In states where daily overtime applies, such as California, overtime will be calculated at the hourly bill rate for the first 8 hours, and 1.8 times the hourly bill rate after 12 hours regardless of shift assignment or over 40 hours per week. (When double-time applies, the double time rate equals 1.8 times the hourly rate). This is applicable only to non-physician categories.
Shift Differentials.	Waived.
Holiday Rate(s).	All hours worked during the major holidays recognized by Government (New Year's Day, Birthday of Martin Luther King, Jr., Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, and Christmas Day) are billed at 1.4 times the standard hourly rates.
On-Call Rate(s).	\$12 per hour ceiling rate for all non-physician categories. When on-call, the individual must remain within 30 minutes from facility or a 30 mile radius from facility and be able to respond telephonically to provide consultation. Physician rates vary by specialty.
