15. **Background Investigation:** EHS incorporates multiple reports on candidate background. HireEase www.hireease.com – lists all felonies and misdemeanors a candidate has committed over the last 7 years in every state the candidate has resided as well as any malpractice convictions that have ever occurred over this time. EHS will also run 10-year EPLS and OIG reports on all candidates. These reports will show any action a candidate may have committed in the past that would exclude them from government employment. The established FSS net ceiling price does not include any cost for obtaining and/or possessing any additional levels of security clearances in the performance of potential task orders issued against the contract. Such additional costs are negotiated at the level of the task order contracting field office – per B.1.3 Scope of Work.
