COMPANY OVERVIEW

SurgEquip Solutions is a Sales and Distribution Company located in Southern California. We are a master Distributor for the several manufacturers including Bovie Medical, Nuvo Surgical and FIMI Philips. We are a Small Business and as such are able to provide significant discounts on all of our product lines while still providing the personalized attention that our customers deserve.

We place integrity above all else and strive to provide the best possible service to our customers. Our goal is to earn the respect and business from all sectors of the business world.

PRODUCT DESCRIPTION - SIN # A-41

Part #	Mfr	Description	FSS Price
IDS-300	Bovie Medical	Bovie IDS-300 Bovie IDS300 - 300 watt Electrosurgical Generator. The Bovie® IDS Series are the latest electrosurgical generators with fully digital implementation. Bovie is using dedicated digital hardware instead of a general purpose controller for processing data. The digital hardware allows parallel data processing. This generates very high data processing throughput. All data is sampled and processed digitally, being converted to analog only in the output stage. Monopolar and bipolar functions satisfy all surgical demands with maximum safety and a user-friendly interface. IDS-300 Electrosurgical Generator is A 300 Watt Multipurpose Electrosurgical Generator For Use In The Modern Operating Room And Surgi-Center. This Electrosurgical Generator Features Both Monopolar And Bipolar Functions.	\$ 7,147.00
