Home Safety Services

The Safetyfitting™ Experts

Greetings Prosthetics Professional,

Having served the VA since 1997, we are delighted to have been awarded an FSS Contract (No. V797D-30113), which will enable us to serve you and our veterans in an even more efficient manner.

Home Safety Services is the only one-stop provider of home modifications equipment and installations in a single transaction. You no longer have to contract separately for materials and installation, and our true one-step process enables purchasing of solutions at a pre-negotiated best price available.

Look to us for help in keeping our veterans safe and independent at home. Our FSS contract covers a broad spectrum of home modifications including GRAB BARS, BATHROOM MODIFICATIONS, BEDSIDE SUPPORT, STAIR RAILINGS AND MODULAR WHEELCHAIR RAMP SYSTEMS. However, we provide services well beyond this scope including stair/porch lifts and custom solutions.

Ordering Process

Simply send us a PO for the desired solutions that includes the veteran's name, address and phone number. That's it! Our pre-approved pricing includes the material and the installation costs. Only our travel fee (if applicable) will be billed separately.

If the veteran's needs are unknown or are beyond the scope of our approved offerings, we are happy to perform an assessment and provide a proposal from which you can then issue the PO.

Fax: 650.571.7774

Phone: 888.388.3811

eMail: pros@homesafety.net

The process couldn't be any simpler to get our veterans the solutions they need with the assurance that they will be installed professionally. With our proven record of EXPERTISE, EFFICIENCY and CARE, you can rely on **Home Safety Services** to provide the best overall experience each and every time.

We genuinely look forward to the opportunity of serving you.

Sincerely,

Martin Simenc
President & CEO
