### **Warranty**

Seller expressly warrants that all goods, material and workmanship will conform with applicable drawings, specifications, samples, or other descriptions given, will be fit for the purpose intended, and will be free from defects. All goods delivered and services performed will be subject to test and inspection by Buyer at the place of manufacture or at destination or at both. Any of the goods found at any time to be damaged (including goods damaged due to unsatisfactory packaging by Seller) or defective in material or workmanship or not in conformity with this purchase order may be corrected by Buyer at Seller's expense or rejected and returned at Seller's expense. If Buyer elects to return such goods to Seller **within 30 days**, Buyer shall be entitled to credit or replacement goods or services at the price charged. However, Buyer's inspection or failure to inspect shall in no way relieve Seller of responsibility hereunder, and Seller will in all cases indemnify and hold Buyer harmless against any and all claims, liabilities, costs, damages or expenses (including attorney's fees) of any kind caused by Seller's breach of the foregoing warranty, including but not limited to all costs and expenses related to product recall. The foregoing shall not be in limitation of any rights that Buyer may have at law or in equity by reason of any breach of warranty, express or implied. Seller shall maintain product liability insurance in such amounts as is customary for its type of business, and upon request by Buyer, Seller will provide Buyer with a certificate of such insurance.

### **Return and Exchange**

Returns and Exchange Policy: In the event that a shipping error occurs due to contractor's error, contractor pays freight both ways on return/exchange goods. If an ordering facility error occurs, the ordering facility pays return freight, without a restocking fee. Call customer service for a return authorization number (RA#).
