**15. Warranty provision:**

**Warranty Policy**

All warranties are provided by the manufacturer.

Customer has 72 hours from time of delivery of equipment to notify Mercy Medical of any damage, missing parts or missing accessories. Term of warranty is noted on invoice...from date of original invoice.

Warranty sticker must be in place and not tampered with.

Warranty will include parts and labor to correct malfunctions during normal use of product.

Mercy Medical, at its sole discretion reserves the right to repair or replace warranted items through the manufacturer.

Warranty does not cover the following:

1. Tampering or altering of equipment
2. Abuse or neglect
3. Misuse or mishandling
4. Damaged equipment
5. Use of equipment for which it was not intended
6. Equipment that has not been properly maintained
7. Physical wear and tear
8. User error
9. Batteries, light bulbs and cables
10. Warranty is void if warranty sticker has been tampered with or missing.

**Returned Goods Policy:**

**RETURN POLICY:**

All returns must be processed within 45 days of delivery date and are subject to a 15% restocking fee.

Products must be returned in original packaging and be received in "new" condition and suitable for resale. We will issue a return authorization document and return shipping instructions. When we receive the returned item we will issue a credit. Freight on returned items is the responsibility of the purchaser. There is no restocking fee or return freight charges for products shipped in error or damaged while shipping.

There are no returns or exchanges on custom orders, mattresses, or stainless steel beds.

Products are warranted for manufacturer defect. Notify us if the product you purchased is defective and

a return authorization will be issued to you with shipping instructions. Shipping on defective products is the responsibility of the seller. After 45 days, we will exchange or repair any defective products that are under manufacturer's warranty.

Products that arrive with visible damage to packing or contents should be refused. Refusing a shipment does not cancel the order; a reshipment of the product will be arranged. In cases where a shipment is refused for visible damage please complete the waybill describing the damage and notify us. The shipper will address the damage with the freight company.

Please notify us promptly if hidden damage is discovered during the unpacking process. We will issue a return authorization and shipping instructions. Upon receipt of the damaged item we will issue a credit or replace the item.
