WARRANTY – The Contractor warrants and implies Harloff Healthcare Products carts and accessories are manufactured, tested and inspected in accordance with specific engineering requirements, and are warranted to be free from defects in workmanship and materials for a period of FIVE (5) YEARS from date of purchase.

This warranty is limited to parts manufactured by Harloff, including cabinets, drawers, and bumper frames. The warranty is limited to original purchaser of equipment.

Return shipping charges for non-warranty repairs are the responsibility of the claimant as well.

2. Only Harloff or its authorized customers and agents may make warranty evaluations and repairs on these products. All others do so at their own risk.

This warranty limits Harloff's liability for defects in workmanship or materials to replacement of warranted parts.
