BD Diagnostic Systems Return Goods Policy FSS V797P-5109B

If product to be returned was purchased under this contract from a participating distributor, please contact the applicable distributor to arrange for returns.

If the product was purchased directly from BD Diagnostics, please call 800-675-0908 to arrange for a return authorization per the terms below.

The following is the policy and procedure for the return of products to **BD Diagnostic Systems**.

All returns of products must be accompanied by a "Returned Goods Authorization" form.

It will be our policy to issue no credit for goods returned under the following conditions:

1. Items that have exceeded their expiration date.
2. Items that are not current products or are non standard specials
3. Items that are considered to be physically sensitive or perishable and that are returned for any reason other than validated performance problems or errors. These items include:
 - a. Sensi-Disc® Discs and Sensi-Disc Antimicrobial Discs for use in Culture Media
 - b. Prepared media
 - c. Animal Bloods
 - d. Taxo® and Minitek™ Discs
 - e. Diagnostic Reagents
 - f. QualiSwab™ Quality Control Cultures
 - g. Rapid Diagnostic Testing Products
 - h. Septi-Chek™ slides and Septi-Chek™ AFB Slides
 - i. Crystal™ ID and Crystal™ MRSA Kits
 - j. Pasco® panels

BD Diagnostics Customer Service:

ATTACHMENT II

The following information must be provided at this time for each product to be returned:

1. Catalog number and description.
2. Quantity to be returned for each product.
3. Applicable manufacturing lot number(s) and expiration date for each product
4. Whenever possible, the original purchase order number and our order number or invoice number

Upon receipt of the request, Customer Service will complete the "Returned Goods Authorization" form authorizing the return of only those items which meet the return for credit criteria. Upon receipt of the authorization form by the distributor, the distributor is to ship the merchandise authorized for return within ten (10) days. The "Returned Goods Authorization" number must be clearly marked on the exterior of the shipping container.

Returned products will be inspected and, based upon the returned goods inspection and reason for the return, credit will be issued according to the following:

1. For restocking items, returned products will be credited at the lowest distributor price, less twenty-five percent (25%) for restocking and handling
2. Products returned due to validated performance problems or due to our error are exempt from handling and restocking charges and will be extended full credit. Freight costs for the returned goods will be borne by the customer unless returned for validated performance problems or error.
