This bilateral modification (RFM # 17-0887) is issued to two (2) price increases into the above mentioned FSS contract.

See page 3 of this document for the awarded economic price adjustments and the net FSS price.

The identified tracking customer for the product affected by the price reductions and economic price increases is **All Commercial Customers**. The tracking ratio previously established remains undisturbed in accordance with the Economic Price Adjustment clause (552.216-70). The FSS price is within tolerance of the calculated maximum FSS prices (tracking customer price multiplied by the established ratio).

In the event that the identified tracking customer's contract/agreement has been cancelled, terminated, has expired, or the tracking customer has merged with another group, the contracting officer shall be notified within 10 calendar days after the event occurs, and if possible, before the event occurs.

All other contract terms and conditions remain the same as previously awarded.

This bilateral modification action is effective **April 15, 2017**.

The Contractor is required to amend the GSA Advantage system **within 30 days** after receipt of the fully executed modification. For assistance in updating the GSA Advantage price list please contact the GSA Advantage Vendor Support Center at:
