WARRANTY POLICY

Warranty Policy: Product Warranty/Defects

1. Each of the Products shall
   a. (i) conform with any and all written specifications made by the Supplier,
   b. (ii) be free of all defects in material workmanship, design, formulation and manufacturing:
   c. (iii) be safe for their intended use and meet minimum standards set by any governmental entity having authority to control or regulate a Product:
   d. (iv) be registered, manufactured, sold, priced and distributed in compliance with Applicable Laws and Regulations;
   e. (v) as of the date of delivery, not be adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act.

2. The Contractor warrants and implies that the products delivered hereunder are merchantable, fit for use for the particular purpose and will be free from defects in material and workmanship for a period not less than one (1) year from the date of delivery.

3. Contractor will replace, at its options, all products found defective within the period with cost of replacement, including shipping charge, to be borne by the Contractor.

4. No restocking fees will be applied. Under no circumstances will any product covered by this guarantee be returned without the following:
   a. advance written notice to the Contractor, or
   b. obtaining shipping instructions from the Contractor.

Sincerely,

FSS Return Policy

Although we strive to deliver the highest quality of products on every shipment, accidents do occur and returns are a necessity.

HR Pharmaceuticals, Inc., has set forth policies that must be followed unless a specific agreement has been established. Please contact HR Customer Service at (717)-252-1110 for assistance with your return or damaged product.

1. Undamaged Returns
   a. Within 30 Days of Ship Date
      Material that is in its original packaging, unopened and undamaged will be accepted for returns within 30 days of the ship date. The customer will be responsible for the following:
      - 0% Restocking Fee
      - Return Shipping
      - Government will be reimbursed for full invoice price
   b. Outside of 30 Days from Ship Date
      - No material is returnable outside of 30 days from the Ship Date.
   c. Shipping Errors
      - For items incorrectly shipped - Vendor will pay for shipping for both ways

2. Damaged Shipments
   a. On occasion material will be damaged during the normal shipping process. Although, we try to prevent this by packaging, pre-shipment inspections, carrier monitoring, etc. Customer warehouse personnel should complete a thorough incoming inspection at the dock to ensure the product is not damaged. Damaged product that is identified at the dock should not be accepted and refused with the carrier.
   b. When material is identified after the truck has been unloaded, that visible shipping damage is evident, this should be communicated to HR customer service immediately so that an RMA can be issued for the damaged product.
   c. To receive an RMA for this return the damaged product must be reported within three business days from the date of delivery. This return is not subject to a restocking fee.

      When the customer contacts HR Customer Service they will issue an RMA and make all plans for material pickup and/or POD form (Proof of Destruction).

      The following are the options that will be used by HR:
      - Customer disposes of material and completes POD form. Credit is then issued.
      - Credit Return - Return the product and we will ship you replacement product of equal value.
      - Credit Memo - We will not issue you new product, rather a credit will be applied to future orders.

3. Non-conforming product
   a. In the event a product does not meet general expectations (product is sealed, free of foreign matter, and no sign of tampering), HR will issue one of the RMAs stated above if reported within 30 days of delivery date. This return is not subject to a restocking fee.

NOTE: ALL RETURNS MUST HAVE AN RMA OR WILL NOT BE ACCEPTED
