ACLS: Preferred

BCLS: Required

Position: 621-034 Respiratory Therapist

Years of Experience in Specialty: Minimum twelve months experience in past 24 months in specialty

Minimum Education: Requires an associate's degree or its equivalent

Certification/License: The National Board for Respiratory Care (NBRC) offers voluntary certification and registration to graduates of programs accredited by CAAHEP or the Committee on Accreditation for Respiratory Care (CoARC). Two credentials are awarded to respiratory therapists who satisfy the requirements: Registered Respiratory Therapist (RRT) and Certified Respiratory Therapist (CRT).

Graduates from accredited programs in respiratory therapy may take the CRT examination. CRTs who meet education and experience requirements can take two separate examinations leading to the award of the RRT credential. In general, the CRT examination is the required minimum standard of testing in the States requiring licensure. CareSource requires all entry-level or generalist positions to hold the CRT or at least be eligible to take the certification examination. CareSource Respiratory Care Professionals assigned to Supervisory positions and intensive-care specialties require RRT certification. Additionally, Respiratory Care Practitioners must show valid state licensure as required by law.

ACLS: Preferred

BCLS: Required

Position: 621-034 Respiratory Therapy Technician

Years of Experience in Specialty: 1-4 years of related experience.

Minimum Education: Successful completion of accredited course of study.

Certification/License: Completion of national and state certification.

ACLS: Not Required

BCLS: Required

Position: 621-038 Licensed Practical / Vocational Nurse

Years of Experience in Specialty: Minimum twelve months experience in past 24 months in specialty

Minimum Education: Requires a high school diploma and graduation from of an accredited Licensed Practical Nurse or Licensed Vocational Nurse Program.

Certification/License: Have and maintain a valid, unrestricted license to practice as an LVN/LPN in any one of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam or the U.S. Virgin Islands. The health care worker is responsible for complying with all applicable state licensing regulations. Additionally, health care workers licensed outside of the 50 States must provide proof of having successfully passed the Licensed Practical Nurse National Council Licensure Exam (LPNCLEX).

ACLS: Not required

BCLS: Yes

Position: 621-039 Certified Medical Assistant

Years of Experience in Specialty: Possess a minimum of one-year experience within the preceding 3 years unless otherwise stated in the Task Order.

Minimum Education: Have either (a), successfully completed a Medical Assistant Training Course within the preceding 12 months, or (b), have at least 12 months experience as a Medical Assistant within the preceding 36 months, or (c), possess a current unrestricted license to practice as an LPN/LVN in any one of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam of the U.S. Virgin Islands and have at least 12 months experience as an LPN/LVN within the preceding 36 months, or (d), possess certification as a military medical technician/hospital corpsman/medic and have at least 12 months experience within the preceding 36 months.

Certification/License: CareSource requires all Medical Assistant's to maintain current CMA credential. The Certified Medical Assistant(CMA) credential is offered by the American Association of Medical Assistants (AAMA) - the only medical assisting organization recognized by the American Medical Association and granted Official Observer Status to the AMA's House of Delegates. The National Board of Medical Examiners - responsible for many national examinations for physicians - serves as test consultant for the AAMA's Certification Examination. As a result, the reliability and validity of the CMA credential is of the highest order. As required by AAMA, CMAs must recertify every five years to demonstrate knowledge and keep their CMA current. The recertification requirement can be met by examination or through continuing education. Effective January 1, 2003, all Certified Medical Assistants employed or seeking employment must have current certified status to use the CMA credential.

ACLS: Not required

BCLS: Yes

Position: 621-040 Certified Nursing Assistant

Years of Experience in Specialty: Possess a minimum of one-year experience within the preceding 3 years unless otherwise stated in the Task Order.

Minimum Education: Have either (a), successfully completed a Nursing Assistant Training Course within the preceding 12 months, or (b), have at least 12 months experience as a Nursing Assistant within the preceding 36 months, or (c), possess a current unrestricted license to practice as an LPN/LVN in any one of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam of the U.S. Virgin Islands and have at least 12 months experience as an LPN/LVN within the preceding 36 months, or (d), possess certification as a military medical technician/hospital corpsman/medic and have at least 12 months experience within the preceding 36 months.

Certification/License: As required by all State Boards of Nursing, all individuals who routinely perform nursing tasks delegated by a registered nurse or a licensed practical nurse must be certified by the Board of Nursing. Certified nursing assistant is defined as an individual regardless of title, who routinely performs nursing tasks delegated by a registered nurse or a licensed practical nurse for compensation; and does not include a medication assistant or an individual who merely provides assistance with activities of daily living, unless the client's needs are such that adverse health consequences are predictable. Only persons certified as a nursing assistant by the Board may use the title Certified Nursing Assistant or the initials C.N.A. after their name. CareSource, LLC requires ALL Nursing Assistants to possess certification as a C.N.A. by the governing State Board of Nursing.

ACLS: Not required

BCLS: Yes
