25. Data Universal Number System (DUNS) number: **078774013**

26. Notification regarding registration in System for Award Management (SAM) database: **Yes, Melling Medical is registered**

RETURN GOODS POLICY

- All claims must be submitted during the first ten (10) working days from the date of delivery.
- All returns require a return authorization number.
- We are able to process returns that do not comply with the above; with prior approval of QA, a re-stocking charge of 25% is applicable, if it was due to customer error.
- Products or goods that have more than one (1) month delivery (30 calendar days) are non-refundable.
- We do not collect products or goods that have been damaged, broken or expired at customer facilities.
- Products or Goods with short expiration date may be returned within the first five (5) calendar days from the date of delivery.
- Products or Goods correctly processed and shipped to a reseller (Dealer) are nonrefundable, if it is due to cancellation of the end user. If the order was processed as requested, the re-seller must keep the goods.
- Once the return is authorized, customer will receive a return authorization number, known as RMA #.
- Returns must be accompanied with a copy of the invoice, catalog number, quantity to return, batch number; expiration date, serial number (if applicable) and reason for return.
- Products or Goods must be in the original packaging, with no marks or broken parts. Manuals and accessories must be returned.
- Claims for error in quantity, undelivered, damaged or incomplete product, must be reported no later than two (2) days after delivery date.
- Claims that are granted, but are due to customer error, will be evaluated according to the specific situation and carrying charges may apply.
- Products that by nature and specifications of the supplier, require controlled temperature, if return is authorized, must be returned within five (5) calendar days from the date of delivery.
- Special orders are non-refundable if they were processed and delivered according to customer purchase order.
- Equipment orders are not refundable, if the order was released according to customer purchase order.

PROCEDURE FOR RETURN and / or CLAIM

- The customer shall submit a written request, or a phone call, of the complaint or claim, to our Customer Service Department at admin@mellingmedical.com or (267) 251-6016.
- If the claim meets established criteria, your Customer Service Agent will proceed to generate a RMA (Return Material Authorization Number).
- A complaint does not necessarily, automatically translate into a pickup or credit.

Manufacturer's Warranty Policy

Diopsys Inc.

Limited Warranty

Diopsys, Inc. warrants our NOVA Vision Testing Systems to be free from defects in materials and workmanship, provided there is no evidence of abuse or attempted repairs without authorization from Diopsys. This Warranty is in effect for one year from the date of installation and is limited to service, and repair or replacement for parts, and software found to be defective.

Damage During Shipment: Our devices are shipped in perfect working order and condition following rigorous testing and certification. If the device is damaged in transit the buyer must immediately report, in writing, any concealed or apparent damage to the delivering carrier and to Diopsys Customer Service and request authorization for repair or replacement.

Defects Occurring During the Warranty Period: Our Customer Service Representatives will be happy to discuss by phone, or e-mail suspected defects in parts or software or problems encountered with the operation of your device. At the time of your call or e-mail please describe the nature of the defect. Many times a simple suggestion will be developed that will solve a problem and bring a device back up to normal operating capabilities quickly. If we are unable to suggest a solution we may advise you as to what parts of the equipment should be returned to Diopsys for service or provide a service technician to solve the problem on site.

Software License: The Diopsys NOVA software is a copyrighted product of Diopsys, Inc. The software may be used with Diopsys VEP and ERG systems only

Diopsys Customer Service Contact Information:

Diopsys published hours are 8:30 AM to 5:00 PM Eastern, Monday-Friday

Call Diopsys Customer Service @ 973-244-0622 during normal business

E-mail can be sent to: info@diopsys.com

Keeler

Your Keeler diagnostic ophthalmic instruments are guaranteed for 3 years and will be replaced or repaired free of charge subject to the following,

1. Any fault that is due to faulty manufacture.
2. The instrument has been used in compliance with these instructions.
3. Proof of purchase accompanies any claim

Please note bulbs and batteries are not covered by this warranty statement.

No user serviceable parts. All preventative maintenance and servicing must only be performed by authorized Keeler representatives.

TearLab

At TearLab, our mission is to provide a quality product to our customers every time. In the unlikely event that you experience technical difficulties with your product, we have provided the following procedures for remedy.

Warranty Statement: The TearLab Reader and Pens ("Product") are warranted against defects in material and workmanship for 12 months from the date of delivery. The foregoing warranty is subject to the following conditions and exceptions:

Warranty excludes repair of failures resulting from mishandling or abuse. Warranty excludes consumable items such as Test Cards. Warranty does not apply to damage sustained in transit. Warranty service may only be performed by TearLab Corporation ("TearLab"), or its authorized representative. Warranty is void if the Product has been modified or repaired by anyone other than TearLab or its authorized representative. Warranty is nontransferable. Warranty is void if the serial number tag is removed or altered. If the Product fails to conform to the foregoing warranty, you may return the nonconforming Product during the 12-month warranty period accompanied by (a) a copy of the sales receipt of the Product (for the purposes of evidencing the applicable warranty period) and (b) a Return Material Authorization ("RMA") number for the defective Product obtained from TearLab prior to initiating the shipment of the defective Product to TearLab. Products returned without a sales receipt and valid RMA number shall be returned to you, with no further obligation by TearLab regarding the Product. If you return a Product in compliance with the foregoing requirements, TearLab shall repair or replace the Product as soon as reasonably practical.

THE REPLACEMENT OF THE NONCONFORMING PRODUCTS BY TEARLAB AS PROVIDED ABOVE SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR BREACH OF THE FOREGOING WARRANTY. OTHER THAN AS WARRANTED ABOVE, THE PRODUCT IS PROVIDED AS IS. TEARLAB MAKES NO OTHER WARRANTIES RELATING TO THE PRODUCT, EXPRESS OR IMPLIED, AND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, OR MERCHANTABILITY.

In the event you experience any difficulty with the TearLab Osmolarity System, contact your local sales representative or TearLab Customer Support.

Infrascan

The Warranty includes:

- 1 Year: Warranty on each of the Six (6) Infrascanner™ 2000 are including at no charge.

Additional or Extended Warranties include:

- 2 Year: (Optional) Extended Warranty (Adds extra year) at \$2,500 each Infrascanner™ 2000

Insightful Solutions

Due to the disposable nature of the products, there is no warranty. However, Insightful Solutions ensures the highest quality products that will meet your satisfaction. If for some reason, you are not satisfied with the product you receive, feel free to follow the Return Goods Policy for a refund.

A-14G	InfraScan	2000- INFRA	Infrascanner 2000 Handheld Brain Hematoma Screening System / The Infrascanner Model 2000 is light-weight and handheld, and provides a simple, positive or negative graphic report. The Infrascanner unit includes a sensor and a cradle. The sensor includes an eye safe NIR diode laser and an optical detector. The light to and from the laser and detector are optically coupled to the patient's head through two disposable light guides. The detector signal is digitized and analyzed by a single board computer (SBC) in the sensor. The SBC receives the data from the detector and automatically adjusts the settings to ensure good data quality. The data is further processed by the SBC and the results are displayed on the screen.	US	\$18,240.00

A-35	Keeler	2301-P-1022	Maddox Wing Test / Convenient hand held quick and efficient near test for heterophoria which is measured on the red vertical scale. Esophoria and esophoria are measured by the white horizontal scale. Cyclophoria may be assessed moving the red arrow pointer parallel to the horizontal scale.	GB	\$193.44
A-35	Keeler	2414-P-2001	Pulsair IntelliPuff Portable Non Contact Tonometer / The Keeler intelligent puff system giving you a quantum leap forwards in accuracy and ease of use. IntelliPuff® embodies electronic and optical technology to deliver you the speed, accuracy and ease of use you and your patients deserve. Gentle is understating the new system - and if the patient has high pressures the puff will automatically increase for the next measurement. Kind, intelligent and simple. Technology working for you. Save valuable space Pulsair IntelliPuff® uses less than 50% of the space of conventional non contact tonometers and is the only model that can be wall mounted. Whether you wall mount or prefer to place it on your desk you win the 'space war' every time. No special instrument table is required - put it where you want it. Move it when you want to.	GB	\$3,616.73
A-35	Keeler	2414-P-2020	KAT - Keeler Applanation Tonometer BQ Type / The BQ KAT is designed specifically to fit the Haag Streit BQ, BP and BX Slit Lamps and fits directly to the optics support arm.	GB	\$1,303.12
