or stress; or failure to maintain the WAVE System in accordance with SecureTech's recommendations are specifically excluded from the coverage of this warranty.
- 16 Export packing charges, if applicable:** N/A
- 17 Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level):** Contact Contractor
- 18 Terms and conditions of rental, maintenance, and repair (if applicable):** N/A
- 19 Terms and conditions of installation (if applicable):** N/A
- 20 Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable):** N/A
- 20a Terms and conditions for any other services (if applicable):** N/A
- 21 List of service and distribution points (if applicable):** N/A
- 22 List of participating dealers (if applicable):** N/A
- 23 Preventive maintenance (if applicable):** N/A
- 24a Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants):** N/A
- 24b Section 508 Compliance for EIT:** N/A
- 25 DUNS Number:** 087287764
- 26 Notification regarding registration in SAM database:** Contractor has an Active Registration in the SAM database. (Cage: 4HRC7)

## GSA Prices

SIN	MANUFACTURER NAME	MFR PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price
33411	SecureTech Systems	901CM	WAVE Plus 10 Zone Control Panel	WAVE Plus Control Panel with the capacity for up to 10 unique messages. The WAVE Plus instantly transmits detailed alarm messages over the radios carried by law enforcement officers as well as sending emails/text messages to other personnel. This item is appropriate for small facilities where fewer than 10 buttons are needed.	\$5,503.78
33411	SecureTech Systems	901C	WAVE Plus 100 Zone Control Panel	WAVE Plus Control Panel with the capacity for up to 100 unique messages. The WAVE Plus instantly transmits detailed alarm messages over the radios carried by law enforcement officers as well as sending emails/text messages to other personnel.	\$6,589.42
33411	SecureTech Systems	901C+	WAVE Plus Fully Open Control Panel	WAVE Plus Control Panel with the capacity for more than 500 unique messages. This system is for larger facilities or campuses. The WAVE plus instantly transmits detailed alarm messages over the radios carried by law enforcement officers as well as sending emails/text messages to other personnel.	\$10,720.40
33411	SecureTech Systems	901DR	WAVE Plus Additional Radio Interface (price each)	The WAVE Plus control panel comes with one radio interface as standard. Up to three additional radio interfaces can be added to each control panel for a total of four. Each radio that is added has its own secure enclosure which is attached to the main control panel.	\$397.98
511210	SecureTech Systems	501VB	WAVE Plus Virtual Panic Buttons - Licence Per Computer	Virtual panic buttons are icons which can be set up on any Windows PC within the same LAN as the WAVE Plus control panel. Up to four different color buttons can be set up on each PC.	\$31.23
33411	SecureTech Systems	520PLUS	WAVE Plus Phone Dialer Module	The WAVE Plus phone dialer module enables the WAVE Plus system to make phone calls and play a detailed message to one or more phone numbers. This can be used as a secondary alarm or after ordinary business hours.	\$410.58
33411	SecureTech Systems	180-8OUT	WAVE Plus Output Relay Expansion Board (8 relays)	The output relay expansion board enables the WAVE Plus system to switch on other devices when an alarm is triggered. For example, the WAVE Plus could trigger a CCTV or access control system.	\$410.58

33411	SecureTech Systems	180-16OUT	WAVE Plus Output Relay Expansion Board (16 relays)	The output relay expansion board enables the WAVE Plus system to switch on other devices when an alarm is triggered. For example, the WAVE Plus could trigger a CCTV or access control system.	\$725.44
33411	SecureTech Systems	180-24OUT	WAVE Plus Output Relay Expansion Board (24 relays)	The output relay expansion board enables the WAVE Plus system to switch on other devices when an alarm is triggered. For example, the WAVE Plus could trigger a CCTV or access control system.	\$993.45
33411	SecureTech Systems	180-32OUT	WAVE Plus Output Relay Expansion Board (32 relays)	The output relay expansion board enables the WAVE Plus system to switch on other devices when an alarm is triggered. For example, the WAVE Plus could trigger a CCTV or access control system.	\$1,285.64
33411	SecureTech Systems	180-16IN	WAVE Plus Input Relay Expansion Board (16 relays)	The input relay expansion board enables other devices to trigger the WAVE Plus system. For example, other security systems could be used to trigger the WAVE Plus to transmit radio messages.	\$410.58
33411	SecureTech Systems	180-32IN	WAVE Plus Input Relay Expansion Board (32 relays)	The input relay expansion board enables other devices to trigger the WAVE Plus system. For example, other security systems could be used to trigger the WAVE Plus to transmit radio messages.	\$528.97
33411	SecureTech Systems	180-48IN	WAVE Plus Input Relay Expansion Board (48 relays)	The input relay expansion board enables other devices to trigger the WAVE Plus system. For example, other security systems could be used to trigger the WAVE Plus to transmit radio messages.	\$644.84
33411	SecureTech Systems	192	WAVE Plus PA Interface	The PA interface enables the WAVE Plus system to transmit detailed messages over an existing PA system.	\$675.06
33411	SecureTech Systems	535	WAVE Plus Strobe Light	The WAVE Plus strobe light can be switched on wirelessly when an alarm is triggered to alert personnel without radios.	\$449.87
33411	SecureTech Systems	535H	WAVE Plus Audible Alarm / Horn	The WAVE Plus audible alarm / horn can be switched on wirelessly when an alarm is triggered to alert personnel without radios.	\$449.87

33411	SecureTech Systems	501E	WAVE Plus Single Button Duress Alarm	Through superior range and reliability, these wireless panic buttons offer virtually limitless opportunities for real world applications. They are lightweight, versatile pendants which can be mounted in a fixed location, carried or worn on a necklace. The transmitters are fully supervised to ensure reliability.	\$80.60
33411	SecureTech Systems	500E	WAVE Plus Double Button Duress Alarm	Through superior range and reliability, these wireless panic buttons offer virtually limitless opportunities for real world applications. They are lightweight, versatile pendants which can be mounted in a fixed location, carried or worn on a necklace. The transmitters are fully supervised to ensure reliability. Double-button activation minimizes accidental activation.	\$83.02
33411	SecureTech Systems	501C	WAVE Plus Single Button Belt Clip Duress Alarm	Through superior range and reliability, these wireless panic buttons offer virtually limitless opportunities for real world applications. They are lightweight buttons mounted on a belt clip. The transmitters are fully supervised to ensure reliability.	\$83.02
33411	SecureTech Systems	500EBC	WAVE Plus Double Button Belt Clip Duress Alarm	Through superior range and reliability, these wireless panic buttons offer virtually limitless opportunities for real world applications. They are lightweight, versatile pendants which can be mounted in a fixed location, carried or worn on a necklace. The transmitters are fully supervised to ensure reliability. Double-button activation minimizes accidental activation.	\$83.02
33411	SecureTech Systems	501W	WAVE Plus Single Button Water Resistant Panic Duress Alarm	Through superior range and reliability, these wireless panic buttons offer virtually limitless opportunities for real world applications. They are lightweight, versatile pendants. The transmitters are fully supervised to ensure reliability.	\$83.02
33411	SecureTech Systems	501DE	WAVE Plus Double Button Water Resistant Duress Alarm	Through superior range and reliability, these wireless panic buttons offer virtually limitless opportunities for real world applications. They are lightweight, versatile pendants. The transmitters are fully supervised to ensure reliability. Double-button activation minimizes accidental activation.	\$83.02
33411	SecureTech Systems	503E	WAVE Plus Door/Window Magnetic Contact	These wireless, magnetic door/window contacts offer superior range and reliability. The transmitters are fully supervised to ensure reliability. The transmitter includes a built-in, side-mounted, magnetic reed switch that supports up to a 0.6" gap. They can be used to secure doors, windows or cabinets.	\$80.60

33411	SecureTech Systems	502E	WAVE Plus PIR Motion Detector (Indoor)	This wireless passive infra-red motion detector has a detection range of 50 feet and an intelligent sleep timer to extend battery life in high traffic environments. This sensor is for commercial and high-end domestic applications. It features a rounded design for blending with the environment and features advanced digital signal processing to recognize human signature, size, and movement, thereby reducing false alarms. The advanced microprocessor helps ensure capture while minimizing false alarms.	\$203.53
33411	SecureTech Systems	502OUT	WAVE Plus PIR Motion Detector (Outdoor)	This outdoor detector provides the stability and reliability necessary for an outdoor PIR sensor. No trenching, installing conduit or pulling wire is required.	\$322.42
33411	SecureTech Systems	504E	WAVE Plus Universal Transmitter	These wireless transmitters offer superior range and reliability and are fully supervised to ensure reliability. They can be used with any standard normally open or normally closed contact to connect the WAVE Plus system to external devices or other security systems.	\$71.54
33411	SecureTech Systems	504TE	WAVE Plus Tilt Sensor	These wireless tilt sensor includes a mercury switch which triggers an alarm when it is shaken or moved. Tilt sensors can be used to protect valuable assets such as projectors that are not normally moved.	\$80.60
33411	SecureTech Systems	525E	WAVE Plus Temperature Sensor	This sensor monitors temperature and activates an alarm when programmed limits (min and max) have been exceeded. There are two models available.	\$205.04
33411	SecureTech Systems	518E	WAVE Plus Pressure Mat	This pressure mat includes a wireless transmitter which has superior range and reliability. The transmitter can be set to normally open or normally closed to monitor when something is moved onto or off of the mat.	\$193.45
33411	SecureTech Systems	201E	WAVE Plus Repeater	This wireless repeater is a range expander for the WAVE Plus system. Virtually any number of repeaters can be added to a system, scaling the system size as needed. The repeater includes an integrated, lithium-ion, back-up battery.	\$418.14
33411	SecureTech Systems	250	WAVE Plus Location Module Hardware and Software License	The WAVE Plus location module uses vector mapping technology to identify the area in which the button has been activated. The system then alerts first responders of this location over their two-way radios.	\$8,816.12

33411	SecureTech Systems	251	WAVE Plus Repeater Locator	This wireless repeater expands the range of the WAVE Plus location module. Virtually any number of repeaters can be added to a system, scaling the system size as needed. The repeater locator includes an integrated, lithium-ion, back-up battery.	\$717.88
33411	SecureTech Systems	255	WAVE Plus Location Module Training and Set-up Assistance (per day or part thereof)	Training and set-up for WAVE Plus System with a Location Module.	\$1,657.43
33411	SecureTech Systems	910	WAVE Plus Remote Receiver Module	The Remote Receiver module connects geographically disperse facilities over a computer network for a single point of control. Wireless buttons and other sensors can be placed at remote locations which are on the same local area network (LAN) as the WAVE Plus Control Panel.	\$2,569.27
33411	SecureTech Systems	201ER	WAVE Plus Four Zone Add-on Receiver with Relay Outputs	This four zone receiver with relay outputs supervises up to four wireless transmitters. This receiver includes Form C relays for each output, allowing connection to other devices.	\$261.96
33411	SecureTech Systems	202ER	WAVE Plus 16 Zone Add-on Receiver with Relay Outputs	This sixteen zone receiver with relay outputs supervises up to sixteen wireless transmitters. This receiver includes Form C relays for each output, allowing connection to other devices.	\$351.64
33411	SecureTech Systems	203ER	WAVE Plus 32 Zone Add-on Receiver with Relay Outputs	This thirty-two zone receiver with relay outputs supervises up to thirty-two wireless transmitters. This receiver includes Form C relays for each output, allowing connection to other devices.	\$468.51
33411	SecureTech Systems	521E	WAVE Plus Large Momentary Mushroom Button with Surface Mount Box and Cover	This wireless mushroom button has a unique, curved design to help protect against accidental activation. The station housing is molded of super tough polycarbonate. It is ideal in tough environments such as parking lots where it would be difficult to run wire.	\$277.08
33411	SecureTech Systems	534E	WAVE Plus Momentary Mushroom Wall Button	This wireless button is intended for mounting in a controlled area. It has a faceplate constructed of cast aluminum and a blue button.	\$206.05

811212	SecureTech Systems	151	WAVE Plus Programming, Training and Set-up Assistance (per day or part thereof)	On site set-up assistance for a WAVE Plus System	\$880.60
811212	SecureTech Systems	120	WAVE Plus 2 Year Warranty Extension	2 Year warranty extension for a WAVE Plus system	\$923.68
811212	SecureTech Systems	155	WAVE Plus Service Call	Service call for WAVE Plus system	\$550.38
33411	SecureTech Systems	171	Replacement back-up battery for WAVE Plus Control Panel	Replacement back-up battery for WAVE Plus Control Panel	\$29.19
33411	SecureTech Systems	170	Replacement back-up battery for standard WAVE Plus Buttons	Replacement back-up battery for standard WAVE Plus Buttons	\$5.74
33411	SecureTech Systems	174	Replacement back-up battery for water resistant WAVE Plus Buttons	Replacement back-up battery for water resistant WAVE Plus Buttons	\$5.74
33411	SecureTech Systems	175E	Replacement back-up battery for standard WAVE Plus Repeaters	Replacement back-up battery for standard WAVE Plus Repeaters	\$37.57
33411	SecureTech Systems	177	Replacement back-up battery for standard WAVE Plus Indoor Motion Sensor	Replacement back-up battery for standard WAVE Plus Indoor Motion Sensor	\$14.36
33411	SecureTech Systems	179	Replacement back-up battery for WAVE Plus Buttons Universal Transmitter	Replacement back-up battery for WAVE Plus Buttons Universal Transmitter	\$5.74
