RETURN POLICY

Returns and Refunds

Returns must be made within 30 days of product acceptance. The items must be untampered and unused. AED's cannot be returned. The customer must pay for shipping back to our warehouse as well as a 20% restocking fee. Before returning any items, the customer must contact us first to receive an RMA. See the RMA section below for more information. If an order is returned, free shipping does not apply, and if an order is refused or sent back via UPS, USPS, DHL, or Fedex, shipping charges will apply. If an item is damaged or defective CPR Savers & First Aid Supply will cover the return shipping cost and no restocking fee will be applied.

Exchanges

Exchanges must be made within 30 days of product acceptance. If the item purchased is exchanged with an equal or greater value replacement, the restocking fee may be waived depending upon the manufacturer. The customer still pays for shipping the product back to the warehouse. Before exchanging any items, the customer must contact us first to receive an RMA. The items for exchange must be untampered and unused. See the RMA section below for more information.

Guarantee

CPR Savers & First Aid Supply guarantees products purchased from us up to 30 days after product acceptance or for the duration of the manufacturer's warranty (whichever is longer). If it's determined to be a manufacturer defect, we will waive the restocking fee and also pay for shipping. The product *must* be in the same condition as when shipped. Before returning any items, the customer must contact us first to receive an RMA. See the RMA section below for more information.

RMA (Return Merchandise Authorization)

Before exchanging or returning any items, the customer must contact us first to receive an RMA. You can contact us by email at returns@cpr-savers.com or call us at 1.800.480.1277.

Product Liability Disclaimer

Defibtech Original End User's Limited Warranty

COVERAGE

Defibtech, LLC provides a limited warranty that the defibrillator and its associated accessories (e.g., batteries and pads), whether purchased concurrently with the defibrillator as part of a configuration or separately, shall be substantially free from defects in material and workmanship. Defibtech's limited warranty shall extend to all government entities, where the government entity purchased the items from an authorized Defibtech, LLC retailer. This limited warranty may not be assigned or transferred. The terms of the Limited Warranty in effect as of the date of original purchase shall apply to any warranty claims.

LENGTH OF WARRANTY

The defibrillator's limited warranty is for a period of eight (8) years from the date of purchase. The battery's limited warranty is for a period of four (4) years from the date of purchase, but in no event shall the limited warranty period extend past the date printed on the battery. Single use accessories (e.g., the pads) shall have a limited warranty up to use or for a period up to the expiration date, whichever is earlier. The limited warranty for all other accessories is for a period of one (1) year from the date of purchase, or to the expiration date, whichever is earlier.

LIMITED WARRANTY LIMITATIONS

This limited warranty does not cover damage of any sort resulting from, but not limited to, accidents, improper storage, improper operation, alterations, unauthorized service, tampering, abuse, neglect, fire, flood, war, or acts of God. Additionally, this limited warranty does not cover damage of any sort to the defibrillator or its associated accessories resulting from the use of the defibrillator with unapproved accessories or use of the accessories with unapproved medical devices. The defibrillator and its associated accessories are not warranted to be compatible with any other medical device. LIMITED

WARRANTY VOIDED

The limited warranty is immediately voided if: the defibrillator or its associated accessories are serviced or repaired by any entity, including persons, not authorized by Defibtech, LLC; specified maintenance is not performed; the defibrillator is used with one, or more, unauthorized accessories; the associated accessories are used with an unauthorized defibrillator; or the defibrillator or associated accessories are not used in accordance with Defibtech, LLC approved instructions.

EXCLUSIVE REMEDY

With consent of the ordering facility, Defibtech shall have the option to repair, replace, or provide a credit. In the event of replacement, Defibtech shall have the right, with consent of the ordering facility, to replace the item with a new, or refurbished, same or similar item. Determination of a similar item shall be with consent of the ordering facility. In the case of replacement, the replacement at a minimum shall reflect the prorated time remaining for the item based on the remaining limited warranty period. In the case of a credit, the credit shall be the prorated value of the item based on the lower of the original item cost of the same or similar item and the remaining limited warranty period. In no event, shall the limited warranty period of a replacement item extend past the limited warranty period of the item it is replacing.

WARRANTY SERVICE

In order to obtain warranty service, contact the retailer from whom the item was purchased. In the event an item must be returned, a Return Material Authorization (RMA) number is required. Items returned without an RMA number will not be accepted. CPR Savers & First Aid Supply will cover all return shipping costs.

Limited warranty time limits begin on the date of acceptance.1 Physio-Control warrants neither error-free nor interruption-free performance. The sole and exclusive remedy under this Limited Warranty is repair or replacement of defective material or workmanship with consent of the ordering facility. To qualify for the repair or replacement, the product must not have been repaired or altered outside of an authorized Physio-Control factory in any way which, in the judgment of Physio-Control, affects its stability and reliability. The product must have been used in accordance with applicable operating instructions and in the intended environment or setting. The product must not have been subjected to misuse, abuse or accident. Physio-Control, with consent of the ordering facility, will determine whether warranty service on the product will be performed in the field or through shipin repair. For field repair, this warranty service will be provided by Physio-Control at the purchaser's facility or an authorized Physio-Control facility during normal business hours. For ship-in repair, all products and/or assemblies requiring warranty service should be returned to a location designated by Physio-Control, freight prepaid, and must be accompanied by a written, detailed explanation of the claimed failure. Products repaired or replaced under this warranty retain the remainder of the warranty period of the repaired or replaced Product.

Heartsine Technologies Limited Lifetime Warranty

What is covered? HeartSine provides to the original end user a limited warranty that all HeartSine Samaritan products that are purchased for use in the United States from a distributor, sub-distributor, person or entity authorized by HeartSine Technologies LLC (“Authorized Agents”) are substantially free from defects in material and workmanship. The limited warranty applies only to the original end user. An original end user is one who is able to provide proof of purchase from HeartSine or an Authorized Agent. Persons who are not original end users take the products “as is” and with all faults. Please be prepared to provide proof of purchase demonstrating that you are the original end user and eligible to make a valid claim under this warranty. If you are not sure if the distributor, sub-distributor, person or entity from whom you purchased any HeartSine Technologies LLC please contact Customer Support at +1 215-860-8100 or support@heartsine.com.

For how long? Heartsine warrants, from the date of the sale to the end user, the samaritan PAD 350P for the full 10 year service life and the samaritan PAD Trainer for period of two years. Products with a stated expiration date are warranted until such expiration date.

Limited warranty does not cover: This limited warranty does not cover defects of damages of any sort resulting from, but not limited to, accidents, damage while in transit to our service location, alterations, unauthorized service, unauthorized product case opening, failure to follow instructions, improper use, improper or inadequate maintenance, abuse, neglect, fire, flood, war or acts of God. We do not warrant your Samaritan product to be compatible with any other medical device.

This limited warranty is void if: You purchased any HeartSine samaritan products from anyone other than an Authorized Agent; your Samaritan product is serviced or repaired by anyone other than HeartSine Technologies LLC; your Samaritan product is opened by unauthorized personnel or if a product is not used in accordance with the *Instructions for Use* and the *Indications for Use* provided with your product; your Samaritan product is used in conjunction with incompatible parts or accessories, including, but not limited to batteries. Parts and accessories are not compatible if they are not HeartSine Samaritan products.

What we will do: If your samaritan product contains defects in material or workmanship and it is returned, at the directions of a technical service representative, within the warranty period, we, with consent of the ordering facility, will repair your product or replace it with a new or reconditioned product of the same or similar design. The repaired or reconditioned product will be warranted subject to the terms and conditions of this limited warranty for either (a) 90 days or (b) the remainder of the original warranty period, whichever is longer, provided the warranty applies and the warranty period has not expired. If our inspection does not detect any defects in material or workmanship of your samaritan product, regular service charges will apply.
