A-61: Within 30 days A.R.O.
- 11b. Expedited Delivery: A-34: Items available for expedited delivery are noted in this price list (*). Expedited delivery within two (2) weeks ARO at no additional charge for the Customer.

11c. Overnight and 2-day
Delivery:

A-34 &

A-61: Overnight and 2-day delivery only pertain to parts, software and consumables. Schedule customer pays difference between premium and normal shipping costs. Schedule Customer may contact Contractor for rates for overnight and 2-day delivery.

11d. Urgent Requirements:

To effect a faster delivery than that noted in items #11a and 11b, contact the Contract Administration Source on Page 1 of this price book.

12. FOB Point(s):

FOB DESTINATION; 50 states, District of Columbia and Puerto Rico

13. Ordering Address:

Bio-logic Systems Corp.
One Bio-logic Plaza
Mundelein, IL 60060
(847) 949-5200

14. Payment Address:

Bio-logic Systems Corp.
One Bio-logic Plaza
Mundelein, IL 60060
(847) 949-5200

15. Commercial Warranty:

A-34 & A-61:

One year on parts and labor. Bio-logic Systems Corporation warrants that materials, workmanship and systems shall be free from defects upon acceptance and for one year following acceptance. Bio-logic shall guarantee service of the system at our expense. All parts found to be defective in this one-year period shall be replaced. Cost of replacement parts including shipping both ways shall be borne by Bio-logic Systems Corporation. Under no circumstances, shall any equipment covered under this warranty be returned without advance notice to the Contractor.

The following are the extended warranty packages:

- **Platinum Extended Warranty:** Pricing is 10% of the system list price, and coverage is per year
- **Platinum Plus Extended Warranty:** (EEG & Sleep only) pricing is 15% of the system list price, and coverage is per year
- **Gold Extended Warranty:** Pricing is 5% of the system list price, and coverage is per year
- **AuDX Gold Warranty:** \$475 per year flat charge (for AuDX Pro II)
- **5% discount** on extended warranties if purchased at time of original purchase

Return Goods/Exchange Policy: When under the first year warranty, the Customer is to notify Bio-logic of equipment problems and to have the equipment available to Bio-logic for inspection. If the equipment is to be returned to Bio-logic, the Customer must obtain a Return Materials Authorization (RMA) number from Bio-logic. The RMA number must be shown on the shipping documents and/or prominently displayed on the outside of the shipping container. Equipment returned to Bio-logic under the FSS contract warranty, must be packed to prevent damage in transit. Freight charges and insurance for shipment of equipment to Bio-logic will be paid by Bio-logic. Freight charges and insurance from Bio-logic to the Customer will be paid for by Bio-logic. Method of shipment must be approved by Bio-logic. There is no restocking fee.

For any returns other than under warranty, all items returned by the Customer are subject to a 15% inspection and restocking charge plus all shipping costs.

For Ordering Errors, the following applies: if the Customer orders incorrectly, then the Customer pays charges for shipping and insurance both ways, the Customer is not charged a restocking fee. If Bio-logic ships a product incorrectly, then Bio-logic pays charges for shipping and insurance both ways, and the Customer will not be charged a restocking fee.

16. **Export Packing charges:** Not applicable.
17. **Terms and Conditions of Government Credit Card Acceptance:** "Accepted. No additional discounts."

18. Terms and Conditions of Rental,
Maintenance, and repair Not applicable.

19. Terms and Conditions of
Installation/Training: A-34 & A-61:

Installation and on-site training provided at Contractor's Expense for Geographic coverage in the 50 States, District of Columbia and Puerto Rico. Two copies of the Service and Operation Manuals provided at no charge with each system. The basic goal of The installation is that after training*, the Customer will be able to perform collection and analyses of the data, including report generation (if applicable). The circumstances for each installation are unique and each facility will have its own special needs. To the extent that Bio-logic is able, the Customer's installation schedule will be customized to accommodate those needs and maximize productivity. (*The training is specific to the system purchased. Training for the AuDX (CD included for training purposes/help) and Sport modules can vary between .5 - 1 day; Evoked Potential (Navigator and ABAER (ABAER has help video files to assist in the training) can range from 1 - 3 days; Ceegraph and Sleepscan systems can range from 3 - 5 days). Additionally, normal unpacking, set-up and quality assurance checks are done to insure equipment conforms to manufacturer specifications.

VA Medical centers may reproduce all training material for use by their personnel provided that the medical center sign a mutually acceptable non-disclosure agreement related to the use of such video.

<u>SIN#</u>	<u>SYSTEM</u>	<u>FSS NET PRICE</u>
*2.	A-34 Scout Sport DPOAE Otoacoustic Emission System (for Clinical/Diagnostic OAE Testing)(requires interface to computer) <i>(EXPEDITED DELIVERY)</i>	\$ 6209.40
11.	A-61 Ceegraph Vision (Full-featured, 32 channel EEG system, includes computer, amplifier, collection & analysis software, <i>no printer, no monitor</i>)	\$17,800.30
13.	A-61 Sleepscan Vision (Polysomnography system, includes computer, amplifier, collection & analysis software, <i>no printer, no monitor</i>)	\$15,730.50
17.	A-61 Sleepscan Traveler, Sleep/ Ambulatory Recording System (19 channel/ Rechargeable battery)	\$13,246.70
25.	A-61 One additional amplifier channel (FOR NAVIGATOR PRO ONLY)	\$ 1,655.84
35.	A-61 LED Photic Stimulator (FOR CEEGRAPH)	\$ 1,241.88
37.	A-61 Ceegraph Digital Video Acquisition Package	\$ 7,865.24
38.	A-61 250 Gigabyte Hard Disk Drive in lieu of standard drive (FOR CEEGRAPH AND SLEEPSCAN)	\$ 1,655.84
39.	A-61 Additional 250 Gigabyte hard disk drive (FOR CEEGRAPH AND SLEEPSCAN)	\$ 4,139.60
40.	A-61 Color Manual Control Camera (FOR CEEGRAPH)	\$ 1,490.26

<u>SIN#</u>	<u>SYSTEM</u>	<u>FSS NET PRICE</u>
42.	A-61 Black & White Manual Control Camera (FOR CEEGRAPH)	\$ 1,697.23
46.	A-61 Auto-Staging Sleepscan Analysis FOR CEEGRAPH AND SLEEPSCAN)	\$ 2,069.80
47.	A-61 Ambulatory Drive (Includes CG Traveler Analysis software and PCMCIA disk drive - FOR CEEGRAPH/SLEEPSCAN TRAVELER UNITS)	\$1,655.84
48.	A-61 Navigator Pro, One Modality, Auditory Only (single channel, pair of insert earphones, programmable stimulus envelopes, isolation transformer – external module – must be connected to computer – computer and printer not included)	\$ 12,004.80
*50.	A-34 AuDX Pro II Distortion Product (DP) Otoacoustic Emission Testing system (OAE) (for Infant and Universal Hearing Screening) (Hand-held, battery operated) <u>(EXPEDITED DELIVERY)</u>	\$ 5,377.34
51.	A-61 ABAER – AB-103 (automated brainstem auditory evoked response system, includes modular cart with isolation transformer, touch panel PC monitor, sampler pack of tips, starter kit, OAE probe and label printer	\$ 15,896.10
52.	A-61 ABAER – AB-104 (automated brainstem auditory evoked response system, includes modular cart with isolation transformer, touch panel PC monitor, sampler pack of tips, starter kit, OAE probe and PC printer	\$ 15,896.10

***ANY PROMOTION GIVEN TO THE COMMERCIAL PUBLIC ON ANY OF THE ITEMS LISTED ON THIS PRICE LIST WILL ALSO APPLY TO THE DEPARTMENT OF VETERAN'S AFFAIRS.**

SYSTEM DESCRIPTIONS

AUDX PRO II:

Ideal for implementing Universal Newborn Hearing Screening programs/Infant screening device, AuDX programming software, AuDX module, probe, DPOAE & TEOAE testing capabilities, built-color display screen – instead of two line LCD – allows for the viewing of data graphically, USB cable and charger unit, memory for 100 Tests, Label printer enabling capabilities (must purchase serial label printer separately), carry case, operator/user manual, on-site training, Eartip sampler pack, AuDX CD (includes instructional/training information), one year service warranty on parts and labor. **NOTE: DOES NOT INCLUDE A COMPUTER – CALL FACTORY FOR PROGRAMMING COMPUTER (PROVIDED BY PURCHASER) MINIMUM HARDWARE REQUIREMENTS. PRINTER NOT INCLUDED.**

SCOUT SPORT:

Fully-featured OAE (Otoacoustic Emissions) system – computer based, diagnostic screening tool, Scout collection and Analysis software, Scout Sport module, probe, USB cable and charger unit, Eartip sampler pack, operator/user manual, on-site training, one year service warranty on parts and labor. **NOTE: DOES NOT INCLUDE A COMPUTER – CALL FACTORY FOR PROGRAMMING COMPUTER (PROVIDED BY PURCHASER) MINIMUM HARDWARE REQUIREMENTS. PRINTER NOT INCLUDED.**

CEEGRAPH VISION

The Ceegraph VISION is a full-featured digital EEG system. Included is a Pentium IV Processor with Hyper Threading, Amplifier, Windows XP Operating System, 512 MB RAM, >80 GB Hard Drive, CD-RW Drive, Quick Disconnect Headbox, VISION Collection & Analysis Software, Smartpack Data Compression, Ethernet Network Interface Card 10/100/1000 BaseT, AutoRecover from temporary power loss, Isolation Transformer, Operator/User Manual, One year Service Warranty on Parts & Labor, & On-Site Installation & Training (NOTE: MONITOR, CART, AND PRINTER ARE NOT INCLUDED)

SLEEPSCAN VISION

The Sleepscan VISION is a full-featured polysomnography system. Included is a Pentium IV Processor with Hyper Threading, Amplifier with 8 DC Channels, Windows XP Operating System, 512 MB RAM, >80 GB Hard Drive, CD-RW Drive, Quick Disconnect Headbox, VISION Collection Software, Smartpack Data Compression, Ethernet Network Interface Card 10/100/1000 BaseT, AutoRecover from temporary power loss, Isolation Transformer, Operator/User Manual, One year Service Warranty on Parts & Labor, & On-Site Installation & Training (NOTE: MONITOR, ANALYSIS SOFTWARE, CART, AND PRINTER ARE NOT INCLUDED)

Sleepscan Traveler

19 Channel Sleep Ambulatory Recorder, Carrying Case, Sleep Customer Provided Montage Array Cable, Flashcard Disk (Qty 2), Set-Up Software, Two Rechargeable Batteries, Battery Charger & Adaptor (24 Hours), Patient Event Button, Calibration Adaptor, Operator/User Manual, One Year Service Warranty on Parts & Labor & On-site Installation & Training

NAVIGATOR PRO:

Navigator Pro is a one modality, Auditory Only system with a single amplifier channel, pair of insert earphones, programmable stimulus envelopes, isolation transformer – external module - must be connected to computer – *computer and printer not included*)

ABAER – AB-103:

Automated brainstem auditory evoked response system, includes modular cart with isolation transformer, touch panel PC monitor, sampler pack of tips, starter kit, OAE probe and label printer

ABAER – AB-104:

Automated brainstem auditory evoked response system, includes modular cart with isolation transformer, touch panel PC monitor, sampler pack of tips, starter kit, OAE probe and PC printer
